The Eaglestar Prophecy:

The Eaglestar Prophecy John Milor, 2003-09 The end of the age is upon us Soon the heavens will be shaken and the battlefield of an ancient war will make its way to the earth The fabric of time and space trembles full of fractures under the strain of warring battalions yet we of earth sit in stillness in a quiet sector of our universe primarily unaware of the forces about to embark upon us Through the thinning veil both the darkness and the light are penetrating And while the world becomes subtly entrenched in clouds of darkness speckled rays of prophetic light have been piercing through fulfilling the prophecies of Joel 2 28 32 Over 20 years ago one such ray of light struck me an ordinary 12 year old boy In a vision I saw an eagle whose countenance and power was unfathomable Electricity pulsed throughout the feathers of His body and while He glared at me with His glowing eyes He stretched out His wings A star of light formed between them and struck me on my forehead I am finally beginning to understand the knowledge that was imparted to me on that night so long ago **Aliens and the Antichrist** John Milor, 2006-09 Aliens and the Antichrist is a riveting prophetic Bible commentary highlighting over seven hundred scriptures documenting the existence relevance and significance of extraterrestrial life While unfolding the enigma of extraterrestrial life learn the facts about the fall of Lucifer and his angelic kingdom that once existed on Earth before Adam and Eve the rapture of the church the rise and fall of the Antichrist the second coming of Christ and the millennial reign of Christ the Nephilim human angel hybrids of Genesis 6 and their relationship with the Antichrist the realms of heaven and hell and the origin of dinosaurs Cro Magnon and Neanderthal Numerous other topics are also touched upon such as civilizations on Mars and elsewhere in the universe the unique topic of cosmic salvation the existence of Atlantis psychic abilities astral projection the existence of ghosts artificial intelligence and more We of Earth are on the verge of the conclusion of an ancient war amid countless beings of unfathomable power a war that has spanned across the eons across innumerable galaxies across dimensions and it s all coming to an end on this little planet Soon the world will know that aliens are real but the truth about their existence is only the beginning For those interested in receiving the full revelation from the Bible about who they are where they come from why they come and what they want this is the book to read **The Strong Delusion** John W. Milor, 2017-02-20 John Milors fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth a deception so intense that only those with a genuine love relationship with God will be able to endure it Events from the authors own life including a series of supernatural encounters have revealed some key components of this strong delusion which he believes will initiate a grand display of open contact with extraterrestrials It will also involve the global rise of Islam Its no mistake that the faiths of four billion people Christians and Muslims include two versions of prophetic visions that are nearly identical yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon This book delves into myriad topics including Encounters with angels otherworldly beings and Jesus Christ Encounters with demons ghosts nephilim jinns and mythical creatures The Bibles explanation of ET good guys and bad guys

The Quran and Hadiths ET connection Was Muhammad abducted as a boy and operated on Was the angel that abducted Muhammad really Gabriel Were the mysterious jinns of Islam actually surviving nephilim Is the Quran and Hadiths ideology specifically tailored for the Antichrist These and other topics harken to ancient times and peer into a not too distant future when the author believes we will see a return to the days of Noah as prophesied by Jesus **Skyline: The Opal Chance** Paige Pfannenstiel, 2010-08-15 Skyline born under the legendary Blue Moon is a bald eagle who cannot fly Inspired by the greatest Storyteller among the eagles Skyline develops a strong desire to travel to the Sea with his brother In the course of their long difficult journey Skyline and his brother are captured by a bloodthirsty tribe of golden eagles While searching for a means of escape the brothers stumble upon a prophecy that foretells the rebuilding of the Kingdom of Eagles which had been destroyed many lifetimes ago Armed with the knowledge of a mysterious Threesome destined to rebuild the Kingdom Skyline searches for the one thing that can save the eagles But a more sinister force also hunts the Threesome and before he knows what is happening Skyline is thrown into a battle that will change the fate of all five animal Kingdoms forever Before Skyline and the other eagles can claim victory Skyline must overcome his disability and embrace his destiny *Star Magic* Sandra Kynes, 2015-02-08 Unleash the Magical Power of the Cosmic Wheel of the Year Tap into the energy of the stars for divination ritual magic and psychic work Join author Sandra Kynes on an exploration of the night sky looking beyond the moon to using the energy of the constellations in magic in ways meaningful to twenty first century Pagans and Wiccans Explore the history associated with each constellation and notable stars as well as ways to engage them with help from seventy illustrations and a variety of star maps Organized around the Wheel of the Year Star Magic lets you easily navigate chapters corresponding to both your current season and hemisphere Discover the constellations of each season from Virgo in spring to Aquarius in autumn and dozens more Use chakras dream work and astral travel to align with the stars and harness their power With this comprehensive book s simple and straightforward methods you ll reach a new level of magic and wonderment that is out of this world Jesus vs Paul on Christianity Dr. Peter Zhao, 2024-09-18 The book presents exclusive results of Dr Zhao s two year research on the fields beyond Physics The history and formation of the New Testament canon Unambiguous proof for the canonicity of three New Testament books Matthew John and Revelation Unambiguous proof for the authorship of Revelation and the time it was written Irrefutable contradictions between Luke s books and the three canonized New Testament books Detailed comparisons of the teachings of Jesus and his disciples with those of Paul The narrow road towards the kingdom of God *Atlantis Star* Imogen Tovey, 2014-07-28 Atlantis Star is a captivating dual time novel that readers aged 8 14 will love Uniting elements of mythology wildlife and environmental issues in one gripping story Imogen Tovey has created an alternative Atlantis a mythical city where dolphins and humans live side by side in harmony protecting a powerful secret the Atlantis Star Growing up on Atlantis was perfect the children and dolphins had loads of fun together but the secret they were hiding eventually destroyed the city which plunged beneath the waves Now centuries have passed and the modern
