The Good Fight Political Memoirs 1909 1958:

Rose Henderson J. Peter Campbell, 2010 Feminism and the political left come to life in this account of an important early twentieth century social activist **Youth, University, and Canadian Society** Paul Axelrod, John G. Reid, 1989 Paul Axelrod and John Reid take the reader through one hundred years of the complex and turbulent history of youth university and society Contributors explore the question of how students have been affected by war and social change and discuss who was able to attend university and who was not showing how access to privilege has changed over the years **Constant Struggle** Julien Mauduit, Jennifer Tunnicliffe, 2021-10-06 Most Canadians assume they live under some form of democracy Yet confusion about the meaning of the word and the limits of the people's power obscures a deeper understanding Constant Struggle looks for the democratic impulse in Canada's past to deconstruct how the country became a democracy if in fact it ever did This volume asks what limits and contradictions have framed the nation's democratization process examining how democracy has been understood by those who have advocated for or resisted it and exploring key historical realities that have shaped it Scholars from a range of disciplines tackle this elusive concept suggesting that instead of looking for a simple narrative we must be alert to the slower untidier and incomplete processes of democratization in Canada Constant Struggle offers a renewed sometimes unsettling depiction stretching from studies of early Indigenous societies through colonial North America and Confederation into the twentieth century Contributors reassess democracy in light of settler colonialism and white supremacy investigate connections between capitalism and democracy consider alternative conceptions of democracy from Canada's past and highlight the various ways in which the democratic ideal has been mobilized to advance particular visions of Canadian society Demonstrating that Canada's democratization process has not always been one that empowered the people Constant Struggle questions traditional views of the relationship between democracy and liberalism in Canada and around the world **Capitalism and Colonialism: The Making of Modern Canada 1890-1960** Bryan D. Palmer, 2025-09-02 This second volume of Bryan Palmer's history of Canada covers 1890 to 1960 Weaving together themes that include business labour politics and social history this account brings the experiences of Indigenous peoples into the centre of the narrative Canada experienced extraordinary growth during these decades notably after the Second World War when many Canadians quickly became far better off Yet vast inequalities persisted Indigenous peoples experienced ongoing and often worsening deprivation and ordinary people saw little or no real improvement in their lives These realities set the stage for the interplay of reform resistance and reaction that followed after 1960 Palmer examines the continuing role of capitalism and colonialism in structuring Canada in the period between 1890 and 1960 from capital's conflicts and fragile ententes with labour to the struggles of Indigenous Peoples and francophone Canada and the changing role of Canadian capital internationally Relying on the work of scholars who have produced a vast academic literature on a wide range of topics in Canadian history Bryan Palmer offers a new history of Canada which reflects the knowledge and values of 21st

century Canadians *Jews and French Quebecers* Jacques Langlais, David Rome, 2010-10-30 *Jews and French Quebecers* recounts a saga of intense interest for the whole of Canada let alone societies elsewhere This work now translated into English represents the viewpoints of two friends from differing cultural and religious traditions One is a French Quebecer and a Christian the other is Jewish and also calls Quebec his home Both men are bilingual Jacques Langlais and David Rome examine the merging through alterations of close co operation and socio political clashes of two Quebec ethno cultural communities one French already rooted in the land of Quebec and its religio cultural tradition the other Jewish migrating from Europe through the last two centuries equally rooted in its Jewish Yiddish tradition In Quebec both communities have learned to build and live together as well as to share their respective cultural heritages This remarkable experience two hundred years of intercultural co vivance in a world fraught with ethnic tensions serves as a model for both Canada and other countries *On the Front Line of Life* Alan Bowker, 2004-11-01 In the last decade of his life Leacock turned to writing

Seeking the Fabled City Allan Levine, 2018-10-30 In this definitive and meticulously researched account of the Jewish experience in Canada award winning and critically acclaimed author Allan Levine documents a story that is rich accessible often surprising and epic in its scope Relying on an abundance of primary sources and first hand documentation and interviews Seeking the Fabled City chronicles the successes and failures the obstacles overcome and those not conquered of a historic journey and the people who travelled it Seeking the Fabled City is a story that unfolds over 250 years from the decade after the conquest of New France in 1759 when small numbers of Sephardic Jews of Spanish and Portuguese descent arrived in British North America through the great wave of Russian and Eastern European Jewish immigration at the turn of the twentieth century to the present in which Canada's large Jewish community no longer hindered by the anti-Semitism of the past is free to flourish This is a chronicle of a people that takes place at hundreds of locales across the country mainly in the large urban centres of Montreal Toronto Vancouver and Winnipeg but also in west coast and maritime villages and tiny prairie towns in a riveting drama with a cast of thousands Relying on an abundance of primary sources and first hand documentation and interviews Seeking the Fabled City chronicles the successes and failures the obstacles overcome and those not conquered of a historic journey and the people who travelled it

Canadian Marxists and the Search for a Third Way Peter Campbell, 2000-01-01 Focusing on four individuals Canadian Marxists and the Search for a Third Way describes the lives and ideas of Ernest Winch Bill Pritchard Bob Russell and Arthur Mould and examines their efforts to put their ideas into practice Campbell begins by looking at their childhoods in Great Britain particularly their religious upbringing He considers their family life their attitudes toward women and ethnic minorities what they were reading and what effect that reading had on their theory and practice He describes their lives as labor leaders and advocates of socialism revealing how tenaciously in an increasingly hierarchical bureaucratized and state driven capitalist society they held to the idea that socialism must be created by the working class itself This is a unique look at four Canadian Marxists and their struggle to create an educated disciplined democratic mass based movement for revolutionary change

A History of Foreign Students in Britain H. Perraton, 2014-06-17 Foreign students have travelled to Britain for centuries and from the beginning attracted controversy

This book explores changing British policy and practice and changing student experience set within the context of British social and political history

Canada's Jews Gerald Tulchinsky, 2008-05-24 The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries many Jews emigrated to the Dominion of Canada which was then considered little more than a British satellite state Over the ensuing decades as the Canadian Jewish identity was forged Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States In this light the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality *Canada's Jews* is an account of this remarkable story as told by one of the leading authors and historians on the Jewish legacy in Canada Drawing on his previous work on the subject Gerald Tulchinsky illuminates the struggle against anti-Semitism and the search for a livelihood amongst the Jewish community He demonstrates that far from being a fragment of the Old World the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated diversified and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion *Canada's Jews* covers the 240 year period from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands With important points about labour immigration and anti-Semitism it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian history

Religion and Public Life in Canada Marguerite Van Die, 2001-01-01 As this collection of scholarly case studies reveals religion once played a major public role in all aspects of Canadian society including politics education and culture

Staples and Beyond Mel Watkins, 2006-10-06 This collection brings together Watkins most important scholarly articles In *Staples and Beyond* Watkins addresses the staple thesis of Canadian economic and political development and in particular the effort to extend Harold Innis work by giving more explicit consideration to class relations and the role of the state He considers the historical nature of Canada's economic dependency in relation to tariff barriers foreign investment the multi-national corporation and wide ranging free trade and investment agreements He also examines the evolution of economics and political economy as academic disciplines and reflects on the relationship between intellectual scholarship and political activism

Eugene A. Forsey Frank Milligan, 2004 In this unusual biography of one of Canada's most well known public figures author Frank Milligan traces the intellectual foundations on which Eugene Forsey's world view was constructed By studying Forsey's beliefs both religious and political Milligan unearths the philosophical underpinnings of many of Canada's early twentieth century political economic religious and social reform movements

Free Public Transit Prince Jason Prince, 2019-10-15 Just like we don't pay to use elevators this book argues that we shouldn't pay to ride public transit In an age of increasing inequalities and ecological crisis movements advocating free public transit push us to rethink the status quo and consider

urban transit as a fundamental human right Editors Jason Prince and Judith Dellheim have collected a panorama of case studies from around the world the United States Canada Estonia Greece France Italy Sweden Poland China Australia Brazil Mexico and more These movements are spread across the world and they aim to achieve two main outcomes ecological good and fair wealth distribution Free public transit coupled with increased capacity and improving service of public transit might well be the only viable strategy to eliminating car usage and achieving greenhouse gas targets in industrialized cities within a reasonable timeframe Movements for free mass transit also aim to see public transit treated as a public good like water and garbage service that should be paid for out of general tax revenues or a fairer regional tax strategy This book covers the rapidly changing transport options in cities today including bike and car share options Uber and Lyft and the imminent arrival of driver less vehicles The first English language book ever written on the subject Free Public Transit is a ground breaking book for those concerned about the future of our cities and an essential resource for those who make or try to change urban planning and transport policies

Agnes Macphail and the Politics of Equality Terence Allan Crowley,1990 Passing years have only added new lustre to the figure of Agnes Macphail Canada s first woman MP In this biography Terry Crowley offers a heroine for our times with the depiction of Macphail the accomplished politician the committed feminist and the complex well rounded witty human being A democratic populist who emerged politically during the post World War One farmers revolt Macphail helped build the alliance that became the CCF party and ended the two major parties total domination of national political life She later served the CCF as Ontario s first woman MPP In all her activities Macphail was an outspoken advocate of equality and human rights She worked tirelessly to win recognition of women s rights to reform the nation s penal system and to secure international peace She pressed for controls on lobbying and for disclosure of business influences on the media Strong convictions openness to fresh ideas and devotion to democratic values were Macphail s distinguishing characteristics Page 4 of cover [The Measure of Democracy](#) Daniel J.

Robinson,1999-04-24 Politicians government officials and public relations officers lean heavily on polling when fashioning public policy Proponents say this is for the best arguing that surveys bring the views of citizens closer to civic officials Critics decry polling s promotion of sycophantic politicians who pander to the whims of public sentiment or conversely the use of surveys by special interest groups to thwart the majority will Similar claims and criticisms were made during the early days of polling When George Gallup began polling Americans in 1935 he heralded it as a bold step in popular democracy The views of ordinary citizens could now be heard alongside those of organized interest groups When brought to Canada in 1941 the Gallup Poll promised similar democratic rejuvenation In actual practice traditionally disadvantaged constituencies such as women the poor French Canadians and African Americans were often heavily underrepresented in Gallup surveys Preoccupied with election forecasting Gallup pollsters undercounted social groups thought less likely or unable to vote leading to a considerable gap between the polling results of the sampled polity and the opinions of the general public

Examining the origins and early years of public opinion polling in Canada Robinson situates polling within the larger context of its forerunners market research surveys and American opinion polling and charts its growth until its first uses by political parties

Rethinking Vocationalism Rebecca Priegert Coulter, Ivor F. Goodson, 1993-01-01 Vocational education can either reinforce or challenge dominant ideology students can learn to accept and fit into a workplace or to change it How we understand the links between knowledge and work will significantly affect our ability to make important political and strategic decisions about education in general and about vocational education in particular The old questions about education who controls education whose interests are served by the education system assume new urgency in an era of global restructuring The contributors to *Rethinking Vocationalism* examine these questions from a variety of enlightening perspectives An Our Schools Our Selves book

Canadian Parties in Transition, Third Edition Alain G. Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of *Canadian Parties in Transition* by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book

The Good Fight Political Memoirs 1909 1958: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Good Fight Political Memoirs 1909 1958 : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Good Fight Political Memoirs 1909 1958 : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
