

# THE GOOD NEWS

## ACCORDING to MATTHEW

Matthew's gospel was constructed, Minear contends, as a guide—a "training manual"—to educate those who would carry on Jesus' work after his death.

This fresh perspective adds new dimensions to our understanding of the gospel, encouraging us to examine and redefine our own calling as Jesus' messengers.

"By viewing this Gospel as the first authoritative training manual, originally designed for the apostles and their first replacements, students may find that in a mysterious way this Gospel becomes their own study syllabus as they prepare for pursuing their own calling by the same teacher."

**Commentary on the Bible)** Stanley Hauerwas, 2007-01-01 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture creedally for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places A rich resource for preachers teachers students and study groups the BTC provides guidance for reading the Bible under the rule of faith Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed connections between biblical interpretation and today's social issues applications for contemporary faith and life devotional depth for meditation and reflection insights from literature philosophy culture and more This addition to the series brings the stimulating insights of world renowned theologian Stanley Hauerwas to the first Gospel Ultimately the Brazos Theological Commentary on the Bible demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible *Hellenistic Dimensions of the Gospel of Matthew* Robert S.

Kinney, 2016-04-11 In the search for Matthean theology scholars overwhelmingly approach the Gospel of Matthew as the most Jewish Gospel Studies of its Sitz im Leben focus on its relationship to Judaism whether arguing from the perspective that Matthew wrote from a cloistered Jewish community or as the leader of a Gentile rebellion against such a Jewish community While this is undoubtedly an important and necessary discussion for understanding the Gospel it often assumes too much about the relationship between Judaism and Hellenism via Martin Hengel Robert S Kinney argues for a hybridized perspective in which Matthew's attention to Jewish sources and ideas is not denied but in which echoes of Greek and Roman sources can be observed focusing on identifying Matthew's use of rhetoric and its possible echoes of Greco Roman

philosophical disciple gathering teachers      **Preaching the Gospel of Matthew** Stanley P. Saunders, 2010-09-02 This commentary for preaching Matthew a companion to WJK's successful *Preaching the Gospel of Luke* *Preaching the Gospel of John* and *Preaching the Gospel of Mark* works through every passage of Matthew's Gospel with exegetical insight and a keen sensitivity to the demands of preaching Stanley P. Saunders' commentary follows the biblical text divided into passages. After each passage a number of possibilities are presented for how to preach that text. He includes a wealth of creative and pertinent tips to help preachers apply Matthew's narrative to the lives of today's churchgoers      *O Woman, Great is Your Faith!* Douglas Sean O'Donnell, 2021-08-26 The concept of faith holds a central position in New Testament and early Christian thought yet this concept has not received the careful attention it deserves in the Synoptic Gospels. The present study offers a comprehensive analysis of faith as a key motif in the Gospel of Matthew where it plays a major role in communicating this Gospel's vision for how readers should respond to the person and message of Jesus. The argument propounded is that Matthew's unique narrative portrayal of the Canaanite woman's faith 15:21-28 is used for pedagogical purposes namely that by comparing and contrasting her great faith with those characters expressing no faith and little faith Matthew uses Jesus's quantitative terms to teach on the nature of true faith. She embodies Matthew's theological vision of faith. Even though she is a gentile outsider/enemy she comprehends the universal scope and abundant blessings of Jesus's mission. Moreover she acknowledges Jesus's messianic identity correctly perceiving him to be both David's royal heir and David's Lord. Finally based on who she perceives Jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action      **The New Testament** Donald A. Hagner, 2012-11-15 This capstone work from widely respected senior evangelical scholar Donald Hagner offers a substantial introduction to the New Testament. Hagner deals with the New Testament both historically and theologically employing the framework of salvation history. He treats the New Testament as a coherent body of texts and stresses the unity of the New Testament without neglecting its variety. Although the volume covers typical questions of introduction such as author, date, background and sources it focuses primarily on understanding the theological content and meaning of the texts putting students in a position to understand the origins of Christianity and its canonical writings. Throughout Hagner delivers balanced conclusions in conversation with classic and current scholarship. The book includes summary tables, diagrams, maps and extensive bibliographies      *The Art of Reading Scripture* Ellen F. Davis, Richard B. Hays, 2003-10-02 The difficulty of interpreting the Bible is felt all over today. Is the Bible still authoritative for the faith and practice of the church? If so in what way? What practices of reading offer the most appropriate approach to understanding Scripture? The church's lack of clarity about these issues has hindered its witness and mission causing it to speak with an uncertain voice to the challenges of our time. This important book is for a twenty-first century church that seems to have lost the art of reading the Bible attentively and imaginatively. *The Art of Reading Scripture* is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed

cultural environment Asking how best to read the Bible in a postmodern context the contributors together affirm up front Nine Theses that provide substantial guidance for the church The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses Lucidly conceived carefully written and shimmering with fresh insights The Art of Reading Scripture proposes a far reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible Contributors Gary A Anderson Richard Bauckham Brian E Daley Ellen F Davis Richard B Hays James C Howell Robert W Jenson William Stacy Johnson L Gregory Jones Christine McSpadden R W L Moberly David C Steinmetz Marianne Meye Thompson *What's Good about this News?* David Lyon Bartlett,2003-01-01 In this study of the Gospels and the book of Galatians David Bartlett explores how to reconcile the biblical text s message to our contemporary context and a particular congregation s character and need While as he shows important continuities exist in the way the good news is understood throughout the New Testament precisely what it looks like and how Christians respond to it differs between Mark Paul John and the rest of the writers Consequently he demonstrates preachers have options as they try to discern what news a congregation needs to hear on a particular Sunday Including sample sermons *What s Good about This News* shows how each of these biblical texts remains a redemptive word for today s people *Images of the Church in the New Testament* Paul Sevier Minear,2004-11-12 First published in 1960 Paul Minear s classic work identifies and explicates ninety six images for the church found in the New Testament Comprehensive and accessibly written it has been used in seminary classes for over thirty years Its range of reach and incredibly rich discussions of the many images and metaphors make this book a splendid resource for students and pastors The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the

diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

*The Bible and the Historian* Paul Sevier Minear, 2002 A renowned biblical scholar revisits what the New Testament means for the Church This book reintroduces contemporary students to a study of the Bible with God at its heart

**Questioning Q** Mark S. Goodacre, Nicholas Perrin, 2004 One need not undertake a very close reading of the Gospels of Matthew Mark and Luke to recognize that they have much in common But what are the origins of their literary relationship The nineteenth and twentieth centuries saw considerable energy devoted to this question Early hypotheses supposed a primitive proto Gospel to have been the source for all three Synoptics but later theories envisioned two sources an early version of Mark and a sayings source document eventually dubbed Q In contemporary Gospel studies Q has taken on a quasi factual status resulting in such publications as *The Critical Edition of Q* complete with critical apparatus This textualization of Q has taken place despite the fact that Q has never been found we have no manuscripts of Q and no church fathers attest that such a document ever existed In *Questioning Q* editors Mark Goodacre and Nicholas Perrin introduce a diverse network of scholars who examine the Q hypothesis from a variety of perspectives historical literary source critical and redactional and ask ultimately Can we dispense with Q and What would a world without Q look like Even the most ardent and articulate defenders of Q will benefit from this well reasoned respectful challenge to an oft unexamined assumption Matthew, Disciple and Scribe Patrick Schreiner, 2019-09-03 This fresh look at the Gospel of Matthew highlights the unique contribution that Matthew's rich and multilayered portrait of Jesus makes to understanding the connection between the Old and New Testaments Patrick Schreiner argues that Matthew obeyed the Great Commission by acting as scribe to his teacher Jesus in order to share Jesus's life and work with the world thereby making disciples of future generations The First Gospel presents Jesus's life as the fulfillment of the Old Testament story of Israel and shows how Jesus brings new life in the New Testament
