## **The Gospel According To The Apostles:**

**The Gospel According to the Apostles** John F. MacArthur, 2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book *The Gospel According to Jesus* Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus' earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation *The Gospel According to the Apostles* is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached *The Gospel According to the Apostles* John F. MacArthur, 2005-03 Ever since the days of the apostles Paul and James Christians have struggled to define the proper tension between faith and works Salvation Paul stresses is not by works so that no one can boast Ephesians 2:8-9 But James argues Show me your faith without your works and I will show you my faith by my works 2:18 In his characteristic compelling style Dr MacArthur reconciles these two seemingly divergent threads of biblical truth taking on the difficult questions head on What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God Do our works have any effect on our salvation Jesus asked his followers Why do you call me Lord and not do the things that I tell you to When John MacArthur dared in his earlier book to ask us this question critics accused him of shelving grace Others read the same book and heard in it the identical message preached since the founding of the Church *The Gospel According to the Apostles* is the same gospel Jesus preached Dr MacArthur says but it differs dramatically from the diluted message popular today I pray you'll find this book an encouragement as you seek to put your own faith to work *The Acts of the Apostles in the Proclamation of the Gospel of Jesus Christ* Ellen G. White, 1911 After Jesus was victorious over Satan and returned to heaven the enemy turned his attention to Jesus' church on earth Here are thrilling stories of fierce persecutions and unswerving loyalty to God **The Gospel According to Mark** Joseph Addison Alexander, 1863 *The Gospel According to John* D. A. Carson, 1991 With this acclaimed volume in the Pillar New Testament Commentary series Carson explains the text of John's Gospel to help you minister the Word of God to others either by preaching or by leading Bible studies The commentary will also deepen your understanding of the Gospel in your

own life and worship Throughout his commentary Carson does the following makes clear the flow of the text focusing on the movement of thought rather than on word studies and Greek syntax engages a small but representative part of the massive secondary literature on John providing a kind of map of contemporary studies on this Gospel draws a few lines toward establishing how John's Gospel contributes to biblical and systematic theology offers a consistent exposition of John as an evangelistic Gospel Preceded by a comprehensive introduction treating such matters as the authenticity authorship purpose and structure of the Gospel this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected *The Gospel According to S. Luke in Greek** Arthur Wright, 1900 *The Gospel According To Matthew* Leon Morris, 2020-05-21 In the Christian Church the Gospel of Matthew has been considered the most important portrait of Jesus life and message Containing Jesus Sermon on the Mount and a uniquely rich collection of parables among many other things Matthew has made a major contribution to the church throughout the centuries and it still has much to say to the church today This superb commentary in the Pillar series explores the meaning and relevance of Matthew in an eminently

straightforward fashion Leon Morris writes for readers who use commentaries to discover further what the Bible means. Throughout he makes clear what he considers to be the meaning of the Greek text that Matthew has bequeathed to the church. A perceptive introduction precedes Morris's warmhearted verse by verse exposition of Matthew, an exposition based on his own literal translation of the text. Now a standard reference work on the Gospel of Matthew, this mature evangelically oriented commentary will continue to meet the needs of students, pastor, and general readers alike. *The Gospel According to St. Mark*, 1907
