## **The Gospel Of Islam:**

**The Gospel for Muslims** Thabiti Anyabwile, 2018-01-02 How to meet a critical need sharing the gospel with Muslims There are over three million Muslims living in the United States today Soon if not already you will have Muslim neighbors and coworkers Does the thought of reaching out to them with the gospel make you nervous How can you effectively communicate the good news with such large theological differences The Gospel for Muslims can help make sharing your faith easier than you think Thabiti Anyabwile who is himself a convert from Islam to Christianity instructs you in ways to discuss the good news of Christ with your neighbors and friends The Gospel for Muslims allows you to focus on the people rather than the religious system Meant for the average Christian it is not an exhaustive apologetic or comparative study of Christianity and Islam Rather it compellingly stirs confidence in the gospel equipping you with the basics necessary to communicate clearly boldly and winsomely **THE GOSPEL OF ISLAM.** Duncan Greenlees, 1973 *Muslims and the Gospel* Roland E. Miller, 2005 The author's five decades of personal experience leads him to conclude that it is possible to be a witness to the Gospel and be a friend to Muslims at the same time The author outlines key factors in the Muslim understanding of the Gospel examines some bridges and defines the art of sharing He concludes by assessing the possibilities of such a mission **The Gospels in Islamic Context** Georgina L. Jardim, Ida Glaser, Shirin Shafaie, 2025-08-25 Bringing together scholars from across the world this publication shows Christians and Muslims individually or together reading the canonical Gospels of the New Testament in conversation with Islamic texts and contexts In the discovery of meaning between text context and praxis this volume asks what are the texts doing in contexts as far flung as Indonesia the Hijaz of early Islam in Persian poetry of medieval times or modern Sunni interpretation in north America This second edited volume in the series *Reading the Bible in Islamic Context* continues the pioneering venture in contextual and intertextual reading It shows the richness of cooperative scholarship that results from reading the New Testament in Islamic context and exploring how the Gospel is understood in various religious traditions The Gospels in Islamic Context will be of interest to scholars students and practitioners encouraging them to explore new methods for taking into account intertextual factors as well as the history of Muslim Christian relations that arises from them It is a venture in which Muslims and Christians travel side by side and in conversation with each other although with significantly different perspectives and often different agendas *Unveiling the True Identity of Jesus Christ* The Sincere Seeker Collection, 2022-02-23 While Islamic theology differs from Christianity's Muslims and Christians hold Jesus Christ in high esteem He is a central figure in both religions loved admired respected and revered Both Muslims and Christians believe in Jesus' virgin birth ability to perform miracles and return at the end of time However both religions differ in Christ's nature and life occurrences While Christians accept Jesus Christ as the divine Son of God Muslims take him as a human and one of God's mighty noble Messengers sent to relay God's Message to his people just as many past Prophets did This book encourages Christians and non Muslims alike to cross examine what the Bible and Jesus

Christ state about God His message to humanity the nature of Jesus Christ and related concepts If done sincerely one should conclude that neither Jesus Christ nor the Bible teaches what the Church teaches today One concludes that Jesus Christ and the Bible never mention Jesus Christ as the Son of God part of the Trinity nor did they teach the concepts of crucifixion redemption or permission to abandon the law of the Prophet Moses PBUH Many well intentioned Christians follow modern Christianity a corrupted version of the teachings of Jesus Christ those he never preached nor taught This book provides irrefutable proof from the Bible and common logic that Allah is our Creator and Jesus Christ was a Muslim and human Prophet sent to the nation before us the Children of Israel It provides irrefutable evidence from the Bible that the Revelation of Jesus Christ was tampered with by humans after his departure and that the Bible we read today is not the inspired Word of God One must use their God given gift of intellect and logic to investigate ponder and reflect without allowing their emotions and cultural biases to cloud their judgment blindly following their Church To my dear Christian you must research and know the reality of Jesus Christ and his message so you may be guided to God enter Paradise eternally and avoid the ultimate punishment Topics in the book include Understanding the Concept of God Sending Messengers to Relay His Message Basic Understanding of the Similarities and Differences Between Islam Christianity Judaism Who is Allah Whom Are Jesus Christ and Mary PBUT Whom Was Jesus Christ Sent to Address What Was His Mission Did He Come with a New Law as Christians Claim Is Jesus God Son of God or Prophet of God What does the Bible Say Trinity Crucial Differences Between God Jesus Christ Who is the Author of the Bible Does the Bible Contain Errors Contradictions Pornography Incest Immorality in the Bible Is Jesus Christ God Because He was Born With no Father Christians Claim Jesus Christ is Divine and his Ability to Perform Miracles is Proof The Bible Labels Jesus Christ as The Son of God Son of Man Lord His Servant The Father and I are one For There are Three That Bear Record in Heaven The Word Begotten in the Bible I am the way and the truth and the life The Role of Paul in Christianity and How He Destroyed the Teachings of Jesus Christ Paganism on Christianity Atonement Was Jesus Christ Crucified Proofs that Islam is the Only True Religion of God Scientific Mathematical Miracles Quality Eloquence Prophecies Predictions Knowledge of Past Events of the Holy Quran The Prophet Muhammad PBUH in a Nutshell Prophesied in The Bible Other Scriptures Muslims are the True Followers of Jesus Christ Tawheed Was Our Father Prophet Abraham PBUH a Jew Christian or Muslim The Second Coming of Jesus Christ Toward the End of Times     *The Qur'An by the Light of the Gospel* Patrick John,2018-02-23 If a Muslim came to a Christian and asked him to explain his belief in Jesus Christ how would a Christian respond If an Imam asked a Christian Pastor to bring evidence of the Gospels authority would a Pastor welcome the opportunity And if any Muslim would ask a Christian to judge between their respective beliefs would a Christian know how to do it These questions presupposed an occurrence that most Christians will never encounter because most Muslims do not ask Yet the Quran has been asking these exact same questions of us for the last thirteen hundred years Should we ignore the Quran for another Millennia It is time to answer On a visit to my local mosque I asked the Imam if I

could pray with him Before I started to pray the Imam quickly interjected You are not going to pray to Mary are you That there are those who pray to Mary and worship her is maybe understandable but it is not Biblical Christians are told in the Quran to desist using the term Trinity But the word Trinity is not found in the Bible I believe as Abraham believed that there is a God that can be seen and a God that we do not see BUT they are one and the same Allah is not a name but the Arabic word for God even Christians in the Middle East use the word Al Maidah 47 Let the People of the Gospel judge by what Allah has revealed in it Isaiah 43 10 You are my witness declares the LORD and my servant whom I have chosen that you may know and believe me and understand that I am he Here we hopefully put right many misconceptions and bring what God has revealed

**ISLAM AND MUSLIMS** GODSWORD GODSWILL ONU,2015-03-27 Islam is the religion of the Muslims which was started by Mohammad and whose religious book is the Koran A Muslim is someone whose religion is Islam The Jews who persecuted and killed Jesus Christ did not know that satan had deceived them but they thought that they were working and fighting for God This is the same thing that is happening with the Muslims now The Muslims do not know that satan has deceived them but they believe that they are on the right course and they are ready to fight for God in deception Islam is a religion which openly challenges Christianity But let us love them enough to go and preach the Gospel of Jesus Christ which will save their souls from Eternal Condemnation in the Lake of Fire and Brimstone to them We must not hate them no matter what they do Remember that the Bible tells us to love our enemies

**The Gospels in Islamic Context** Georgina L. Jardim,Ida Glaser,Shirin Shafaie,2025-09-30 Bringing together scholars from across the world this publication shows Christians and Muslims individually or together reading the canonical Gospels of the New Testament in conversation with Islamic texts and contexts In the discovery of meaning between text context and praxis this volume asks what are the texts doing in contexts as far flung as Indonesia the Hijaz of early Islam in Persian poetry of medieval times or modern Sunni interpretation in north America This second edited volume in the series Reading the Bible in Islamic Context continues the pioneering venture in contextual and intertextual reading It shows the richness of cooperative scholarship that results from reading the New Testament in Islamic context and exploring how the Gospel is understood in various religious traditions The Gospels in Islamic Context will be of interest to scholars students and practitioners encouraging them to explore new methods for taking into account intertextual factors as well as the history of Muslim Christian relations that arises from them It is a venture in which Muslims and Christians travel side by side and in conversation with each other although with significantly different perspectives and often different agendas

The Gospel for Islam Roy Oksnevad, Dotsey Welliver, 2001  
On the Relation of Islam to the Gospel Johann Adam Möhler, 1847  
The Qur'an and the Christian Matthew Aaron Bennett, 2022-04-26 Understanding Islam's sacred text is integral to understanding your Muslim neighbor Cross cultural missionary and scholar Matthew Aaron Bennett blends the insights of Islamic believers secular Qur'an scholars and missionaries to Muslims making The Qur'an and the Christian like no other resource for Christian ministry to Muslims

Combining these perspectives in one guide better equips Christians to communicate the biblical gospel to friends and neighbors who are adherents to Islam both in and out of majority Muslim cultures. The Qur'an and the Christian addresses issues both simple and profound such as 1 How the Qur'an came to be including Muhammed and the Qur'an's textual precursors 2 The major themes of the Qur'an and how these shape the practice of Islam 3 The presence of Bible characters Jews and Christians in the Qur'anic text 4 Whether and how a Christian should read the Qur'an 5 Avoiding miscommunication with Muslims when the Qur'an and Christian teaching seem to overlap. This book will help Christians learn how to explore Islamic faith with missiological wisdom and biblical precision. The Qur'an and the Christian will give believers the insight to deepen friendships, promote understanding, and clarify the biblical gospel among Muslim friends and neighbors.

**The Quran in Dialogue with the Gospel** Abjar Bahkou, 2021. Dr. Bahkou wrote this book to help Christians better understand Muslims and thus reach out to them in more effective ways. The book examines the Christian-Muslim encounter as a journey at three distinct and interrelated levels: first, we meet as human beings; second, as monotheistic believers; and third, as witnessing believers. Dr. Bahkou follows in Jesus' steps as He spoke with the Samaritan woman at the well and the two disciples walking to Emmaus. He also discusses lessons learned by Christian leaders in the Eastern Church when their lands came under Muslim rule. The book will include both a Leader Guide and a Study Guide for small groups.

*Islam Within Judaism and Christianity, a Voice from the Past* Ahmed Shendy Yousef, 2014-01-27. Islam within Judaism and Christianity is a truth that is clear and bright in the midst of a dark world that has lost its way through understanding that are guided by Satan. This book will remove the veil off of God's concealed messages and it will impact the twisted long life of preaching that was used for indecent political power and financial gains, causing billions of innocent lives lost throughout history. Through Islam within Judaism and Christianity, I would like to introduce you to the messages of God from the holy Bible and The Quran so that you can discover that we are all followers of Moses, Jesus, and Mohammed. We are one nation that belongs to the same one God, so we may consider changing our attention from striking one another to striking our one enemy, Satan. This is a book that assists you in better understanding one another in pursuit of making our world a better place and doing it together. Ahmed S. Yousef, PT, Ph.D.

**Clues to Africa, Islam, and the Gospel** Colin Bearup, 2020-01-01. Observe, Connect, and Thrive in Africa. Everyone loves simple answers, but making disciples in Africa requires more than a formula. New workers in particular need to know about African Muslim culture to successfully introduce people to Christ. This book prepares the Christian worker to use good reflection, questions, and observation as tools to engage fruitfully with African Muslims. These simple practices empower workers to operate from a more informed perspective. Drawing on decades of engagement in Africa, Colin Bearup has compiled a thoughtful collection of questions, insights, and narratives to guide the reader into a deeper appreciation of the nuances of African Islamic worldviews. A winsome and practical book of hard-won wisdom. *Clues to Africa, Islam, and the Gospel* is destined to become a go-to resource for those working on the continent. The

next generation of gospel workers in Africa no longer needs to suffer through years and sometimes decades of ineffectiveness Stand on the shoulders of those who have gone before and incorporate these tactics and strategies to build toward a successful ministry *The Gospel of Islam* Duncan Greenlees,1996 *The Gospel According to Islam* Ahmad Shafaat,1979

**The Mission and Death of Jesus in Islam and Christianity** A. H. Mathias Zahniser,2017-09-15 The common wisdom is that Christians and Muslims should dialogue only about what they agree on This book takes a different approach As the author observes If we focus only on our common ground we will miss some of the motivating force of our traditions because that force derives not only from what we hold in common but also from those convictions that keep us apart **The Truth About Islam and Jesus** John Ankerberg,Emir Caner,2009-08-01 Christians are often surprised when they hear Muslims say We believe in Jesus too and we hold Him in great esteem But what do they really mean Are the Muslim Jesus and the Christian Jesus the same person Immersed in the Islamic worldview as the son of a devout muezzin mosque leader Emir Caner helps readers untangle two very different belief systems He and John Ankerberg take on the tough questions What role does Jesus have in Islam What does the Qu ran say about Him What does it not say Why are Muslims repulsed by the idea that Jesus is the Son of God fully God and fully man What do Muslims have in mind when they acknowledge Jesus as virgin born How can Christians discuss these belief differences without insulting Muslim friends and acquaintances A concise authoritative guide for informed Muslim Christian interaction **Which None Can Shut** Reema Goode,2010-09-01 Imagine a place where becoming a Christian is a punishable crime and your own family exacts the punishment Where those who spread the gospel among locals are deported if discovered Where converts to Christianity face persecution isolation or even death as the price for their faith Reema Goode and her family are Christians working in a closed Middle Eastern country where all of these things are true Yet they are also firsthand witnesses of a whole new trend that is taking shape in missions to Muslims Despite all obstacles God is opening miraculous doors in the Islamic world where an unprecedented number of Muslims are becoming followers of Jesus In this powerful collection of personal stories Reema takes us deep inside her Arab neighborhood to show how God is opening doors in just one of many Islamic communities As she walks us through everyday life in a Muslim town she reveals the diverse creative unexpected and thrilling ways God is reaching her neighbors with the Gospel of Jesus Christ See I have set before you an open door and no one can shut it Revelation 3 8 **Jesus and Muhammad** Daniel Hummel,2017-07-01 Jesus and Muhammad lived in different times and in different contexts An absolute comparison of the careers of these two men is not a satisfactory method in understanding the similarities and differences between their teachings This book approaches this topic from a different perspective The time that Muhammad preached in Mecca is compared to the time Jesus spent preaching throughout Palestine This improves the similarities in contexts between them and makes a comparison more valid The number of similarities outweighs the number of differences when looking at the four books of the Gospel and the chapters of the Qur an revealed in Mecca On issues related to prayer the Oneness of

God charity the Hereafter and forgiveness the teachings in these two books are practically the same A number of core theological issues surfaced in the Book of John do clash with Qur'anic teachings about the person of Jesus These differences and the possible reasons for them are explored in this book The conclusion of this book is that Muslims and Christians have more shared values and even theological similarities than differences It is recommended that Muslims and Christians should spend more time understanding these commonalities
