The Gospel Of Mark A New Translation For Children:

The Gospel of Mark, 1984 An illustrated retelling of the Gospel as recorded by the Apostle Mark

The Mystery of the Child Martin E. Marty, 2007-04-23 Much of today's writing on children treats the child of any age as a problem or a set of problems to be solved effectively reducing the child to a complex of biological and chemical factors explainable in scientific terms or regarding children as objects of adult control In contrast Martin Marty here presents the child as a mystery who invokes wonder and elicits creative responses that affect the care provided him or her Drawing on literature as new as contemporary poetry and as old as the Bible *The Mystery of the Child* encourages the thoughtful enjoyment of children instead of the imposition of adult will and control Indeed Marty treats the impulse to control as a problem and highlights qualities associated with children responsiveness receptivity openness to wonder that can become sources of renewal for adults *The Mystery of the Child* represents a new tack for Martin Marty universally respected as a historian theologian and interpreter of religion and culture but displays the same incisive erudite quality marking the fifty plus books and thousands of articles that he has previously written Marty's broad thoughtful perspective will inspire readers to think afresh about what it means to be a child and to be a caregiver This book is sure to claim a wide readership parents grandparents schoolteachers theologians historians engaging anyone wanting to explore more fully the profound realm of the child

Children and Methods Kristine Henriksen Garroway, John W. Martens, 2020-01-29 In *Children and Methods* Listening To and Learning From Children in the Biblical World Kristine Henriksen Garroway and John W Martens bring together an interdisciplinary collection of essays addressing children in the Hebrew Bible New Testament and broader ancient world While the study of children has been on the rise in a number of fields the methodologies by which we listen to and learn from children in ancient Judaism and Christianity have not been critically examined This collection of essays proposes that while the various lenses of established methods of higher criticism offer insight into the lives of children by filtering these methods through the new field of Childist Criticism children can be heard and seen in a new light

Children in Early Christian Narratives Sharon Betsworth, 2015-04-23 Sharon Betsworth examines the narratives parables and teachings of and about children in the gospels and the literature of Early Christianity Betsworth begins with a discussion of the social historical context of children and childhood in the first century before discussing the role of children in all four gospels She shows that for Mark and Matthew children are integral to understanding each evangelist's perspective on the reign of God and on Jesus' identity in each Gospel In the Gospel of Luke the childhood of Jesus is shown to be crucial to the broader themes of the Gospel In the Gospel of John Betsworth examines the metaphorical use of the word children looking at children of light and of darkness She then explores

stories of Jesus childhood in the non canonical Infancy Gospels of James and Thomas as well as the childhood of his mother Mary in the latter shedding light upon views of children discipleship and the person of Jesus in early christianity and in the ancient world more generally

An Introduction to Child Theology James M. Houston, 2022-02-17 These essays in this book are pastoral and scholarly to encourage parents to nurture and foster Christian family life by learning from scripture and history The Bible in both testaments offers us stories that provide moral and spiritual substance to the nurture of the child and the family Beginning with the mythopoetic story of Adam and Eve and the fratricide of Abel by the envy of Cain the stories of the sacrifices parents made then moving on to the stories of Abraham and Isaac Ruth and her mother in law Hannah and her son Samuel Jeremiah the child prophet these stories form our moral imaginations Further for Christians they all augur the promise of the Incarnation with the birth of Jesus to Mary and Joseph Then through the history of the Church the role of the Child is further unfolded It begins with Jesus teaching that to be as one of his disciples is to be a child This is so radical that the subsequent churches have found it hard to follow Perhaps one symbolic attempt was that of the monks cowl which is a child s garment and still worn in their monasteries The book even explores the way that Christian maturity is one of childlikeness

Adults as Children James M. Francis, 2006 This book is a study of the image of the child in the teaching of Jesus and the literature of the New Testament set against the background of the ancient world the Old Testament and Judaism It also reflects on the complex relationship between attitudes to children and the imaging of the child It is suggested that child imagery serves generally speaking as a window on tradition and in religious discourse in particular it offers perspectives on the relationship between believing and belonging In exploring how child imagery informs the teaching of Jesus it is argued that his own use of such imagery whilst not unique being influenced primarily by the wider imagery of Israel as God s son child and servant is nevertheless distinctive As a metaphor symbolising primarily a call to change and renewal it conveys in microcosm the central themes of his message of the kingdom of God The study goes on to explore the meanings of child imagery in the theologies of the Gospel writers and in other New Testament literary contexts
