**The Gospel of Paul the Gospel of Jesus** James Jeffrey, 1899      **The Gospel of Paul** James Jeffrey, 2015-06-02 Excerpt from *The Gospel of Paul The Gospel of Jesus* The object of this little work is to present in a popular form the teaching of the Apostle Paul with regard to the Life and Work of Jesus Christ what he calls his gospel and to show how it harmonises with the teaching of Christ and His Apostles While the cry of our day Back to Christ has led to a more profound study of the words of Christ it has to some extent tended to depreciate the teaching of Paul It is true the Saviour does not dwell at length on His atoning death but we can understand His silence when we remember the unwillingness of His hearers to listen to anything He had to say about His death It must also be borne in mind that Paul claimed to have received his gospel from Christ Himself What I have tried to do is to trace the gospel as presented by Paul in his Epistles I have added three papers on the Epistle to the Hebrews and the General Epistles of Peter and John to exhibit the agreement between the teaching of the great Apostle and those who were the immediate disciples of the Saviour or who represented the current teaching about the person and work of Christ The Rev P Rutherford and Rev William Young M A of Glasgow have assisted me with the proof sheets and to them my grateful thanks are due About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *Jesus, Paul, and the Gospels* James D.G. Dunn, 2011-05-03 This compact theological primer from a widely respected scholar offers a well integrated and illuminating approach to a variety of basic issues in the study of the New Testament Provided by publisher      **A New Perspective on the Use of Paul in the Gospel of Mark** Cameron Evan Ferguson, 2021-03-01 This volume presents a detailed case for the plausible literary dependence of the Gospel of Mark on select letters of the apostle Paul The book argues that Mark and Paul share a gospel narrative that tells the story of the life death resurrection and second coming of Jesus Christ in accordance with the scriptures and it suggests that Mark presumed Paul and his mission to be constitutive episodes of that story It contends that Mark self consciously sought to anticipate the person teachings and mission of Paul by constructing narrative precursors concordant with the eventual teachings of the itinerant apostle a process Ferguson labels Mark s etiological hermeneutic The book focuses in particular on the various re presentations of Christ s death that Paul believed occurred within his communities Christ s death performed in ritual prefigured in scripture and embodied within Paul s person and it argues that these are all seeded within and anticipated by Mark s narrative Through careful argument and detailed analysis *A New Perspective on the Use of Paul in the Gospel of Mark* makes a substantial contribution to the ongoing debate about the

dependence of Mark on Paul It is key reading for any scholar engaged in that debate and the insights it provides will be of interest to anyone studying the Synoptic Gospels or the epistles of Paul more generally **The Gospel of Paul** James Jeffrey,2017-12-22 Excerpt from The Gospel of Paul The Gospel of Jesus Have no doubt been largely determined by the writings of the Apostle Paul The statements of the Saviour regard ing His own person and work plain and pregnant as these are run into a peculiar and definite mould when passing through the mind of Paul and come forth stamped with his own individuality In more recent times some critics have endeavoured to make out that the writings of the great Apostle set forth a different gospel from that contained in the sayings of Jesus as recorded in the Synoptic Gospels We recognise the profound truth of Peter s words Lord to whom shall we go Thou hast the words of eternal life But it does not follow that the same Spirit of Truth who spake in and through Jesus Christ heb li Does not About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Gospel of Paul the Apostle** ,1892 **The Gospel According to Saint Paul** William Porcher Dubose,1907 **The Beginning of the Gospel** Joshua D. Garroway,2018-06-11 In this innovative study Joshua D Garroway offers a revised account of the origin of the all important Christian word gospel yielding significant new insights into the development of early Christian history and literature Long thought to have originated on the lips of Jesus or his disciples gospel was in fact coined by Paul midway through his career to describe his controversial new interpretation of Jesus death and resurrection For nearly a decade after the crucifixion the thoroughly Jewish Jesus movement demanded circumcision and Law observance from Gentile converts Only in the early 40s did Paul arrive at the belief that such observance was no longer necessary an insight he dubbed the gospel or good news The remainder of Paul s career featured clashes with authorities over the legitimacy of the gospel debates that continued after his death in the writings of Mark Matthew and Luke Acts These writings obscured the original context of the gospel however and in time the word lost its specific association with Paul and his scandalous notion of salvation outside the Law **The Gospel Truth: An Exploration of the Gospel of Paul** Scott Forbes,2011-10-27 What is the gospel The bible reveals that it as a dynamic message which was given to the early church by direct revelation from God a message of Godly wisdom which leads the perishing to redemption and transcends time culture and morality Paul held that it was the very power of God to those who are being saved Why then has the scriptural gospel become one of the most neglected and rejected teachings in the church today In his first book Forbes explores the Gospel that Paul preached though biblical accounts and the apostle s own writings piecing together the evidence for a gospel message that has been in

existence since the birth of the church but has fallen out of favor in the last century This book is a call to abandon a message of worldly wisdom and once again embrace the foolishness of preaching as did the early Christians You may never view the gospel in the same light again     Transformation David A. deSilva,2014-09-18 The gospel is often presented as little more than a get out of hell free pass But is that all there is to it What made it so compelling that the Apostle Paul would give up everything enduring hardships and deprivation to preach good news David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize The gift of righteousness is far richer than many of us have dared to imagine In *Transformation The Heart of Paul's Gospel* deSilva examines the gospel message as presented in Paul's letters He demonstrates that Paul had nothing less than in mind than the means to transform and renew all of creation including ourselves Prepare to let Paul's message of change and renewal transform your own thinking     **The Gospel According to Paul** Graham H. Twelftree,2019-11-20 Paul's gospel is misunderstood Paul's gospel is seen as his message perhaps an empowered message he saw it differently His gospel can be many things tradition about Jesus Jesus Christ himself the ministry of Jesus the replication of the ministry of Jesus God's salvific drama the salvation experience of people a message and something that can and should be embodied or lived And the gospel does not come to people in Paul's preaching He says it comes or takes place in both his message and the miraculous Without the involvement and acts of God in the miraculous for Paul there would have been no gospel only preaching It is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it In the gospel's coming or establishment it is clear that at heart the gospel is God's salvation the presence of God himself in Christ experienced in the symbiotic relationship between Paul's message about God's Son Jesus Christ and the activity of God in the miraculous Not surprisingly then Paul rarely talks of preaching the gospel He sees himself as gospelling     *Rereading Galatians from the Perspective of Paul's Gospel* Yung Suk Kim,2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul's autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God through faith In Paul's logic what comes first is God's promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God's gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ's faithfulness and continue to proclaim the good news of God through Jesus     *The Gospel of Paul* Charles Carroll Everett,1893     *Not Ashamed of the Gospel* Fleming Rutledge,2007-08-13 In this inspiring collection of fifty one sermons on

Romans Fleming Rutledge presents afresh the radical gospel of Paul Countering the widespread suspicion that Paul somehow complicated Jesus simple teachings Rutledge shows how Paul actually makes explicit what is implicit in the Gospel narratives and reveals the full dimensions of God s project to reclaim the cosmos and everything in it for himself With her stirring words and joyful delving into Romans passages Rutledge leads readers to refocus their eyes and ears on Paul s valuable teachings She unpacks major ideas and motifs in the epistle including the cross and resurrection of Christ as the first event of the age to come faith as the human response ignited by the fire of the Word and the Holy Spirit and God s work of salvation as all encompassing and incomparable Her Not Ashamed of the Gospel will be a help to preachers and an encouragement to listeners

reconciliation **Paul** Warren Litzman, Sr.,2012-12-01 Aside from Jesus of Nazareth there is no person in God s eternal plan who is more important to that plan than the Apostle Paul He is the man to whom Christ gave the final gospel This gospel the Gospel of Grace is based on God s plan before Creation This sets the Gospel of Grace apart from all other scriptural gospels which focus on things that happened after Creation This idea alone required someone to tell the world about the ultimate intention of God s plan for humans God required someone who would not waver be hesitant or slothful and that person was Paul It is Paul alone who gives believers the message of their only hope Simply that hope is Christ in you Col 1 27 Only Paul under direct instructions from Christ was chosen to give us the Gospel of Grace This book attempts to show Paul s invaluable mission given to him by Christ our Lord It is my prayer that the reading and study of this book will open the eyes and hearts of the multitude of born again believers who have Christ in them and do not know what it all means Warren Litzman

**Did St Paul Get Jesus Right?** David Wenham,2011-10-19 Was St Paul a distorter of Jesus original message or a faithful follower Over recent years some critics of Christianity have claimed that while Jesus was a gifted teacher and a man of unparalleled kindness St Paul was the true founder of Christianity which he based on a delusional mistake the idea that Jesus was God This theory has found its way into academia churches newspapers and most recently novels In *Did St Paul Get Jesus Right* respected New Testament scholar David Wenham looks at the historical evidence for such claims Comparing the life and message of Jesus with the writings of St Paul he offers a thoughtful exploration of their relationship concluding that far from imagining Christianity Paul was the messenger of an inherited faith *The Apostles' Gospel* Paul Pavao,2013-04-18 Could Paul s letters to Christians be the wrong way to preach the gospel to non Christians Romans Road may be an excellent way to teach the plan of salvation to Christians but is it really the Gospel the apostles preached to non Christians In *The Apostles*

Gospel Paul Pavao takes you through the apostles sermons in the book of Acts the only sermons in the Bible delivered by the apostles to the lost and reveals the most important message on the planet the Gospel of Jesus Christ Learn the simple message endorsed by the apostles for those who had not yet heard the Gospel Discover the heartbreaking statistics that result from preaching truths reserved for Christians as a Gospel for non Christians Experience the power yourself when you proclaim what the apostles proclaimed The Apostles Gospel is easy to follow and simple to understand As one reviewer wrote One simply cannot argue with the theme No tricks no fancy interpretations and no Greek exegesis needed It really is as simple as letting the apostles say what the apostles said *The Gospel of Paul the Gospel of Jesus* James Jeffrey (of Pollokshields.),1899 **The Gospel That Paul Preached** Paul Edwards,2016-08-09 What is the standard that God requires in order to be acceptable to Him The answer is the gospel the New Covenant of God s unmerited favor Through the Lord Jesus finished work at Calvary believers have been restored to a place of favor with God No longer servants but sons and daughters of King Jesus For many believers the New Covenant really is something new The great tragedy is that most people know exactly what the Ten Commandments are Failure to divide the Old Covenant from the New creates a crippling concoction of confusion and condemnation The revelation of grace that is found in the Lord Jesus and His finished work at the cross liberates believers from the tyranny of the law and its impossible demand for righteousness In this book you will discover who righteousness is and who believers have become by believing the good news Learn to interpret scripture in the light of the New Covenant Understand the purpose of the Law and its place in the believer s life when scripture is understood in context And most of all have your eyes opened to the Lord Jesus the lover of your soul and mediator of the New Covenant
