Grace Discipleship Course Lee C. Turner,1995-02-01 **The Grace Course** Rich Miller,Steve Goss,Jude Graham,2013-04-03 Many Christians have a good understanding that salvation is by grace through faith and that there is nothing they can do to earn their salvation However many have fallen into the trap that once saved they must try to maintain God s acceptance by working hard and doing the right things They focus so much on how well they are behaving as children of God that they miss experiencing life in the reality of God s grace In the end they become stressed out burned out or fed up with trying to act like they think Christians should act but never quite managing it Tragically they usually come to believe that they will never be good enough This course is designed to help Christians understand what it means to be God s child to help them receive the assurance of what makes them acceptable to God to point out the things that don t affect their acceptance and to encourage them to deal with any hindrances that may be stopping them from walking in the fullness of God s grace every day The intention is that they will then be free to glorify God in their behavior not because they feel they have to but because they want to A natural follow up to the Alpha or Freedom in Christ Course sold by Gospel Light in North America as the Beta course The Grace Course has been developed by Freedom in Christ Ministries The Leader s Guide provides all the material necessary to lead the course and includes a CD with PowerPoint presentations developed to make the lessons quick and easy for the leader Participants are not required to prepare before the sessions but a Participant s Guide that emphasizes the take away of each lesson is also available The DVD is hosted by Steve Goss and Rich Miller and shows them teaching the entire course supplemented by interviews of the leaders Materials to promote the Grace Course are available at www.ficm.org **Growing in Grace** Ferdie Warwick,1994 **The Grace Course Participant's Guide** Steve Goss,Rich Miller,Jude Graham,2023-02-28 The Grace Course is a straight forward effective way for churches to help Christians understand God s grace and be motivated by God s love alone so that they go on to bear much fruit It provides powerful practical ways to submit to God identify faulty thinking and renew the mind Live a fruitful Christian life simply by being the person God made you to be Don t perform any longer for God or other people but learn to serve out of love Hold your head up high no matter what s in your past Get rid of condemning thoughts and that low grade fever of guilt Stop returning to the same old sins again and again Fear nothing and no one except God Himself Learn to serve out of genuine rest Work together with others to reach the world for Christ The Grace Course is brought to you by Freedom in Christ Ministries creators of the bestselling Freedom In Christ Discipleship Course With 6 sessions plus a practical life transforming ministry tool The Steps to Experiencing God s Grace it is ideal for both small groups and Sunday teaching It works well as a 40 day church wide campaign or a 6 week course during Lent Either present it yourself using the PowerPoint presentations included with The Grace Course Leader s Guide or alternatively use The Grace Course videos available from Freedom In Christ Ministries video streaming service FreedomStream The Grace Course Participant s Guide is designed to accompany

Here s Hoping The title is tongue in cheek By saying here s hoping we usually fake hope because in reality we are not that hopeful It is spoken without much confidence or hope at all and betrays uncertainty We say it as we cast our wants and wishes without much conviction into the winds of fortune and the whims of the future but without any sense of a guarantee for the desired result Here s hoping speaks of longing that is not firing on all cylinders of a dream or desire that is likely to stay that way unrealized and unrequited When we say it we do not think cross my heart and hope to die That kind of vigorous assurance and commitment is not usually prompting the phrase It is less about crossing the heart and more about crossing the fingers It is less about surety and more about good luck To say here s hoping is to prepare oneself for potential disappointment Ironically it is more an expression of hopelessness than hope This book gives the reasons we can say Here s hoping with assured anticipation and confidence *Freedom in Christ Course Leader's Guide* Neil T Anderson,Steve Goss,2017-09-22

followers of Jesus it is Peter Morden's conviction that we need the entire Bible if we are going to be whole life disciples. He reflects on Scripture and asks, "How do we live as committed disciples of Jesus today?" He explores the foundations, resources, and practice of discipleship in a range of Old and New Testament texts. The result is a well-rounded and satisfying picture of Christian discipleship, one that is wonderfully attractive as well as deeply challenging.
