

THE GRAIL

*"The grey haired man raised the spear high above his head.
"The Spear of Longinus" he proclaimed, "the spear that killed the Nazarene.
He who holds the Spear holds the destiny of the world in his hands."*

For nearly 2000 years a host of individuals and religious orders have undertaken the search for the Grail, the cup used by Jesus at the Last Supper. Hitler ordered his Nazi Grail Hunters to search for it - in vain. He captured the Spear of Longinus - the Centurion who pierced the side of Jesus with it at the Crucifixion - he wanted the Grail.

This challenging and exciting story brings the powerful symbolism of the Grail to bear on contemporary society and culminates in a brilliant magical ceremony which has quite unforeseen results!

Set in North Devon in the 1940's, four teenagers and the descendant of the Fisher-King, are caught up in a conspiracy which will test them to their limits and which will have consequences for the future of the planet

The Prophecies of Merlin John Matthews, Maarten Haverkamp,2025-07-22 Includes the story of Merlin's birth as the son of a demon how he was born already able to speak how his magic ensured he was not killed by his babysitter and details of his affair with the Lady of the Lake Shares stories of Percival's first contact with the Grail and King Arthur's connection with the legendary mystical king Prester John Includes early Welsh prophecies attributed to Merlin prophecies compiled by historian Geoffrey of Monmouth and the letter of Prester John that inspired Columbus Maarten Haverkamp acquired a French book from 1498

titled *The Prophecies of Merlin* that claimed to be prophecies given by the legendary magician. The book was really a compilation of documents collected by an unknown 13th century monk. Working with John Matthews Maarten spent five years translating the mysteries hidden in this obscure book. Presenting their translation and commentary, the authors share forgotten stories of early Arthurian literature and magic. They share the tale of Merlin's birth from a demon, how he was born able to speak and how his magic ensured he was not killed by his guardian. Merlin's affair with the Lady of the Lake is detailed, ending with his imprisonment in a tomb. Other stories include Percival's first contact with the Grail and King Arthur's connection with the mystical king Prester John. The authors show how *The Prophecies of Merlin* sheds new light on the world of King Arthur and the women who learned magic from Merlin. To reveal the esoteric meaning of this work, the authors include Welsh prophecies attributed to Merlin translated by John and Caitlín Matthews, other prophecies attributed to Merlin that were compiled by Geoffrey of Monmouth, and the original letter of Prester John that inspired the Polo family and Columbus to search for India. Discovering a hitherto lost or forgotten book about Merlin and King Arthur is a rare event these days. Yet here the authors present a virtually forgotten and to date untranslated book which includes much that is new and exciting about the legendary king and his magical adviser. Through their translation and insightful passage by passage commentary, they reveal secrets long hidden behind the obscure language of the prophetic utterances. **The Cathar**

Prophecy, **The Deities Prophecy** Ron Snider, 2020-12-28 *The Deities Prophecy* Two deities, one the rightful creator of the world known as the Land, the other who believes the Land should have always been his. Then an ancient book of prophecy comes to light which could tip the scales in the other's favor, leading to the decreation of the world and its people to a new creation brought about by the other deity. With time working against them to determine which deity will gain control, the prophecy will lead our heroes, consisting of two wizards, Alistair and Marcus, along with a full ship crew across the Great Sea to a remote island where the prophecy will be settled. However, first they must work their way through nightmarish creatures and an insane warlock that is determined to let time run out. **Dark Prophecy** Gherbod Fleming, 2025-04-10 When the hunter becomes the hunted, the crazed Camarilla prince of Atlanta will stop at nothing to kill Owain Evans. Carlos, bishop of the Sabbat, also thirsts for vengeance. The Giovanni might come to Owain's aid unless they can benefit from betraying him. Who can he trust in the diabolic world of the Kindred, those vampires who stalk the night unseen by mortal eyes? The answer is simple: no one. Not even himself.

Wagner's Parsifal William Kinderman, 2013-07-02 William Kinderman's detailed study of Parsifal described by the composer as his last card explores the evolution of the text and music of this inexhaustible yet highly controversial music drama across Wagner's entire career and offers a reassessment of the ideological and political history of Parsifal shedding new light on the connection of Wagner's legacy to the rise of National Socialism in Germany The compositional genesis is traced through many unfamiliar manuscript sources revealing unsuspected models and veiled connections to Wagner's earlier works Fresh analytic perspectives are revealed casting the dramatic meaning of Parsifal in a new light Much debated aspects of the work such as Kundry's death at the conclusion are discussed in the context of its stage history Path breaking as well is Kinderman's analysis of the religious and ideological context of Parsifal During the half century after the composer's death the Wagner family and the so called Bayreuth circle sought to exploit Wagner's work for political purposes thereby promoting racial nationalism and anti-Semitism Hitherto unnoticed connections between Hitler and Wagner's legacy at Bayreuth are explored here while differences between the composer's politics as an 1849 revolutionary and the later response of his family to National Socialism are weighed in a nuanced account Kinderman combines new historical research sensitive aesthetic criticism and probing philosophical reflection in this most intensive examination of Wagner's culminating music drama

Lot,2015-06-16 Much of the legendary material concerning King Arthur and Joseph of Arimathea's association with Glastonbury is derived from the interpolations into William of Malmesbury's investigation into the Antiquity of Glastonbury *De Antiquitate Glastonie Ecclesie*. However it is William of Malmesbury's mention of the Island of Ineswitrin donated to Glastonbury in 601AD by a king of Devon and this same island's association to the Isle of Ictis discovered by Pytheas from which tin was sold to the Phoenicians which links the island to Burgh Island in Devon. Melkin's prophecy indicates that Joseph of Arimathea is buried on Avalon. It is the geometric decryption of Melkin's prophecy which shows us that Joseph of Arimathea known as a tin merchant in Cornish legend is still buried on Burgh Island along with the enigmatic duo *fassula*.

The Island of Avalon: Volume 1 Francis Lot,2015-06-12 *La matiere de Bretagne* is a name given collectively to the body of medieval literature and legendary material associated with Great Britain especially King Arthur and his knights and their association to the Grail. It is the link between the Grail stories and the legends of both King Arthur and Joseph of Arimathea and their connection to Glastonbury the Island of Avalon which is central to this investigation. The legend of King Arthur at Glastonbury is primarily derived from Geoffrey of Monmouth's mention of King Arthur's arrival at the Island of Avalon after his fatal fight with Mordred. It is the later bogus disinterment of King Arthur's manufactured grave at Glastonbury which establishes Glastonbury's synonymy with Avalon. This volume sets out to show how the abbot of Glastonbury Henry Blois used Geoffrey of Monmouth as a *nom de plume* and concocted the epic tale from Brutus to Arthur which is now known as the *History of the Kings of Britain* and was responsible for composing the *Prophecies of Merlin*.
