The Grand Old Duke Of York:

The Grand Old Duke of York Bernard Lodge,1993 The grand old Duke of York marches his men up and down and all around In new verses added to the original nursery rhyme he gradually loses all his men and then finds them again The Grand Old Duke of York Derek Winterbottom,2016-07-31 A modern look at HRH the Duke of York a nice addition to Napoleonic Era history from the historian and author of The Mighty Montagus The Napoleon Series Reviews Oh the grand old Duke of York He had ten thousand men He marched them up to the top of the hill And he marched them down again And when they were up they were up And when they were down they were down And when they were only half way up They were neither up nor down Prince Frederick Duke of York and Albany is famous because of the nursery rhyme which ridicules him for poor leadership but as Derek Winterbottom s biography shows he was far from incompetent as a commander What is more the famous rhyme does not even hint at his achievements as commander in chief of the British army during the Napoleonic Wars His career as a commander and administrator and his scandalous private life are long overdue for reassessment and that is what this perceptive and absorbing study provides He transformed the British military machine and the Duke of Wellington admitted that without York s reforms he would not have had the army that fought so well in the Peninsular War and at Waterloo York also led a turbulent personal life which was engulfed by scandal when his mistress was accused of using her influence over him to obtain promotion for ambitious officers Today the Duke of York is a neglected often derided figure This biography should go some way towards restoring his reputation as a commander and military reformer This is an excellent readable biography of a major but somewhat neglected historical figure History of War
