The Grasinski Girls The Choices They Had And The Choices They Made:

The Grasinski Girls Mary Patrice Erdmans, 2004 Annotation Using the oral histories of her mother and aunts Erdmans explores the private lives of these working class women in the post World War II generation and shows how gender class ethnicity and religion shaped their choices Oral History Marta Kurkowska-Budzan, Krzysztof Zamorski, 2009-04-22 Oral History The Challenges of Dialogue shows contemporary oral history at work in a variety of contexts levels and engagements The issues developed in the book correspond to different stages of research preparing and conducting the interview evaluating and analyzing the collected material publishing in the broad sense of speaking to different audiences and finally addressing the dilemmas and philosophical reflections with an emphasis on ethics This book aims to address oral history from two perspectives The first is the perspective of oral history as dialoguing the second is the presentation of concrete situations research persons and their own stories as built on the solid ground of discourse and within a concrete context The chapters embody the experiences of the authors their efforts and successes as well as their failures in dialoguing with narrators Unveiled in this book is the extensive breadth of contemporary oral history work bridging epistemological and methodological horizons **The Polish American Encyclopedia** James S. Pula, 2010-12-22 At least nine million Americans trace their roots to Poland and Polish Americans have contributed greatly to American history and society During the largest period of immigration to the United States between 1870 and 1920 more Poles came to the United States than any other national group except Italians Additional large scale Polish migration occurred in the wake of World War II and during the period of Solidarity's rise to prominence This encyclopedia features three types of entries thematic essays topical entries and biographical profiles The essays synthesize existing work to provide interpretations of and insight into important aspects of the Polish American experience The topical entries discuss in detail specific places events or organizations such as the Polish National Alliance Polish American Saturday Schools and the Latimer Massacre among others The biographical entries identify Polish Americans who have made significant contributions at the regional or national level either to the history and culture of the United States or to the development of American Polonia *Double Standard* James W. Russell, 2017-12-08 In *Double Standard* James W. Russell shows how and why different models of social and welfare policy developed in the United States and Europe The fourth edition has been revised and updated throughout to reflect recent political developments that are having significant policy consequences including the Brexit vote in the UK and the election of Donald Trump in the U S The fourth edition also features additional material on Karl Polanyi European party politics disability policy and more Part One The Development of Social Policy discusses the factors that contributed to the different shapes of social policy in the U S and Europe Part Two Key Social Policies considers how different countries have handled common social problems including poverty unemployment child and family support retirement and disability health care race and immigration and incarceration These different social policy orientations have produced disparate social ways of life ways of life that are now in contention

On Becoming a Teen Mom Mary Patrice Erdmans, Timothy Black, 2015-02-06 In 2013 the New York City Public Health Department placed public service announcements on trains and buses and at transportation stops that showed photos of frowning or crying children saying such things as I m twice as likely not to graduate high school because you had me as a teen and Honestly Mom Chances are he won t stay with you What happens to me Campaigns like this support a public narrative that portrays teen mothers as threatening the moral order bankrupting state coffers and causing high rates of poverty incarceration and school dropout These campaigns demonize teen mothers but tell us nothing about their lives before they became pregnant In this myth shattering and often deeply disturbing book sociologists Mary Patrice Erdmans and Timothy Black tell the life stories of 108 brown white and black teen mothers They expose the problems that cause distress in these young women s lives and that are often overlooked in pregnancy prevention campaigns Some stories are tragic and painful marked by child sexual abuse partner violence and school failure Others are less devastating depicting girl next door characters whose unintended pregnancies expose their lack of contraception and unwillingness to abort Offering a fresh critical perspective on the links between early childbirth and social inequalities On Becoming a Teen Mom demonstrates how the intersecting hierarchies of gender race and social class shape the personal stories of young mothers Provided by publisher

Polish American History before 1939 Adam Walaszek, 2023-09-20 The history of private lives of the first and second generations of Polish immigrants in the United States is viewed from the perspective of migrants themselves What did the migrants do How did they behave How protagonists men women children with their own words presented their experience Their experience is compared with one of the other groups The book discusses migration processes formation of neighborhoods experiences at work daily and family lives functioning of parishes and tensions related to it and construction of people s identities and their constant reformulations Migrants created mutual aid societies which played not only economic but also ideological and political roles Experiences of immigrants children at home and at school are presented mostly in their own words and from their own perspective Cultural activities reflect constant changes of groups self identity The book also depicts the relations between the Polish migrants and members of other ethnic groups in the streets public spaces politics and within the Catholic church People lived in pluri cultural culturally diverse contexts and thus relations with the others were complex The panorama ended in the year 1939 when after the Great Depression the group entered into a new period of transformation during the war

W 2019 r. Ministerstwo Nauki i Szkolnictwa Wyższego przyznało WRHM 20 pkt.

Superconnected: The Internet, Digital Media, and Techno-Social Life Mary Chayko, 2016-02-12. What does it mean to live in a superconnected society? *Superconnected: The Internet, Digital Media, and Techno-Social Life* brings together insights about digital technology and society from the many literatures in which author Mary Chayko is immersed: sociology, communication, psychology, media, and technology studies. The result is a groundbreaking analysis of contemporary social life as it is influenced by the internet, social media, and mobile devices. Individual chapters explore topics such as how digital technology helped to shape the modern information age, information sharing and surveillance, digital socialization, and development of the self, digital inequalities, global impacts, and the impact of the internet and digital media across social institutions. The author's interdisciplinary synthesis makes *Superconnected* an essential text for courses in all departments that examine how social life is affected when information and communication technology enter the picture. Her clear, non-technical prose also makes *Superconnected* a great choice for general readers who are interested in this topic as well. Dr. Mary Chayko is a sociologist, professor of communication and information, and director of undergraduate interdisciplinary studies at Rutgers University's School of Communication and Information. For more on the author, visit her blog at <http://marychayko.com>.

Through Words and Deeds John Bukowczyk, 2021-10-12. Though often overlooked in conventional accounts, women with myriad backgrounds and countless talents have made an impact on Polish and Polish American history. John J. Bukowczyk gathers articles from the journals *Polish Review* and *Polish American Studies* to offer a fascinating cross-section of readings about the lives and experiences of these women. The first section examines queens and aristocrats during the Polish-Lithuanian Commonwealth but also looks at the life of the first Polish female doctor. In the second section, women of the diaspora take center stage in articles illuminating stories that range from immigrant workers in Europe and the United States to women's part in Poland's nationalist struggle. The final section concentrates on image, identity, and consciousness as contributors examine the stereotyping and othering of Polish women and their portrayal in ethnic and migration fiction. A valuable and enlightening resource, *Through Words and Deeds* offers an introduction to the many facets of Polish and Polish American

womanhood Contributors Laura Anker Robert Blobaum Anna Brzezi ska John J Bukowczyk Halina Filipowicz William J Galush Rita Gladsky Thaddeus V Gromada Bo ena Karwowska Gra yna Kozaczka Lynn Lubamersky Karen Majewski Nameeta Mathur Lori A Matten Jan Molenda James S Pula W adys aw Roczniak and Robert Szymczak *Memories of Belonging: Descendants of Italian Migrants to the United States, 1884-Present* Christa Wirth, 2015-02-11 *Memories of Belonging* is a three generation oral history study of the offspring of southern Italians who migrated to Worcester Massachusetts in 1913 Supplemented with the interviewees private documents and working from U S and Italian archives Christa Wirth documents a century of transatlantic migration assimilation and later generation self identification Her research reveals how memories of migration everyday life and ethnicity are passed down through the generations altered and contested while constituting family identities The fact that not all descendants of Italian migrants moved into the U S middle class combined with their continued use of hyphenated identities points to a history of lived ethnicity and societal exclusion Moreover this book demonstrates the extent of forgetting that is required in order to construct an ethnic identity *A History of the Polish Americans* John.J. Bukowczyk, 2017-07-12 In the last rootless decade families neighborhoods and communities have disintegrated in the face of gripping social economic and technological changes Th is process has had mixed results On the positive side it has produced a mobile volatile and dynamic society in the United States that is perhaps more open just and creative than ever before On the negative side it has dissolved the glue that bound our society together and has destroyed many of the myths symbols values and beliefs that provided social direction and purpose In *A History of the Polish Americans* John J Bukowczyk provides a thorough account of the Polish experience in America and how some cultural bonds loosened as well as the ways in which others persisted *The Best Travel Writing* 2008 James O'Reilly, Larry Habegger, Sean O'Reilly, 2008 This is the fifth volume in the series launched in 2004 to celebrate the world s best travel writing much of it never before published from Nobel Prize winners to up and coming new writers The stories provide a perspective and depth of understanding that can only come from people who have actually been there *According to Baba* Stacey Zembrzycki, 2014-03-05 As a child Stacey Zembrzycki listened to her baba s stories about Sudbury s small but polarized Ukrainian community and about what it was like growing up ethnic during the Depression According to Baba discloses with honesty and respect what happened when Stacey tried to capture the community s experiences through oral history research Baba looms large in the narrative wrestling authority in the interview process away from her granddaughter and then eventually coming to share it Together the two women lay the groundwork not only for an insightful and deeply personal social history of Sudbury s Ukrainian community but also for truly collaborative oral history research and writing *Polish American History after 1939* Joanna Wojdon, 2024-06-03 This book is the second in a three part multi authored study of Polish American history which aims to present the history of Polish Americans in the United States from the beginning of Polish presence on the continent to the current times shown against a broad historical background of developments in Poland the United States and other locations of the Polish Diaspora

According to the 2010 US Census there are 9.5 million persons who identify themselves as Polish Americans in the United States making them the eighth largest ethnic group in the country today. Polish Americans or Polonia for short has always been one of the largest immigrant and ethnic groups and the largest Slavic group in America. Despite that common knowledge about its social and political life, culture and economy is still inadequate in Academia and among the Polish Americans themselves. The book discusses the major themes in Polish American history such as organizational life and the structure of the community facing subsequent waves of immigration from Poland, its leadership and political involvement in Polish and American affairs as well as living and working conditions and the everyday life of families and communities, their culture, ethnic identity and relations with the broadly understood American society starting from the outbreak of World War 2 in Poland in September 1939 and ending with the highlights of the 21st century developments. It depicts Polish Americans' transition from a minority through ethnic group to Americans who take pride in their symbolic ethnicity maintained intentionally and manifested occasionally. This volume will be of great value to students and scholars alike interested in Polish and American History and Social and Cultural History.

Writing the Polish American Woman in Postwar Ethnic Fiction Grażyna J. Kozaczka, 2019-02-26. Though often unnoticed by scholars of literature and history, Polish American women have for decades been fighting back against the patriarchy they encountered in America and the patriarchy that followed them from Poland. Through close readings of several Polish American and Polish Canadian novels and short stories published over the last seven decades, *Writing the Polish American Woman in Postwar Ethnic Fiction* traces the evolution of this struggle and women's efforts to construct gendered and classed ethnicity. Focusing predominantly on work by North American born and immigrant authors that represents the Polish American Catholic tradition, Grażyna J. Kozaczka puts texts in conversation with other American ethnic literatures. She positions ethnic gender construction and performance at an intersection of social class, race and sex. She explores the marginalization of ethnic female characters in terms of migration studies, theories of whiteness and the history of feminist discourse. *Writing the Polish American Woman in Postwar Ethnic Fiction* tells the complex story of how Polish American women writers have shown a strong awareness of their oppression and sought empowerment through resistive and transgressive behaviors.

The Polish Hearst Anna D Jaroszynska-Kirchmann, 2015-04-30. Arriving in the U.S. in 1883, Antoni A. Paryski climbed from typesetter to newspaper publisher in Toledo, Ohio. His weekly *Ameryka Echo* became a defining publication in the international Polish diaspora and its much-read letters section a public sphere for immigrants to come together as a community to discuss issues in their own language. Anna D. Jaroszynska-Kirchmann mines seven decades worth of thoughts expressed by *Ameryka Echo* readers to chronicle the ethnic press's role in the immigrant experience. Open and unedited debate harkened back to homegrown journalistic traditions and Jaroszynska-Kirchmann opens up the nuances of an editorial philosophy that cultivated readers as content creators. As she shows ethnic publications in the process forged immigrant social networks and pushed notions of

education and self improvement throughout Polonia Paryski meanwhile built a publishing empire that earned him the nickname The Polish Hearst Detailed and incisive The Polish Hearst opens the door on the long overlooked world of ethnic publishing and the amazing life of one of its towering figures **Immigrants in American History** Elliott Robert Barkan,2013-01-17 This encyclopedia is a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting different groups across time periods For example the first author of the collection profiles African Americans as an example of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in the fields of history sociology cultural development economics political science law and cultural adaptation introduces a comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on American society and culture *Colonial Fantasies, Imperial Realities* Lenny A. Ureña Valerio,2019-08-28 In Colonial Fantasies Imperial Realities Lenny Ure a Valerio offers a transnational approach to Polish German relations and nineteenth century colonial subjectivities She investigates key cultural dynamics in the history of medicine colonialism and migration that bring Germany and Prussian Poland closer to the colonial and postcolonial worlds in Africa and Latin America She also analyzes how Poles in the German Empire positioned themselves in relation to Germans and native populations in overseas colonies She thus recasts Polish perspectives and experiences allowing new insights into identity formation and nationalist movements within the German Empire Crucially Ure a Valerio also studies the medical projects and scientific ideas that traveled from colonies to the German metropole and vice versa which were influential not only in the racialization of Slavic populations but also in bringing scientific conceptions of race to the everydayness of the German Empire As a whole Colonial Fantasies Imperial Realities illuminates nested imperial and colonial relations using sources that range from medical texts and state documents to travel literature and fiction By studying these scientific and political debates Ure a Valerio uncovers novel ways to connect medicine migration and colonialism and provides an invigorating model for the analysis of Polish history from a global perspective Letters from Readers in the Polish American Press, 1902-1969 Anna D. Jaroszynska-Kirchmann,2013-12-11 A Corner for Everybody is a unique collection of close to five hundred letters from Polish American readers which were published in the Polish language weekly Ameryka Echo between 1902 and 1969 In these letters Polish immigrants speak in their own words about their American experience and vigorously debate religion organization of their community ethnic identity American politics and society and ties to the

homeland The translated letters are annotated and divided into thematic chapters with informative introductions Polish Americans formed one of the largest European immigrant groups in the United States and their community Polonia developed a vibrant Polish language press which tied together networks of readers in the entire Polish immigrant Diaspora Newspaper editors encouraged their readers to write to the press and provided them with public space to exchange their views and opinions and share thoughts and reflections Ameryka Echo a weekly published from Toledo Ohio was one of the most popular and long lasting newspapers with international circulation For seven decades Ameryka Echo sustained a number of sections based on readers correspondence but the most popular of them was a Corner for Everybody which featured thousands of letters on a variety of topics The readers eagerly discussed everything from occurrences in local communities to issues paramount to the formation of their ethnic identity and assimilation church religion gender politics relations with new immigrant waves and other ethnic groups The letter writers debated the American labor movement and strikes described hardships of the Great Depression and World War II and argued about American domestic politics and foreign policy They also keenly followed changes in their homeland and called for work on behalf of the Polish nation The Ameryka Echo letters are a rich source of information on the history of Polish Americans which can serve as primary sources for students and scholars They also provide a new fascinating and lively look into the passions and experiences of individuals who created the larger American historical experience

The Borders of Integration Brian McCook, 2011-04-13 The issues of immigration and integration are at the forefront of contemporary politics Yet debates over foreign workers and the desirability of their incorporation into European and American societies too often are discussed without a sense of history McCook s examination questions static assumptions about race and white immigrant assimilation a hundred years ago highlighting how the Polish immigrant experience is relevant to present day immigration debates on both sides of the Atlantic Further his research shows the complexity of attitudes toward immigration in Germany and the United States challenging historical myths surrounding German national identity and the American melting pot In a comparative study of Polish migrants who settled in the Ruhr Valley and northeastern Pennsylvania McCook shows that in both regions Poles become active citizens within their host societies through engagement in social conflict within the public sphere to defend their ethnic class gender and religious interests While adapting to the Ruhr and northeastern Pennsylvania Poles simultaneously retained strong bonds with Poland through remittances the exchange of letters newspapers and frequent return migration In this analysis of migration in a globalizing world McCook highlights the multifaceted ways in which immigrants integrate into society focusing in particular on how Poles created and utilized transnational spaces to mobilize and attain authentic and more permanent identities grounded in newer broadly conceived notions of citizenship

The Grasinski Girls The Choices They Had And The Choices They Made Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Grasinski Girls The Choices They Had And The Choices They Made free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Grasinski Girls The Choices They Had And The Choices They Made free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Grasinski Girls The Choices They Had And The Choices They Made free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Grasinski Girls The Choices They Had And The Choices They Made. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in

this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Grasiński Girls The Choices They Had And The Choices They Made any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Grasiński Girls The Choices They Had And The Choices They Made Books
