D. Hollins,2018-07-13 This might be my last year not because I let it beat me but because I have finally found the happiness that I've been searching for all my life Ironically I found it in a place that has nothing to do with music You see happiness is the single life essential for which we all long for We feel happiness when we perform We feel happiness when we have successful lessons that indicate student learning We feel happiness when our peers our colleagues and our communities love what we have provided This happiness is what I now refer to as sound living It has been a journey to finally live soundly The reason why it is difficult for a music educator to find that true happiness is because we often end up having a conflicting relationship with our passion We love music but we hate that we have to validate our existence *Rich Wives Association* INDIA,2022-03-29 To be a part of the A List life some women have to pay dearly The life of a celebrity wife is supposed to be all glitz and glamour With red carpets black cards and tons of green money who wouldn't want to be on the A list However when the lights dim and the paparazzi fade living life in the fab lane comes with a price Some of these women pay severely for their membership into the Rich Wives Association Don't believe Here's their story *The Price of Sin* Samuel L. Hair,2012-04-24 Eureen Tracey Deja and Jasmine are all looking for relationships that are based on strong moral values despite their own less than moral lifestyles Faithfully married but severely sexually frustrated Eureen would do anything to catch her husband's eye again and reignite bedroom flames She can't remember the last time they had sex but when her husband suddenly passes away she quickly finds a way to make up for lost time A teasingly tight skirt and an extra wiggle is all Deja needs to stop Garnell's eyes from roaming to various single women in her church and focus his attention on her In her mind his skill level between the sheets far outweighs his criminal past Corporate executive Jasmine is determined to turn her unemployed mama's boy of a husband into a real man if her mother in law Cyreese doesn't destroy their marriage first Tracey vows that nobody will enjoy the pleasures of her body again until she says I do Well at least nobody will know about it On their quest for love these women will find out that sin comes with a price Is it one they can afford *Love Letters From the Heart* Patricia Gaskins Roberts,2025-07-16 Love Letters From The Heart are poems inspired over the years through conversations life experiences and the love of God and family *Did I Cause This on Myself? Hell Yeah I Did! (A simple short 7 step self-accountability guide for the fellas)* , **Perfect Peace** Kid Haiti,2022-08-01 **Remember What I Told You** Flo Logan,2011-11

Throughout her life the homespun advice of Florence's mother and grandmother has guided and sustained her. Florence may not have always followed it but she always found out they were right in the end. As she meditates on the wisdom they offered her and tells her own story of redemption, Florence pays homage to the two women that most influenced her life. Their down to earth approach is perfectly captured in the reflections on their lives and the timeless wisdom that they passed on. These strong women faced slavery, racism, gender discrimination and many other hindrances, however they overcame powerfully and their stories transcend those barriers of resistance. Their love for family and neighbor and their steadfast adherence to core values continues to be an inspiration. **Remember What I Told You** will help you recall the wisdom that you've gleaned from your own family as you learn from these amazing women. After having read the manuscript a second time, I found myself perusing the story amazed at how each of the characters' lives are strangely entwined with the others and how they evolve and blend into the flow of the main plot, which is to encourage family values that permeate through the social fabric of our lives and society. Rev. Paul R. Williams, UK Afro Caribbean Historian and Media Journalist, Flo's family stories and examples in this book are truly remarkable. They give you a clear picture of the Bible scriptures that she is referencing. **Remember What I Told You** is real down home stuff and a great inspiration. I encourage everyone to read it. It's appealing to both young and old. S. Norwood Thornton, Entrepreneur, Entertainer.

Stages of Struggle and Celebration Sandra M. Mayo, Elvin Holt, 2016-01-15. From plantation performances to minstrel shows of the late nineteenth century, the roots of black theatre in Texas reflect the history of a state where black Texans have continually created powerful cultural emblems that defy the clichés of horses, cattle, and bravado. Drawing on troves of archival materials from numerous statewide sources, **Stages of Struggle and Celebration** captures the important legacies of the dramatic arts in a historical field that has paid most of its attention to black musicians. Setting the stage, the authors retrace the path of the cakewalk and African inspired dance as forerunners to formalized productions at theaters in the major metropolitan areas. From Houston's Ensemble and Encore Theaters to the Jubilee in Fort Worth, gospel stage plays of the Black Academy of Arts and Letters in Dallas, as well as San Antonio's Hornsby Entertainment Theater Company and Renaissance Guild, concluding with ProArts Collective in Austin, **Stages of Struggle and Celebration** features founding narratives, descriptions of key players, and memorable productions, and enlightening discussions of community reception and the business challenges faced by each theatre. The role of drama departments in historically black colleges in training the companies' founding members is also explored, as is the role of the support of national figures such as Tyler Perry plays in ensuring viability. A canon of Texas playwrights completes the tour. The result is a diverse tribute to the artistic legacies that continue to inspire new generations of producers and audiences. **The Lord Will**

Provide Lucius M. Dalton, 2011-02. Genesis 11:30 says, "Now Sarai was barren; she had no children." It seems as if the family of Genesis has come to an end. Yet God speaks directly into this situation. There is good news: Abram and Sarai will have a child. This journey from barrenness to childbirth begins with the faith of Abram. Barrenness is the condition of much of humanity.

Acting Up and Getting Down Sandra Mayo, Elvin Holt, 2014-04-15. One of the few books of its kind, *Acting Up and Getting Down* brings together seven African American literary voices that all have a connection to the Lone Star state. Covering Texas themes and universal ones, this collection showcases often overlooked literary talents to bring to life inspiring facets of black theatre history. Capturing the intensity of racial violence in Texas from the Battle of San Jacinto to a World War I era riot at a Houston training ground, Celeste Bedford Walker's *Camp Logan* and Ted Shine's *Ancestors* provide fascinating narratives through the lens of history. Thomas Meloncon's *Johnny B Goode* and George Hawkins's *Br'er Rabbit* explore the cultural legacies of blues music and folktales. Three unflinching dramas, Sterling Houston's *Driving Wheel*, Eugene Lee's *Killingsworth* and Elizabeth Brown Guillory's *When the Ancestors Call*, examine homosexuality, a death in the family and child abuse, bringing to light the private tensions of intersections between the individual and the community. Supplemented by a chronology of black literary milestones as well as a playwrights canon, *Acting Up and Getting Down* puts the spotlight on creative achievements that have for too long been excluded from Texas letters. The resulting anthology not only provides new insight into a regional experience but also completes the American story as told onstage.
