GALE, 2016 American Indian Themes in Young Adult Literature Paulette F. Molin, 2005-04-20 This book analyzes American Indian characters and themes in young adult literature outlining plots and evaluating content from a native perspective Teachers librarians parents and young adult readers seeking information about American Indian themed literature for young adults will want to consult this resource It points out works that foster misinformation and stereotypes but examines the growing number of authors that counteract such messages as well The book also includes a bibliography that will lead audiences to further reading **The Grass Dancer[pbk]** Susan Power, 1995 *Spirits of the 1860s Ghost Horse and Red Dress* seek to be reunited through an Indian couple of the 1980s *Tribal Sovereignty and the Historical Imagination* Loretta Fowler, 2002-01-01 Loretta Fowler offers a new perspective on Native American politics by examining how power on multiple levels infuses the everyday lives and consciousness of the Cheyenne and Arapaho peoples of Oklahoma Cheyennes and Arapahos today energetically pursue a variety of commercial enterprises including gaming and developing retail businesses and they operate a multitude of social programs Such revitalization and economic mobilization however have not unambiguously produced greater tribal sovereignty Tribal members challenge and often work vigorously to undermine their tribal government's efforts to strengthen the tribe as an independent political economic and cultural entity at the same time political consensus and tribal unity are continually recognized and promoted in powwows and dances Why is there conflict in one sphere of Cheyenne Arapaho politics and cooperation in the other The key to the dynamics of current community life Fowler contends is found in the complicated relationship between the colonizer and the colonized that emerges in Fourth World or postcolonial settings For over a century the lives of Cheyennes and Arapahos have been affected simultaneously by forces of resistance and domination These circumstances are reflected in their constructions of history Cheyennes and Arapahos accommodate an ideology that buttresses social forms of domination

and helps mold experiences and perceptions They also selectively recognize and resist such domination Drawing upon a decade of fieldwork and archival research Tribal Sovereignty and the Historical Imagination provides an insightful and provocative analysis of how Cheyenne and Arapaho constructions of history influence tribal politics today *Mixedblood Messages* Louis Owens,2001 In this challenging and often humorous book Louis Owens examines issues of Indian identity and relationship to the environment as depicted in literature and film and as embodied in his own mixedblood roots in family and land Powerful social and historical forces he maintains conspire to colonize literature and film by and about Native Americans into a safe Indian Territory that will contain and neutralize Indians Countering this colonial Territory is what Owens defines as Frontier a dynamic uncontainable multi directional space within which cultures meet and even merge Owens offers new insights into the works of Indian writers ranging from John Rollin Ridge Mourning Dove and D Arcy McNickle to N Scott Momaday Leslie Silko James Welch and Gerald Vizenor In his analysis of Indians in film he scrutinizes distortions of Indians as victims or vanishing Americans in a series of John Wayne movies and in the politically correct but false gestures of the more recent Dances With Wolves As Owens moves through his personal landscape in Oklahoma Mississippi California and New Mexico he questions how human beings collectively can alter their disastrous relationship with the natural world before they destroy it He challenges all of us to articulate through literature and other means messages of personal and environmental as well as cultural survival and to explore and share these messages by writing and reading across cultural boundaries Companion to Literature Abby H.
