Capote, 1951 **The Grass Harp and a Tree of Night** Truman Capote, 2003-05 **The Grass Harp** Truman Capote, 2006 *The Grass Harp*, 1961 **The Grass Harp** Claiborne Richardson, Kenward Elmslie, 1973 *Settling the Borderland* Jan Whitt, 2008-09-05 *Settling the Borderland* deals with the intimate connection between journalism and literature both fields in which work by women has been underrepresented This book has a twin focus the work of journalists who became some of the greatest novelists poets and short story writers of the nineteenth and twentieth centuries in America several of whom are men and contemporary journalists who best exemplify the effective use of literary techniques in news coverage Although five women are emphasized here Katherine Anne Porter Eudora Welty Joan Didion Sara Davidson and Susan Orlean three men whose work was profoundly influenced by journalism also are included Edgar Allan Poe Walt Whitman and John Steinbeck are well known as writers of poetry short stories and novels but they too are among the other voices rarely included in studies of literary journalism In *Settling the Borderland* Jan Whitt presents a thorough analysis of the increasingly indistinct lines between truth and fiction and between fact and creative narrative in contemporary media **Truman Capote** Truman Capote, 1987 Truman Capote once said The thing I like to do most in the whole world is talk and talk he does in the more than two dozen interviews collected in this book The topics are often gossip about the famous people Capote ran with but always he provides revealing information about his writings the authors who inspired him his meticulous methods of research and composition and his personal reverence for the craft of authorship He was as the editor notes fiercely devoted to his art and keenly aware of his place in the world of letters While his detractors such as Ernest Hemingway and Gore Vidal spoke out long and loud against the feisty and media minded writer from Louisiana Capote here has the last word What emerges is a portrait of the author as pop cult figure unabashed in his pursuit of fame and fortune but unstinting in his devotion to becoming one of America's major prose stylists These interviews range from the first he granted after the publication of his first novel through

his shockingly personal self interview which appeared at the end of his last major work Southern Writers Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject Writers Directory NA NA, 2016-03-05
