The Greasy Thumb Automechanics Manual For Women:

The Greasy Thumb Automechanics Manual for Women Barb Wyatt, 1976-01-01 **Pink Cars and Pocketbooks** Jessica A. Brockmole, 2025-01-14 A fascinating history of how the automotive industry and consumers battled to define what women wanted in a car Since the commercial introduction of the automobile US automakers have always sought women as customers and advertised accordingly How then did car culture become so masculine In *Pink Cars and Pocketbooks* Jessica Brockmole shares the untold history of women's relationship with automobiles a journey marked by struggle empowerment and the relentless pursuit of independence This groundbreaking work explores the evolution of women's automotive participation and the cultural shifts that have redefined their roles as drivers mechanics and consumers Brockmole traces the rise of gendered marketing of automobiles over the course of the twentieth century Auto companies created ads that conformed to commonly held ideas about women's relationships with automobiles As the century progressed marketing to women became less informative and even more gendered the automotive industry portrayed women as passengers props or reluctant drivers interested primarily in aesthetics And yet by the 1970s female drivers were communicating directly with each other forming clubs and teaching each other through women focused repair manuals By examining market research studies advertising archives trade journals women's magazines newspapers driving handbooks and repair manuals this book shows how women bought their way into the automobile and masculine car culture Brockmole uncovers the stories of pioneering women who defied conventions such as trailblazer Alice Ramsey the first woman to drive across the United States in 1909 and Barb Wyatt whose contributions to automotive manuals broke new ground Women have always been users of technology and this book illustrates how the auto industry evolved as well as how it chose not to evolve in response

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1978 **Pacific Automobilmism** Gijs Mom, 2022-09-13 The beginning of the 21st century has seen important shifts in mobility cultures around the world as the West's media driven car culture has contrasted with existing local mobilities from rickshaws in India and minibuses in Africa to cycling in China In this expansive volume historian Gijs Mom explores how contemporary mobility has been impacted by social political and economic forces on a global scale as in light of local mobility cultures the car as an adventure machine seems to lose cultural influence in favor of the car's status character **Resist, Organize, Build** Sarah Crook, Charlie Jeffries, 2022-08-01 The 1980s was a period of political and social tumult in Britain and the United States Facing resurgent conservative forces feminist and queer activists organized in ways that not only resisted conservative hegemony but also helped to forge new communities communications and futures Resist Organize Build casts new light on grassroots campaigns in Britain and the US looking at feminist and queer work on university campuses within anti racist and anti imperialist movements in reframing the family reproduction and health and in the establishment of new magazines book series and publishing houses The collection brings together emerging and established scholars to position historical work on

the two national contexts side by side drawing out similarities and differences Taking care to center historically marginalized voices the collection gives students and scholars insight into and examples of the work of activist groups in a time that has many resonances with our own **The Women Offender Apprenticeship Program** ,1980 *Booklegger Magazine* ,1976
