viewed every single one of them as well as many more that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i.e. animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection

*A Knight at the Movies* John Aberth, 2012-10-02 Imagining the Middle Ages is an unprecedented examination of the historical content of films depicting the medieval period from the 11th to the 15th centuries Historians increasingly feel the need to weigh in on popular depictions of the past since so much of the public's knowledge of history comes from popular mediums Aberth dissects how each film interpreted the period offering estimations of the historical accuracy of the works and demonstrating how they project their own contemporary era's obsessions and fears onto the past

**Toward the Visualization of History** Mark Moss, 2008-06-19 Over the past 50 years the influence of visuals has impacted society with greater frequency No subject is immune from the power of visual culture and this fact becomes especially pronounced with regards to history and historical discourse Where once the study of the past was books and printed articles the environment has changed and students now enter the lecture hall with a sense of history that has been gleaned from television film photography and other new media They come to understand history based on what they have seen and heard not what they have read What are the implications of this process this visualization of history Mark Moss discusses the impact of visuals on the study of history with an examination of visual culture and the future of print Recognizing the visual bias of the younger generations and using this as a starting point for teaching history is a critical component for reaching students By providing an analysis of photography film television and computer culture Moss uses the Holocaust as an historical case study to illustrate the ways in which visual culture can be used to bring about an awareness of history as well as the potential for visual culture becoming a driving force for social and cultural change

Charles Bronson Michael R. Pitts, 2015-09-17 This work covers Bronson's entire output in film and on television and includes many film stills and photographs Alphabetical entries list film or episode complete cast and credits and year of release Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work The great Charles Laughton once said Bronson has the strongest face in the business and he is also one of its best actors Pretty high praise for an actor who though loved by fans worldwide has been consistently underestimated by critics Bronson's career has spanned five decades from such television appearances in *The Fugitive* *Rawhide* *Bonanza* and *Have Gun Will Travel* as well as the telemovie *A Family of Cops* 1995 and its two sequels He will long be remembered for his role as urban vigilante Paul

Kersey in the Death Wish films Bronson is one of the most enigmatic and also most recognizable of all film stars

**The Cinematic Challenge: Filming Colonial America** John P. Harty, Jr. ,2016 Why did cinema largely ignore the colonial era and the Revolutionary War The Cinematic Challenge asks this question and studies four films from the 1930s and 1940s to consider other queries such as How did Darryl F Zanuck make a film about the American Revolution Drums Along The Mohawk without indicating that the British were the enemy Why was Northwest Passage never completed How did Cecil B DeMille begin production on a film Unconquered based on a book that did not yet exist In addition we ll learn how accurate the depictions of colonial life were in each film and whether the political and economic climate affected the finished products Volume one of The Cinematic Challenge also includes information about the general state of the film industry during this period technological advancements and rival theories about historical filmmaking making it the most in depth resource available today on colonial movies

[The Reel Middle Ages](#) Kevin J. Harty,2015-08-13 Those tales of old King Arthur Robin Hood The Crusades Marco Polo Joan of Arc have been told and retold and the tradition of their telling has been gloriously upheld by filmmaking from its very inception From the earliest of Georges Melies s films in 1897 to a 1996 animated Hunchback of Notre Dame film has offered not just fantasy but exploration of these roles so vital to the modern psyche St Joan has undergone the transition from peasant girl to self assured saint and Camelot has transcended the soundstage to evoke the Kennedys in the White House Here is the first comprehensive survey of more than 900 cinematic depictions of the European Middle Ages date of production country of origin director production company cast and a synopsis and commentary A bibliography index and over 100 stills complete this remarkable work
