**The Great American Ride** Irma Kurtz,1993 Author s memoir of her travels alone across America on a Greyhound bus

**The Great American Attraction** Rich Smith,2008 The author of You Can Get Arrested for That takes another look at America and its amazing inhabitants by crashing the weirdest parties in the U S 20 b w photos throughout

The Great American Transit Disaster Nicholas Dagen Bloom,2024-05-31 A potent re examination of America s history of public disinvestment in mass transit An extensively researched and expertly argued exploration of the demise of urban public transit in the United States Layered and multifaceted Pacific Historical Review Many a scholar and policy analyst has lamented American dependence on cars and the corresponding lack of federal investment in public transportation throughout the latter decades of the twentieth century But as Nicholas Dagen Bloom shows in The Great American Transit Disaster our transit networks are so bad for a very simple reason we wanted it this way Focusing on Baltimore Atlanta Chicago Detroit Boston and San Francisco Bloom provides overwhelming evidence that transit disinvestment was a choice rather than destiny He pinpoints three major factors that led to the decline of public transit in the United States municipal austerity policies that denied most transit agencies the funding to sustain high quality service the encouragement of auto centric planning and white flight from dense city centers to far flung suburbs As Bloom makes clear these local public policy decisions were not the product of a nefarious auto industry or any other grand conspiracy all were widely supported by voters who effectively shut out options for transit friendly futures With this book Bloom seeks not only to dispel our accepted transit myths but hopefully to lay new tracks for today s conversations about public transportation funding In this excellent socioeconomic history Bloom offers a comprehensive and thought provoking account of the rise and fall of U S mass transit skillfully assessing successes and stumbles so that we may learn from them and correct course Booklist A powerful introduction for urban scholars practitioners and students interested in American public transit policy Journal of Urban Affairs The book s greatest strength is its hard look at how racism helped ruin U S transit Newcity

**The Great American Mosaic** Gary Y. Okihiro,Lionel C. Bascom,James E. Seelye Jr.,Emily Moberg Robinson,Guadalupe Compeán,2014-09-30 Firsthand sources are brought together to illuminate the diversity of American history in a unique way by sharing the perspectives of people of color who participated in landmark events This invaluable four volume compilation is a comprehensive source of documents that give voice to those who comprise the American mosaic illustrating the experiences of racial and ethnic minorities in the United States Each volume focuses on a major racial ethnic group African Americans American Indians Asian Americans and Pacific Islanders and Latinos Documents chosen by the editors for their utility and relevance to popular areas of study are organized into chronological periods from historical to contemporary The collection includes eyewitness accounts legislation speeches and interviews Together they tell the story of America s diverse population and enable readers to explore historical

concepts and contexts from multiple viewpoints Introductions for each volume and primary document provide background and history that help students understand and critique the material The work also features a useful primary document guide bibliographies and indices to aid teachers librarians and students in class work and research The Great American Disruption Scott Aiken Mason, 2025-01-07 Unless we pause to consider the implications we risk being swept away by the current of popular culture where conformity is the coin of the realm and free speech is controlled by the media We can do better than this America is in trouble Bad decisions have brought us here It s tempting to pass off our discontent as merely two disturbing presidential election cycles But the truth runs much deeper than that Progressive overreach now permeates virtually every aspect of American culture Everything is political The divide is no longer as simple as Coke vs Pepsi it extends to all manner of things even where we live If the current mass exodus continues and we continue to retire to our respective corners the democratic experiment that is America could well be over Few people have captured the Nation s pulse so accurately Some examples To say the current situation is complicated is an understatement Most illnesses are It has taken years to gain some clarity in understanding the general chaos that is now being experienced in American Society what we call The Great American Disruption The litany of misguided views in America today has reached a dangerous threshold Life is about choices this fundamental element of life called choices is something that is often overlooked by many many people especially at critical times in our life journey Balancing the emotional brain with the rational brain is a lifetime pursuit for humans Failure to address this issue border security in a more controlled vision of the future role of immigration not only diminishes what it means to be an American it also represents the greatest security threat this country has ever experienced Challenging The Great American Disruption requires a greater disruption based on critical thinking and strategy Reasoned discourse becomes a fundamental requirement for the survival of our democracy We must fight The Great American Disruption by finding ways to develop tools of critical thinking that allow us to become more strategic in our thoughts and deeds if we are to lift ourselves out of the chaos that is bringing America down and brainwashing our kids For the first time in America s history six generations of citizens will occupy this earth simultaneously We d best figure out how to get along

**The Great American Novel** Philip Roth, 2022-09-21 From the Pulitzer Prize winning author of American Pastoral a richly imagined novel featuring America s only homeless big league baseball team in history delivers shameless comic extravagance Roth gleefully exploits our readiness to let baseball stand for America itself The New York Times Gil Gamesh the only pitcher who ever literally tried to kill the umpire The ex con first baseman John Baal The Babe Ruth of the Big House who never hit a home run sober If you ve never heard of them or of the homeless baseball team the Ruppert Mundys it s because of the Communist plot and the capitalist scandal that expunged the entire Patriot League from baseball memory In this ribald wickedly satiric novel Roth turns baseball s status as national pastime and myth into an occasion for unfettered picaresque farce replete with heroism and perfidy ebullient wordplay and a cast of characters that includes the House Un

American Activities Committee      Moving Lives Sidonie Smith,2001      Great American Youth Mike Scott,2011-04-04 Based on actual events this soul gripping tale is an account of survival in the urban jungle of Chicago in the 1980s While embarked on his own street journey Michael Scott enters a world in which a band of brothers are locked in a desperate engagement an Alamo like siege of their hood Amidst turbulent conditions the narrator gives us all a ticket to ride next to him on this roller coaster ride with its twist and turns of horror and frustration suspense and humor Following in the tradition of profound gang tales such as *The Outsiders* and *West Side Story* this must read book goes beneath the hardcore surface to show the struggle of the human spirit
