Green,2012-02-29 Exploring the shaping of modern end of life experiences by medical demographic and cultural trends James Green provides an important interpretation of the political nature of death and of the ways in which Americans react when death is at hand for themselves or for those they care about     American Book Publishing Record ,2001     **Subject Guide to Books in Print** ,1983

*John Newton's Theology of Suffering and Its Application to Pastoral Care* Keith Palmer,2025-05-22 John Newton was an eighteenth century Anglican minister who is best known as the writer of the hymn *Amazing Grace* Yet he was also the leading pastoral counselor of his generation who kept up a prolific letter writing ministry of pastoral care to dozens of people from all walks of life who wrote seeking his advice But why was Newton s counsel so popular This work seeks to answer this question by exploring Newton s unique theology of suffering which formed an essential structure that informed and shaped his model of soul care Influenced by this doctrine Newton s manner and methodology of pastoral care is explored highlighting key principles of his strategy as he sought to care for others Finally two examples of Newton s counsel are considered his

ministry to his wife during her chronic health issue and his care of the poet William Cowper through his decades of struggle with depression **The Ascent to God** Thomas P. Kuffel, Nancy Carol James, 2022-03-25 Called as pope St John Paul II emerged onto St Peter's balcony proclaiming Do not be afraid What theology and mystery inspired this surprising proclamation John Paul II's quest for holiness was grounded in the mystical insight that we participate in God We seek the Beatific Vision the Face of God through which we are transformed in theosis or divinization This infusion of grace perfects and unites us In this book readers will find engaging theology intermixed with spiritual direction and lectio divina meditations Utilizing Aquinas method of scriptural interpretation we are offered ways of seeking spiritual fulfillment to behold the Beatific Vision Fr Tom Kuffel shares personal experiences from his time studying and working in Rome Nebraska and Alaska Reflecting on his own priesthood his fascinating narratives encourage our own spiritual growth Readers find fresh ways of engaging Scripture through St John Paul II's New Pentecost encouraging new interpretations of Vatican II

**Religious Books 1876-1982**, 1983 Calvin's Company of Pastors Scott M. Manetsch, 2013-01-17 In Calvin's Company of Pastors Scott Manetsch examines the pastoral theology and practical ministry activities of Geneva's reformed ministers from the time of Calvin's arrival in Geneva until the beginning of the seventeenth century During these seven decades more than 130 men were enrolled in Geneva's Venerable Company of Pastors as it was called including notable reformed leaders such as Pierre Viret Theodore Beza Simon Goulart Lambert Daneau and Jean Diodati Aside from these better known epigones Geneva's pastors from this period remain hidden from view cloaked in Calvin's long shadow even though they played a strategic role in preserving and reshaping Calvin's pastoral legacy These forgotten reformed pastors together with Calvin himself are the central characters of this book Making extensive use of archival materials published sermons catechisms prayer books personal correspondence and theological writings Manetsch offers an engaging and vivid portrait of pastoral life in sixteenth and early seventeenth century Geneva exploring the manner in which Geneva's ministers conceived of their pastoral office and performed their daily responsibilities of preaching public worship moral discipline catechesis administering the sacraments and pastoral care Along the way a variety of important subsidiary questions are explored including In what ways did the practice of preaching and church discipline change in Geneva after Calvin What were some of the different ways that lay people in Geneva responded to the ministers sermons and corrective discipline In what ways were the structure and practice of pastoral ministry in Geneva similar to or different from other Protestant churches during the period What can be learned about the ministers religious priorities and pastoral concerns from their published writings To what extent did Geneva's religious leaders such as Beza Daneau and Goulart remain faithful to Calvin's theological legacy and religious program Manetsch demonstrates that Calvin and his colleagues were much more than talking heads dispensing theological information to the people in their congregations Rather they saw themselves as spiritual shepherds of Christ's Church and this self understanding shaped to a significant degree their daily work as pastors and preachers This careful

study of religious life in Geneva from 1536 to 1609 also shows that the clerical office in Geneva changed in subtle ways during the half century after Calvin's death even as the Company of Pastors remained committed to the reformer's pastoral vision
