**The Great Canadian Character Anthology** Andy Nulman,1985     *In and Out* Sophie Aymes-Stokes,Laurent Mellet,2012-04-25 The aim of the book is twofold first to provide an overview of the critical history of eccentricity and secondly to conceptualise a notion that is often presented as a defining feature of the English character It addresses the key issues raised by eccentricity and brings out interdisciplinary links between science politics literature and the arts the sources and dissemination of the concept of eccentricity its relationship with the English national character as historical and ideological constructs the structural need for variation and divergence within accepted social norms the paradoxical status of the eccentric as outsider when eccentricity is transgressive and alienating and as insider eccentricity as socially acceptable deviation Fundamentally eccentricity is a normative notion being ex centred enables eccentrics to delineate and negotiate boundaries between the margins and the centre the canon and the norm The contributors question the links between eccentricity diversity and originality the value of individual experience and character and as a corollary the struggle to retain individuality against increasing standardization commoditisation and channelling within the normative discourse of normality Eccentricity as display and performance is also tackled in several chapters which focus on reception image and self representation exhibition and voyeurism     **Canadiana** ,1987     *Catalog of Copyright Entries. Copyright Office,1971 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc     *Arts & Humanities Citation Index* ,1980 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals     *Canada* Mike Myers,2016-10-22 In this instant national bestseller comedy superstar Mike Myers writes from the true patriot heart about his 53 year relationship with his beloved Canada Mike Myers is a world renowned actor director and writer and the man behind some of the most memorable comic characters of our time But as he says no description of me is truly complete without saying I m a Canadian He has often winked and nodded to Canada in his outrageously accomplished body of work but now he turns the spotlight full beam on his homeland His hilarious and heartfelt new book is part memoir part history and pure entertainment It is Mike Myers funny and thoughtful analysis of what makes Canada Canada Canadians Canadians and what being Canadian has always meant to him His relationship with his home and native land continues to deepen and grow he says In fact American friends have actually accused him of enjoying being Canadian and he s happy to plead guilty as charged A true patriot who happens to be an expatriate Myers is in a unique position to explore Canada from within and without With this his first book Mike brings his love for Canada to the fore at a time when the country is once again looking

ahead with hope and national pride Canada is a wholly subjective account of Mike's Canadian experience Mike writes Some might say Why didn't you include this or that I say there are 35 million stories waiting to be told in this country and my book is only one of them This beautifully designed book is illustrated in colour and not color throughout and its visual treasures include personal photographs and Canadiana from the author's own collection Published in the lead up to the 2017 sesquicentennial this is Mike Myers birthday gift to his fellow Canadians Or as he puts it In 1967 Canada turned one hundred Canadians all across the country made Centennial projects This book is my Centennial Project I'm handing it in a little late Sorry     *Slightly Higher in Canada* Sean Kelly, Ted Mann, 1978
