## **The Great Country Houses Of Europe The Czech Republic Slovakia Hungary Poland:**

*The Great Country Houses of Central Europe* Michael Pratt, 2005 In the heart of Central Europe stand some of the most elegant and grandly conceived country houses ever constructed from medieval fortresses and Renaissance era estates to baroque villas and neoclassical palaces Until the last decade these illustrious residences were inaccessible to the West This landmark volume presents these rarely seen treasures of the Czech Republic Slovakia Hungary and Poland nations that shelter a superb selection of Europe's finest country houses built over the centuries by some of the continent's most distinguished families Richly illustrated with specially commissioned photography *The Great Country Houses of Central Europe* tells the stories of these magnificent buildings and the families that constructed them immersing us in the vanished world of the region's aristocracy Lord Michael Pratt sets his discussion of the houses and their patrons against the backdrop of Central European history Beginning in the Middle Ages and continuing to the present day this monumental study analyzes thirty of the region's most important estates and introduces dozens of others Although the primary focus is on the houses and the families that built them gardens grounds and interiors are also illustrated in detail including examples of furniture decorative arts and paintings Splendid and surprising these remarkable structures and the magisterial book that celebrates them display Central Europe in its full glory

*The Great Country Houses of Central Europe* Michael Pratt, Gerhard Trumler, 1991 *The Publishers Weekly*, 2005 **The British National Bibliography** Arthur James Wells, 2006

**European Tourism Planning and Organisation Systems** Carlos Costa, Emese Panyik, Dimitrios Buhalis, 2014-06-04 This book provides a systematic country by country analysis of tourism policy planning and organisation in the EU Its main objective is to explore 21st century policy responses to the global challenges shaping tourism planning and organisation systems in the EU The book offers a new critical approach to comparative policy analysis of EU member states and focuses on six key themes territory actors and structures economics policy methods and techniques and vision The book is designed primarily for undergraduate and postgraduate tourism students and researchers The book will also be useful for industry practitioners who would like to engage in the theoretical principles and the conceptualisation of planning and organisation systems

**How Geography and Institutions Shaped the Development of Nations** Irina Busygina, 2024-11-20 This book provides a concise and informative introduction to how geography and institutions shaped the development of nations showing that while the role of institutions for the development of nations is indisputable the role of geographic factors remains underexplored and underestimated Drawing on rich empirical material from the history and modernity of different continents and nations *How Geography and Institutions Shaped the Development of Nations Across Countries and Continents* seeks to show not only the importance of geographical explanations of development but also their extraordinary diversity This book is divided into two parts The first part examines the main contributions to the understanding of development under the influence of geographic and institutional factors as well as state's geographic

attributes and borders as geographic institutions The second part immerses the reader in empirical material presenting various cases on different continents in different historical periods This book is an essential read for researchers in a broad range of areas including international organizations and practitioners involved accelerating national development It will also be of interest to scholars and students in development studies and more broadly to geography comparative politics and regional studies     *East European Accessions List* Library of Congress. Processing Department,1954     East Central Europe since 1989 Sabrina P. Ramet,Lavinia Stan,2024-12-12 This groundbreaking treatment of post communist developments in East Central Europe examines politics economics media religious institutions transitional justice gender inequality and literature highlighting the overt functions latent functions and side effects associated with each sphere Communism in East Central Europe had cracks from the beginning as uprisings in East Germany in 1953 and Hungary in 1956 demonstrated But with the establishment of the Independent Trade Union Solidarity in Poland in the Summer of 1980 communism went into steady decline and between 1988 and 1991 crumbled What followed has been an unsteady transition to various forms of often corrupt pluralism with democracy doing best in the Czech Republic with the exception of the years 2017 2021 and Slovenia and worst in Hungary Albania Serbia and Bosnia Herzegovina Drawing on the functionalist theory of Robert K Merton the authors examine what policymakers communist and post communist were or are trying to accomplish the intended and unintended results of these policies and the side effects they have produced This volume will be of interest not only to specialists in East Central Europe but also to graduate and undergraduate students members of the diplomatic corps and general readers     Development on the Periphery Howard J. Wiarda,Dale Roy Herspring,Esther M. Skelley,2006 In *Development on the Periphery* noted textbook author Howard J Wiarda tackles the important question of development in Southern and Eastern Europe Comparing the two regions gives us insight into the similarities and differences that have united and separated them for thousands of years Jacket     **Bezpieczeństwo żywności w nowych krajach członkowskich** IUCN - The World Conservation Union,2005     **DK Eyewitness Travel Guide: Czech and Slovak Republics** DK Publishing,2011-05-02 DK Eyewitness Travel Guide Czech and Slovak Republics is the ultimate companion to the magnificent Czech and Slovak Republics Whether you wish to explore the enchanting metropolis of Prague and its magnificent Gothic Medieval and Baroque architecture take a scenic walk or drive through stunning landscapes and spectacular mountain scenery or discover the best of the local beer halls this comprehensive guide is packed with the insider tips every visitor needs to make the most of their Czech and Slovak Republic visit Fully illustrated with hundreds of photographs cutaways and detailed maps you ll find detailed background information on all the fascinating attractions the Czech and Slovak Republics have to offer This travel guide also comes complete with reviews and recommendations for hotels and restaurants in the Czech and Slovak Republics for every budget Fully updated and expanded the DK Eyewitness Travel Guide Czech and Slovak Republics explores both countries nightlife colorful festivals relaxing retail therapy and stunning cathedrals and provides tips

for hiking and skiing in the High Tatras of this glorious region Don't miss a thing on your vacation with DK Eyewitness Travel guidebook to Czech and Slovak Republics      Tourism in the New Europe Derek R. Hall, Melanie K. Smith, Barbara Marciszewska, 2006 Tourism in the New Europe addresses European tourism within the framework of an enlarged European Union of 25 members It looks at the substantial reorientation of the organisational framework of European tourism and its profound implications for future structural and geographical patterns of development Providing a series of thematic evaluations of the relationships between tourism and EU enlargement this book includes a country by country examination of each of the new member states in terms of their current patterns and trends of tourism development and the impacts which EU accession brings to them      **The International Economic Crisis and the Post-Soviet States** Valentina Feklyunina, Stephen White, 2014-06-11 At first it seemed as if the international financial crisis that broke out in 2008 would have little effect in Russia and the other post Soviet states But by the end of the year growth was slowing banks were reluctant to lend share values had collapsed and unemployment was rising inexorably The stability of the Putin leadership it appeared had been built on the turnaround in economic performance that it had managed to achieve over more than a decade How would it cope with a sudden reversal In Ukraine living standards fell even more sharply In Belarus there were fewer obvious signs of economic difficulty but it could hardly be unaffected by the performance of its major trading partners Drawing on a wide range of evidence an international group of scholars address the impact of the international financial crisis in the post Soviet states and the continuing implications of the crisis for these countries themselves and for the wider world This book was published as a special issue of the Journal of Communist Studies and Transition Politics now known as East European Politics      News from Poland, 1996      Psychoanalytic Essays on Power and Vulnerability Halina Brunning, 2018-04-24 This paper is based on research into European economics and politics on the basis of ten months travelling in ten countries as well as on four workshops run in Europe Two hypotheses will be explored It is possible to discern psychodynamic evidence that unresolved humiliation trauma is being re-evoked and recycled by attempts to find solutions and cures through the tyranny of austerity measures But the question will be asked whether these are chosen trauma Volkan 2010 which may be at the heart of the foundation matrix Foulkes 1973 of the European Community The exploration of political and economic leadership in the crisis in the European Union builds on the notion of society as a large group proliferating crises of identity From a systemic perspective it is possible to analyse the nation states of Europe protesting with regressive nationalism refusing collaboration by engaging in economic warfare while at the same time attempting rescue packages The protest could be seen as defensive denial of their humbling at the hands of the over ambitious aspects of the European single currency project and the demise of the potency of the nation state The concluding section reflects on these issues and tries to distinguish the recycling of humiliation trauma from defence against the experience of being humbled      The United States and Western Europe Since 1945 Geir Lundestad, 2005-08-11 Based on

new and existing research by a world class scholar this is the first book in twenty years to examine the dynamics of the entire American West European relationship since 1945 The relationship between the United States and Western Europe has always been crucial and recent events dictate that it is becoming ever more so In this important new work Geir Lundestad analyses the balance between the cooperation and conflict which has characterized this relationship in the post war period He examines talk of transatlantic drift and the strain now apparent between the USA and the nation states of Western Europe In the concluding section Lundestad offers a topical view of the future of transatlantic interaction Throughout the work Lundestad s much cited empire by invitation thesis is both put into practice and extended in time and scope This book is essential reading for anyone interested in one of the most important and enduring international relationships of the last sixty years

**The Printed Press and Television in the Regions of Europe** Pierre Musso,Philippe Sou  tre,Lionel Levasseur,1995-01-01

**E-government in Europe** Paul G. Nixon,Vassiliki N. Koutrakou,2006-12-05 This book traces the development of e government and its applications across Europe exploring the effects of information and communication technology ICTs upon political action and processes Explores a range of concepts and topics underpinning e government in Europe the degree to which e government translates into genuine reform of government and public administration the dual role of the EU as both a provider of e government through its own internal activities and also as a facilitator or aggregator in the way it seeks to engender change and promote its ethos in member states across the EU cyberterrorism and its use both by terrorists and governments to pursue political agendas Featuring in depth case studies on the progress of e government in the UK France Germany Denmark The Netherlands Portugal Greece Slovenia Hungary and Estonia These case studies address the above issues whilst at the same time highlighting commonality and diversity in practice and the paradox between top down strategies and the effort to engage wider civil participation via e government e Government in Europe will be of interest to students and scholars of public policy politics media and communication studies computing and information and communications technologies and European studies

**The Politics of Multiculturalism in the New Europe** Tariq Modood,Pnina Werbner,1997-08 On multiculturalism

*Political Handbook of the World 2012* Tom Lansford,Tom Muller,2012-04-02 For this edition the Handbook editors have attempted to cover national elections for all of 2011 This information is incorporated within the regular text wherever possible or in headnotes at the beginning of the country entries for elections that occurred in the latter part of the year Each entry begins with information on a country s political status area population major urban centers languages currency and head of state and chief executive Demographic and economic information is presented in the section titled The Country while political background constitution and government foreign relations and current issues are examined in Government and Politics Political Parties and Groups provides an extensive analysis of formal parties political groupings and any antigovernment or illegal formations Each entry ends with an overview of the nation s legislature a current cabinet list and a brief intergovernment representation section including a membership

list of intergovernment organizations for the respective country
