

The Great Famine

John Percival

The Great Famine:

The Great Irish Famine Cormac Ó'Gráda, Economic History Society, 1995-09-28 The Irish Famine of 1846 50 was one of the great disasters of the nineteenth century whose notoriety spreads as far as the mass emigration which followed it Cormac O Gr da s concise survey suggests that a proper understanding of the disaster requires an analysis of the Irish economy before the invasion of the potato killing fungus *Phytophthora infestans* highlighting Irish poverty and the importance of the potato but also finding signs of economic progress before the Famine Despite the massive decline in availability of food the huge death toll of one million from a population of 8 5 million was hardly inevitable there are grounds for supporting the view that a less doctrinaire attitude to famine relief would have saved many lives This book provides an up to date introduction by a leading expert to an event of major importance in the history of nineteenth century Ireland and Britain

The Great Famine Ciarán Ó Murchadha, 2011-08-04 An engaging and moving account of this most destructive event in Irish history

The Great Famine Robert Dudley Edwards, Thomas Desmond Williams, 1957 **The Great Irish Potato Famine** James S Donnelly, 2002-11-01 In the century before the great famine of the late 1840s the Irish people and the poor especially became increasingly dependent on the potato for their food So when potato blight struck causing the tubers to rot in the ground they suffered a grievous loss Thus began a catastrophe in which approximately one million people lost their lives and many more left Ireland for North America changing the country forever During and after this terrible human crisis the British government was bitterly accused of not averting the disaster or offering enough aid Some even believed that the Whig government s policies were tantamount to genocide against the Irish population James Donnelly s account looks closely at the political and social consequences of the great Irish potato famine and explores the way that natural disasters and government responses to them can alter the destiny of nations

The Great Famine John Gibney, 2018 The Irish potato famine of the 1840s the Great Famine or An gorta m r is one of the defining events in modern Irish history Over a five year period a population of 8 2 million was reduced to 6 5 million through starvation disease and emigration The famine permanently changed one of the constituent parts of the United Kingdom as it then stood and its legacies of depopulation socio economic and cultural change political resentment and the expansion through mass emigration of an Irish diaspora in Britain North America and the British Empire still have a resonance today Now in the first installment of a new collaboration between Pen and Sword and History Ireland magazine some of the world s leading experts on the Great Famine explore the crisis from a range of perspectives From the importance of the potato in Irish history to food exports political change the provision of charity the impact of disease the role of the authorities the experience of emigration and the changing interpretation of the famine this volume explores how this seminal event in Irish British and world history still has a relevance to the globalised world of the twenty first century

The Great Famine John Percival, 1995 Discusses the potato famine that struck Ireland in 1845 resulting in the starvation deaths of over a million Irish citizens the displacement of

thousands and the immigration of over one million to America and Australia The Great Famine Charles River Charles River Editors,2016-07-12 Includes pictures Includes accounts of the famine by Irishmen who suffered through it Includes online resources and a bibliography for further reading Includes a table of contents I have called it an artificial famine that is to say it was a famine which desolated a rich and fertile island that produced every year abundance and superabundance to sustain all her people and many more The English indeed call the famine a dispensation of Providence and ascribe it entirely to the blight on potatoes But potatoes failed in like manner all over Europe yet there was no famine save in Ireland John Mitchel Young Ireland Movement Anyone who has ever heard of the luck of the Irish knows that it is not something to wish on someone for few people in the British Isles have ever suffered as the Irish have As one commissioner looking into the situation in Ireland wrote in February 1845 It would be impossible adequately to describe the privations which they habitually and silently endure in many districts their only food is the potato their only beverage water their cabins are seldom a protection against the weather a bed or a blanket is a rare luxury and nearly in all their pig and a manure heap constitute their only property Even his fellow commissioners agreed and expressed our strong sense of the patient endurance which the laboring classes have exhibited under sufferings greater we believe than the people of any other country in Europe have to sustain Still in their long history of suffering nothing was ever so terrible as what the Irish endured during the Great Potato Famine that struck the country in the 1840s and produced massive upheaval for several years While countless numbers of Irish starved the famine also compelled many to leave and all the while the British were exporting enough food from Ireland on a daily basis to prevent the starvation Over the course of 10 years the population of Ireland decreased by about 1 5 million people and taken together these facts have led to charges as severe as genocide At the least it indicated a British desire to remake Ireland in a new mold As historian Christine Kinealy noted As the Famine progressed it became apparent that the government was using its information not merely to help it formulate its relief policies but also as an opportunity to facilitate various long desired changes within Ireland These included population control and the consolidation of property through various means including emigration Despite the overwhelming evidence of prolonged distress caused by successive years of potato blight the underlying philosophy of the relief efforts was that they should be kept to a minimalist level in fact they actually decreased as the Famine progressed Although the Famine obviously weakened Ireland and its people it also stiffened Irish resolve and helped propel independence movements in its wake By the time the Famine was over it had changed the face of not just Ireland but also Great Britain and it had even made its effects felt across the Atlantic in the still young United States of America The Great Famine The History of the Irish Potato Famine during the Mid 19th Century looks at the history of the notorious famine and its results Along with pictures and a bibliography you will learn about the Irish Potato Famine like never before in no time at all The Great Irish Famine Christine Kinealy,2017-03-14 The Great Irish Famine of 1845 51 was both one of the most lethal famines in modern history and a watershed in the development of modern Ireland This

book based on a wide range of little used sources demonstrates how the Famine profoundly affected many aspects of Irish life the relationship between the churches the nationalist movement and the relationship with the monarchy In addition to looking at the role of the government Kinealy shows the importance of private charity in saving lives One of the most challenging aspects of the publication is the chapter on food supply in which Kinealy concludes that despite the potato blight Ireland was still producing enough food to feed its people The long term impact of the tragedy notably the way in which it has been remembered and commemorated is also examined *The Great Famine 1845-1852* Northern Ireland. Public Record Office,1970 In Ireland the Great Famine was a period of mass starvation disease and emigration between 1845 and 1852 It is also known mostly outside Ireland as the Irish Potato Famine In the Irish language it is called an Gorta Mór IPA n t mo meaning the Great Hunger or an Drochshaol n dxhi l meaning the bad life Wikipedia [A Death-Dealing Famine](#) Christine Kinealy,1997-03-20 Examines the historiography of the Irish Famine and its relevance now in the context of the longer term relationship between England and Ireland **The Great Famine and the Irish Diaspora in America** Arthur Gribben,1999 In Ireland the Great Famine was a period of mass starvation disease and emigration between 1845 and 1852 It is also known mostly outside Ireland as the Irish Potato Famine In the Irish language it is called an Gorta Mór IPA n t mo meaning the Great Hunger or an Drochshaol n dxhi l meaning the bad life During the famine approximately 1 million people died and a million more emigrated from Ireland causing the island's population to fall by between 20% and 25% Wikipedia

Black '47 and Beyond Cormac Ó Gráda,2000-09-03 Moving away from the traditional narrative historical approach to the catastrophe Ó Gráda concentrates instead on fresh insights available through interdisciplinary and comparative methods He highlights several economic and demographic features of the famine previously neglected in the literature such as the part played by traders and markets by medical science and by migration **The History of the Irish Famine** Jason King,2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government's culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This volume breaks new ground in bringing together foundational narratives of one of Europe and North America's first refugee crises making visible their impact in shaping perceptions public opinion and patterns of memorialization of Irish forced migration It documents eyewitness impressions of suffering Irish emigrants and raises questions about what literary conventions mnemonic motifs and popular images can be found in eyewitness accounts press coverage and foundational narratives of Famine Irish forced migration These primary sources provide a model for understanding how representations of forced migration shape public

opinion and policy **Mapping the Great Irish Famine** Liam Kennedy,1999 This book represents cartographically the dramatic impact that the Great Potato Famine had on Ireland Based largely on the enormous body of statistics contained in the Database of Irish Historical Statistics at the Queen s University of Belfast the authors present a picture of Ireland before during and after the Great Famine Ireland's Great Famine Cormac Ó Gráda,2006 The essays in this volume range widely over topics associated with Ireland s great famine of 1846 52 Taken together the essays give a full account of the famine its effects what was and was not done to alleviate it how it compares with other famines and how successive scholars have tackled these matters **The Great Irish Famine: A History in Documents** Karen Sonnelitter,2018-10-30 In the fall of 1845 a mysterious blight ravaged Ireland s potato harvest beginning a prolonged period of starvation suffering and emigration that reduced the Irish population by as much as twenty five per cent in a mere six years The Famine profoundly impacted Ireland s social and political history and altered its relationships with the United Kingdom and the rest of the world This document collection provides a broad selection of historical perspectives depicting the causes the course and the impact of the Famine Letters speeches newspaper articles and other works are collected within carefully described and annotated for the reader A substantial introduction a chronology of events and a useful glossary are also included to aid in the interpretation of the primary texts **The Great Famine in Ireland. What caused it, and what were its consequences?** Maximilian Scheller,2022-07-04 Essay from the year 2019 in the subject History of Europe Modern Times Absolutism Industrialization grade 1 3 University of Mannheim course Ireland since 1800 language English abstract The so called Great Hunger is not only the best remembered famine but also the closest to us with a distance of fewer than 170 years The creation of new social and cultural conditions because of demographic decline large scale emigration and new economic policies lead to define the famine as a watershed in the history of Ireland This essay discusses the question of what different reasons resulted in the big calamity and what consequences it had had and has had and how much this led to a lasting change in Ireland **The Great Famine** Ciarán Ó Murchadha,2011-06-02 Over one million people died in the Great Famine and more than one million more emigrated on the coffin ships to America and beyond Drawing on contemporary eyewitness accounts and diaries the book charts the arrival of the potato blight in 1845 and the total destruction of the harvests in 1846 which brought a sense of numbing shock to the populace Far from meeting the relief needs of the poor the Liberal public works programme was a first example of how relief policies would themselves lead to mortality Workhouses were swamped with thousands who had subsisted on public works and soup kitchens earlier and who now gathered in ragged crowds Unable to cope workhouse staff were forced to witness hundreds die where they lay outside the walls The next phase of degradation was the clearances or exterminations in popular parlance which took place on a colossal scale From late 1847 an exodus had begun The Famine slowly came to an end from late 1849 but the longer term consequences were to reverberate through future decades **The Graves Are Walking** John Kelly,2012-08-21 Though the story of the potato

famine has been told before it s never been as thoroughly reported or as hauntingly told New York Post It started in 1845 and before it was over more than one million men women and children would die and another two million would flee the country Measured in terms of mortality the Great Irish Potato Famine was the worst disaster in the nineteenth century it claimed twice as many lives as the American Civil War A perfect storm of bacterial infection political greed and religious intolerance sparked this catastrophe But even more extraordinary than its scope were its political underpinnings and The Graves Are Walking provides fresh material and analysis on the role that Britain s nation building policies played in exacerbating the devastation by attempting to use the famine to reshape Irish society and character Religious dogma anti relief sentiment and racial and political ideology combined to result in an almost inconceivable disaster of human suffering This is ultimately a story of triumph over perceived destiny for fifty million Americans of Irish heritage the saga of a broken people fleeing crushing starvation and remaking themselves in a new land is an inspiring story of revival Based on extensive research and written with novelistic flair The Graves Are Walking draws a portrait that is both intimate and panoramic that captures the drama of individual lives caught up in an unimaginable tragedy while imparting a new understanding of the famine s causes and consequences Magisterial Kelly brings the horror vividly and importantly back to life with his meticulous research and muscular writing The result is terrifying edifying and empathetic USA Today *Ireland's Great Famine and Popular Politics* Enda Delaney, Breandán Mac Suibhne, 2015-11-19 Ireland s Great Famine of 1845 52 was among the most devastating food crises in modern history A country of some eight and a half million people lost one million to hunger and disease and another million to emigration According to land activist Michael Davitt the starving made little or no effort to assert the animal s right to existence passively accepting their fate But the poor did resist In word and deed they defied landlords merchants and agents of the state they rioted for food opposed rent and rate collection challenged the decisions of those controlling relief works and scorned clergymen who attributed their suffering to the Almighty The essays collected here examine the full range of resistance in the Great Famine and illuminate how the crisis itself transformed popular politics Contributors include distinguished scholars of modern Ireland and emerging historians and critics This book is essential reading for students of modern Ireland and the global history of collective action

The Great Famine Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has be much more evident than ever. They have the capability to inspire, provoke, and ignite change. The Great Famine Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Great Famine has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great Famine has opened up a world of possibilities. Downloading The Great Famine provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great Famine has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great Famine. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great Famine. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great Famine, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Great Famine has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Great Famine Books

What is a The Great Famine PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a The Great Famine PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a The Great Famine PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a The Great Famine PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a The Great Famine PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
