The Great Hunger Patrick Kavanagh, Tom Mac Intyre, 1988 Includes both the poem and the play with textual notes and a critical essay about the works

New York Magazine, 1988-03-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Fifty Key Irish Plays Shaun Richards, 2022-08-25 Fifty Key Irish Plays charts the progression of modern Irish drama from Dion Boucicault's entry on to the global stage of the Irish diaspora to the contemporary dramas created by the experiences of the New Irish Each chapter provides a brief plot outline along with informed analysis and alert to the cultural and critical context of each play an account of the key roles that they played in the developing story of Irish drama While the core of the collection is based on the critical canon including work by J M Synge Lady Gregory Teresa Deevy and Brian Friel plays such as Tom Mac Intyre's *The Great Hunger* and ANU Productions *Laundry* which illuminate routes away from the mainstream are also included With a focus on the development of form as well as theme the collection guides the reader to an informed overview of Irish theatre via succinct and insightful essays by an international team of academics This invaluable collection will be of particular interest to undergraduate students of theatre and performance studies and to lay readers looking to expand their appreciation of Irish drama

All Dressed Up Joan FitzPatrick Dean, 2014-11-25 In the early twentieth century publicly staged productions of significant historical political and religious events became increasingly popular and increasingly grand in Ireland These public pageants a sort of precursor to today's opening ceremonies at the Olympic games mobilized huge numbers of citizens to present elaborately staged versions of Irish identity based on both history and myth Complete with marching bands costumes fireworks and mock battles these spectacles were suffused with political and national significance Dean explores the historical significance of these pageants explaining how their popularity correlated to political or religious imperatives in twentieth century Ireland She uncovers unpublished archival findings to present scripts programs and articles covering these events The book also includes over thirty photographs of pageants program covers and detailed designs for costumes to convey the grandeur of the historical pageants at the beginning of the century and their decline in production standards in the 1970s and 1980s Tracing the Irish historical pageant phenomenon through the twentieth century Dean presents a nation contending with the violence and political upheaval of the present by reimagining the past

The Methuen Drama Guide to Contemporary Irish Playwrights Martin Middeke, Peter Paul Schnierer, 2010-08-10 The Methuen Drama Guide to Contemporary Irish Playwrights is an authoritative guide to the work of twenty five playwrights from the last 50 years whose work has helped to shape and define Irish theatre Written by a team of international scholars it provides an illuminating survey and analysis of each writer

s plays and will be invaluable to anyone interested in studying or teaching contemporary Irish drama The playwrights examined range from John B Keane Brian Friel and Tom Murphy to the crop of writers who emerged in the 1990s and who include Martin McDonagh Marina Carr Emma Donoghue and Mark O Rowe Each essay features a biographical sketch and introduction to the playwright a discussion of their most important plays an analysis of their stylistic and thematic traits the critical reception and their place in the discourses of Irish theatre a bibliography of texts and critical material With a total of 190 plays discussed in detail over half of which were written during the 1990s and 2000s The Methuen Drama Guide to Contemporary Irish Playwrights is unrivalled in its study of recent plays and playwrights **Heathcliff and the Great**

Hunger Terry Eagleton,1995 Heathcliff and the Great Hunger examines Irish culture from Swift to Joyce in the light of the tortuous often tragic history that conditioned it **Border States in the Work of Tom Mac Intyre** Catriona

Ryan,2012-01-17 This work analyses the prose and drama of the Irish writer Tom Mac Intyre and the concept of paleo postmodernism It examines how Mac Intyre balances traditional themes with experimentation which in the Irish literary canon is unusual This book argues that Mac Intyre s position in the Irish literary canon is an idiosyncratic one in that he combines two contrary aspects of Irish literature between what Beckett terms as the Yeatsian antiquarians who valorize the Victorian Gael and the others whose aesthetic involves a European influenced breakdown of the object which is associated with Beckett Mac Intyre s experimentation involves a breakdown of the object in order to uncover an unconscious Irish mythological and linguistic space in language His approach to language experimentation is Yeatsian and this is what the author terms as paleo postmodern Thus the project considers how Mac Intyre incorporates Yeatsian revivalism with postmodern deconstruction in his drama and short stories A Companion to Modern British and Irish Drama, 1880 - 2005

Mary Luckhurst,2008-04-15 This wide ranging Companion to Modern British and Irish Drama offers challenging analyses of a range of plays in their political contexts It explores the cultural social economic and institutional agendas that readers need to engage with in order to appreciate modern theatre in all its complexity An authoritative guide to modern British and Irish drama Engages with theoretical discourses challenging a canon that has privileged London as well as white English males and realism Topics covered include national regional and fringe theatres post colonial stages and multiculturalism feminist and queer theatres sex and consumerism technology and globalisation representations of war terrorism and trauma

Performing the Body in Irish Theatre B. Sweeney,2008-02-14 This title examines the representation of the body in Irish theatre alongside the specific circumstances within which Irish theatre is performed incorporating issues of gender and embodiment and the performance of Irishness and tradition The author contextualizes the body in Irish theatre and includes in depth analysis of five key productions **Tradition and Influence in Anglo-Irish Poetry** Terence Brown,Nicholas Grene,1989-06-18 A collection of essays presenting an insider view of the Irish poetic tradition It brings together some of the best known poets and critics writing in Ireland today exploring the multiple traditions and influences within Anglo Irish

poetry from the 19th century to the present **The Cambridge Companion to Irish Poets** Gerald Dawe, 2018 A fresh accessible and authoritative study that conveys the richness and diversity of Irish poets their lives and times *Hunger on the Stage* Elisabeth Angel-Perez, Alexandra Poulain, 2009-10-02 In his short story *The Hunger Artist* Kafka imagined the theatrical career of a professional faster whose performance consists merely in displaying his own starving body before an avid audience Kafka thus paradoxically suggested that hunger mere emptiness working its way through declining bodies may be a privileged theatrical object Hunger often signals an anchorage in socio historical reality and invites extreme situations on stage articulating large scale cataclysms famines the devastation of war with personal tragedies hunger strikes anorexia etc in which characters experience the tenuousness of their own lives Whether in the comic or in the tragic mode staged hunger metaphorizes various kinds of starvation material greed spiritual emotional sexual starvation and even linguistic insufficiency This volume explores the aesthetic and ethical issues raised by hunger on the stage in the English speaking world It investigates the paradox of the hypervisibility of the thinning body and shows how throughout history hunger has given shape to innovative powerfully transgressive dramaturgies **Literature and the Irish Famine 1845-1919** Melissa Fegan, 2002-08-08 The impact of the Irish famine of 1845 1852 was unparalleled in both political and psychological terms The effects of famine related mortality and emigration were devastating in the field of literature no less than in other areas In this incisive new study Melissa Fegan explores the famine s legacy to literature tracing it in the work of contemporary writers and their successors down to 1919 Dr Fegan examines both fiction and non fiction including journalism travel narratives and the Irish novels of Anthony Trollope She argues that an examination of famine literature that simply categorizes it as minor or views it only as a silence or an absence misses the very real contribution that it makes to our understanding of the period This is an important contribution to the study of Irish history and literature sharply illuminating contemporary Irish mentalities **R. S. Thomas** Daniel Westover, 2011-09-15 R S Thomas 1913 2000 is the most recognizable literary figure in twentieth century Wales His controversial politics and public personality made him a cultural icon during his life and the merits of his poetry have continued to be debated in the years after his death Yet these debates have too often circled familiar ground returning to the assumed personality of the poet or to the received narrative of his experience Even the best studies have focused almost exclusively on ideas and themes As a result the poetry itself has frequently been marginalized This book argues that Thomas s reputation must be grounded in poetry not personality Unlike traditional literary biography which combines historical facts with the conventions of narrative in an attempt to understand the life of a literary figure this stylistic biography focuses on the essential relationship between the maker and the made object giving priority to the latter R S Thomas began his career by writing sugary derivative lyrics inspired by Palgrave s *Golden Treasury* yet he ended it as a form seeking experimentalist This study guides the reader through that journey tracing Thomas s stylistic evolution over six decades In so doing it asserts a priority not to look at poetry as many have as a way of affirming existing notions about an

iconic R S Thomas but to come to terms with the tensions within him as they reveal themselves in the tensions rhythmic linguistic structural of the poetry itself *Flann O'Brien & Modernism* Julian Murphet, Ronan McDonald, Sascha Morrell, 2014-07-31 Flann O'Brien the ethics and paradoxes of naming parody and homage lies and deception theatricality sexuality technology and transport and the inevitable matter of drink and intoxication Taken together these specific topics construct a mosaic image of O'Brien as an exemplary modernist auteur abreast of all the most salient philosophical and technical concerns affecting literary production in the period immediately before and after World War Two *Charity and the Great Hunger in Ireland* Christine Kinealy, 2013-10-10 The Great Irish Famine was one of the most devastating humanitarian disasters of the nineteenth century In a period of only five years Ireland lost approximately 25% of its population through a combination of death and emigration How could such a tragedy have occurred at the heart of the vast and resource rich British Empire *Charity and the Great Hunger in Ireland* explores this question by focusing on a particular and lesser known aspect of the Famine that being the extent to which people throughout the world mobilized to provide money food and clothing to assist the starving Irish This book considers how helped by developments in transport and communications newspapers throughout the world reported on the suffering in Ireland prompting funds to be raised globally on an unprecedented scale Donations came from as far away as Australia China India and South America and contributors emerged from across the various religious ethnic social and gender divides *Charity and the Great Hunger in Ireland* traces the story of this international aid effort and uses it to reveal previously unconsidered elements in the history of the Famine in Ireland **The Great Irish Famine** Cathal Poirteir, 2023-08-15 This is the most wide ranging series of essays ever published on the Great Irish Famine and will prove of lasting interest to the general reader Leading historians economists and geographers from Ireland Britain and the United States have assembled the most up to date research from a wide spectrum of disciplines including medicine folklore and literature to give the fullest account yet of the background and consequences of the Famine Contributors include Dr Kevin Whelan Professor Mary Daly Professor James Donnelly and Professor Cormac Gr da The Great Irish Famine was the first major series of essays on the Famine published in Ireland for almost fifty years **The Oxford Handbook of Contemporary British and Irish Poetry** Peter Robinson, 2013-09-26 The Oxford Handbook of Contemporary British and Irish Poetry offers thirty eight chapters of ground breaking research that form a collaborative guide to the many groupings and movements the locations and styles as well as concerns aesthetic political cultural and ethical that have helped shape contemporary poetry in Britain and Ireland The book's introduction offers an anthropological participant observer approach to its variously conflicted subjects while exploring the limits and openness of the contemporary as a shifting and never wholly knowable category The five ensuing sections explore a history of the period's poetic movements its engagement with form technique and the other arts its association with particular locations and places its connection with and difference from poetry in other parts of the world and its circling around such ethical issues as

whether poetry can perform actions in the world can atone redress or repair and how its significance is inseparable from acts of evaluation in both poets and readers Though the book is not structured to feature chapters on authors thought to be canonical on the principle that contemporary writers are by definition not yet canonical the volume contains commentary on many prominent poets as well as finding space for its contributors enthusiasms for numerous less familiar figures It has been organized to be read from cover to cover as an ever deepening exploration of a complex field to be read in one or more of its five thematically structured sections or indeed to be read by picking out single chapters or discussions of poets that particularly interest its individual readers *Crossroads: Performance Studies and Irish Culture* Sara Brady, Fintan Walsh, 2009-08-27 The highly performative categories of Irish culture and Irishness are in need of critical address prompted by recent changes in Irish society the arts industry and modes of critical inquiry This book broaches this task by considering Irish expressive culture through some of the paradigms and vocabularies offered by performance studies *New York Magazine* , 1988-03-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
