The King Who Fell John Pople,2017-01-19 It s been called profane offensive and deemed intolerable to consider its literal meaning part of the scriptural canon Such is the hard fought history of the Song of Songs no other book has been so maligned simply for existing in the Bible In truth the Song is exactly as it appears an intensely passionate expression of romantic love ascetic and sexual between two lovers The poetry is structured in two anti symmetric halves a chiasmus The Song s lovers are forever imprinted as timeless emblems for this flawless except godless love and the divine Hand enriches the Song symbolically creating an allegorical overlay with spiritual instruction The literal story line and interwoven allegorical messages coexist effortlessly rooting the Song on Earth does not limit it reaching to Heaven The spiritual lessons imprinted in the Song are simple profound and highly relevant to the 21st century disciple and the manner in which they can be seen to emerge from the symbology fascinating

The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love

Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other [Catalog of Copyright Entries](#) Library of Congress.
