## **The Great Reversal Ethics And The New Testament:**

**The Great Reversal** Allen Verhey, 1984 Christians today are called to discern the shape and style of a life worthy of the gospel of Christ Even in the face of changing situations and new moral problems to address the contemporary church stands self consciously in a tradition of which the New Testament is a normative part In this major study of New Testament ethics Verhey examines the ethic of Jesus for it is there that the New Testament tradition begins He then analyzes the different forms in which the early church handed down the memory of Jesus s words and deeds in the development of a moral tradition Next he deals with that tradition as it came to canonical expression in the New Testament writings In the last part of the book Verhey focuses on the use of the New Testament in the continuing moral tradition of the church surveying proposals for the use of Scripture identifying the critical methodological questions and defending a modest proposal for the use of Scripture Copyright Libri GmbH All rights reserved **Appealing to Scripture in Moral Debate** Charles H.

Cosgrove, 2002 Arguing from scripture is one of the ways that Christians test their moral judgments But are all methods of appealing to the Bible equally valid and effective In this book Charles Cosgrove looks at the church's long tradition of moral debate and analyzes five important hermeneutical rules that guide contemporary use of scripture in ethical argument After introducing the nature of moral arguments generally Cosgrove devotes one chapter to each of the five rules of biblical interpretation that make ethical appeals to scripture persuasive He sets forth each rule s rationale provides examples of its operation and subjects it to critique Based not only on the work of biblical scholars and Christian ethicists but also on Cosgrove s own experience with debates in classrooms churches and other Christian contexts this volume is a valuable aid to readers who employ moral reasoning in real life settings *The New Testament and Ethics* Joel B. Green, 2013-12-03 This convenient text utilizes material from the well received Dictionary of Scripture and Ethics to introduce students to the use of the New Testament for moral formation This handy and affordable book by book survey of the New Testament contains key articles written by leading scholars and targeted to the needs of the classroom It will serve as an excellent supplementary text in New Testament courses The stellar list of contributors includes Robert Brawley Bruce Chilton Charles Cosgrove David deSilva Victor Paul Furnish and Glen Harold Stassen **Non-Retaliatio**

**Non-Retaliatio in Early Jewish and New Testament Texts** Gordon Zerbe, 2015-01-29 This study examines the varieties and continuities of ethical exhortations and ideals in the Jewish and Christian traditions c 200 BCE 100 CE that fall under the rubric of non retaliation One of the principal conclusions of this thought provoking work is that a critical factor in determining the shape of non retaliatory ethics is whether the exhortation is applied to relations within the local and or elect community or to relations with oppressors of the elect community It becomes apparent also that the non retaliatory ethic of the NT stands solidly in the tradition of non retaliatory ethics in Early Judaism Scripture and Ethics Jeffrey S. Siker, 1997 Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics

and in the process profiling eight influential twentieth century theologians      **From Biblical Criticism to Biblical Faith** William H. Brackney, Craig A. Evans, 2007 From Biblical Criticism to Biblical Faith offers cutting edge essays in the three discipline areas of theological education History and Exegesis Canon and Theology and Christian Life and Ministry      **The Usefulness of Scripture** Daniel Castelo, Sara M. Koenig, David R. Nienhuis, 2018-05-04 Robert Wall began his teaching career at Seattle Pacific University in 1978 Now forty years later and in celebration of his seventieth birthday colleagues and former students have gathered to produce this volume in honor of their friend and teacher The results are sure to delight all of those who have studied under or been friends of Professor Wall The essays are grouped under two general themes theology and methodology with an emphasis on Wesleyan biblical hermeneutics canonical perspectives and the implications of these approaches for church life and work and biblical texts themes especially with a view to the relationship of the study of Scripture to the life of the Christian In both of these areas the contributions bear in mind Wall's conviction that academic study and spiritual life need not in fact should not be kept apart The contributors to this volume include Frank Anthony Spina Andrew Knapp Shannon Nicole Smythe Daniel Castelo Anthony B Robinson Eugene E Lemcio Sara M Koenig Jack Levison Laura C S Holmes John Painter and Stephen E Fowl      *Mission as Transformation* Vinay Samuel, Chris Sugden, 2009-03-06 Centered on the rule of Christ over the whole of life explores multiple aspects of holistic ministry including proclamation evangelism and social transformation      Theology and Literature: Rethinking Reader Responsibility G. Luke Post, 2023-02-28 Despite the longstanding debate surrounding the relationship between faith and good works in the apostle Paul's writings no one to date has undertaken a thorough examination of Paul's use of good terminology in ethical contexts This study seeks to fill this gap by examining Paul's use of and as these terms appear in his undisputed epistles and in 2 Thessalonians Surveying a wide terrain of exegetical territory T Luke Post makes a compelling case that believers doing good is a primary aim of Paul's theological social and ethical agenda      **Life on the Line** John Frederic Kilner, 1992 In today's society where life and death are increasingly becoming matters of choice life is on the line Kilner explores topics such as active and passive euthanasia suicide quality of life living wills and the criteria for deciding who will receive access to vital treatments that cannot be provided to all Contrasts a Biblically grounded ethics with other ethical approaches commonly employed today      *Dictionary of Scripture and Ethics* Joel B. **Christology** Joel B. Green, Max Turner, 1994-03 The problem of the historical Jesus remains one of the most important themes in New Testament scholarship Closely related to this problem is the question How far can the impact made by the earthly Jesus and his own self understanding sustain the weight of the Christological construction put upon them by the early church The thirty outstanding essays in this volume offer a fresh assessment of a wide range of New Testament data and methods pertinent to our understanding of Jesus and his significance both in his time and ours **Luke** Justo L.
