The Great Singers:

How to Sing Like the Great Singers Robin Hendrix, 2015-12-11 This book sets out the means by which the great singers of the operatic and concert stage cultivated and maintained their beautiful voices and describes how a motivated singer can arrive at the same results. How to Sing Like the Great Singers was written by a singer with a passion for singing and a love for singers. It describes the ancient singing technique so simply and logically that even the most inexperienced of singers can make wonderful progress. It combines all of the relevant practices common across the published literature on singing from the turn of the last century, the Golden Age of Singing, synthesises the technique and explains how and why the elements work. Elements of the technique are presented with numerous substantiating quotes from the great singers themselves, giving the highest level of credibility to what is being said. Readers will get a glimpse into their lives and their work. Included is an annotated bibliography so that readers who wish to can follow the path the author took to get to know more about the work of the great singers. Mezzo soprano Robin Hendrix is a concert artist and voice teacher living in the south of France. Although she sings in many genres including legitimate musical theatre, she always uses the singing technique of the great singers. In the preface, she talks about her experience of hitting the wall in middle age when it became increasingly difficult to rehearse her usual concert repertoire. Finding no help from gurus or experts, she set out on her own to find the secrets of a free and easy production of the lyric voice. By a lucky circumstance, she stumbled upon a book that explained that most singers today are not being taught the technique of the great singers. After that, it became an obsession to find out as much as possible about the real technique of singing. She needed answers from the best possible sources and so she went directly to the great singers and teachers from the late 1890s to the 1930s. In their books and recorded interviews, the great singers and teachers generously shared their ideas on singing, particularly on the technique they all used: one that used pure vowels and an extraordinary level of relaxation. This book is based on seven years of research into many dozens of books on voice culture as well as endless hours of recordings and video clips from live performances, studio recordings, master classes and interviews. The research involved extracting the elements common to all the books and recordings and then testing them in practice in concert and in teaching. The results were remarkable. This book takes the mystery out of tried and true phrases whose meanings were lost with the passing of time. Concepts such as singing on the breath, silent breathing attack and clear vowels are explained in terms a singer can immediately understand and replicate. Readers can have confidence in trying for themselves the simple but extremely effective ideas and exercises for liberating and beautifying the voice. The great singers' technique is almost unknown in many of today's voice studios, but 130 years ago it was the standard technique for voice formation and voice culture. The ideas were all but lost after the turn of the 20th century when a scientific mechanical approach replaced tried and true singing practices. This book attempts to bring back the technique that served the great singers so well. When singers try the basic elements for the first time, they immediately experience the benefits and with

further effort they get lasting results beauty and ease in singing As the Great Singers and teachers of the golden age of singing often said we can ALL sing well if the desire and the right knowledge can come together This book can provide the right knowledge **The Great American Popular Singers** Henry Pleasants,1985 **Great Singers** George T. Ferris,2020-07-17 Reproduction of the original Great Singers by George T Ferris **Great Singers** Denes Striny,2012-07-10 This book supplies detailed explanations for young singers teachers and professional singers with troubled voices Striny s previous book Head First discussed this process but without specific instructions to accomplish the task This completely original process was conceived by Striny to correct major problems in his voice that had been caused by two separate voice teachers The content of the process and the suggested duration of time duplicate exactly what his self study called for in both cases Readers will feel in tune with a philosophy generated through this endeavor which cements self confidence and self esteem with the attained accomplishments It permits you to do your tasks without overt manipulation *A Biographical Guide to the Great Jazz and Pop Singers* Will Friedwald,2010-11-02 Will Friedwald s illuminating opinionated essays provocative funny and personal on the lives and careers of more than three hundred singers anatomize the work of the most important jazz and popular performers of the twentieth century From giants like Ella Fitzgerald Louis Armstrong Frank Sinatra and Judy Garland to lesser known artists like Jeri Southern and Joe Mooney they have created a body of work that continues to please and inspire Here is the most extensive biographical and critical survey of these singers ever written as well as an essential guide to the Great American Songbook and those who shaped the way it has been sung The music crosses from jazz to pop and back again from the songs of Irving Berlin and W C Handy through Stephen Sondheim and beyond bringing together straightforward jazz and pop singers Billie Holiday Perry Como hybrid artists who moved among genres and combined them Peggy Lee Mel Torm the leading men and women of Broadway and Hollywood Ethel Merman Al Jolson yesterday s vaudeville and radio stars Sophie Tucker Eddie Cantor and today s cabaret artists and hit makers Diana Krall Michael Bubl Friedwald has also written extended pieces on the most representative artists of five significant genres that lie outside the songbook Bessie Smith blues Mahalia Jackson gospel Hank Williams country and western Elvis Presley rock n roll and Bob Dylan folk rock Friedwald reconsiders the personal stories and professional successes and failures of all these artists their songs and their performances appraising both the singers and their music by balancing his opinions with those of fellow musicians listeners and critics This magisterial reference book ten years in the making will delight and inform anyone with a passion for the iconic music of America which continues to resonate throughout our popular culture **Great Singers on the Art of Singing** James Francis Cooke,2019-11-26 In Great Singers on the Art of Singing James Francis Cooke intricately weaves the voices of renowned vocalists and their insights creating a rich tapestry that explores the technical and emotional dimensions of singing The book presents a blend of interviews and critical commentary showcasing an array of celebrated artists who illuminate the nuances of vocal performance and artistry Cooke s literary style is both engaging and

pedagogical guiding readers through the labyrinth of vocal coaching interpretation and the psychology behind performance Set against the backdrop of early 20th century musicology this work serves as an invaluable resource for aspiring singers and enthusiasts alike offering glimpses into the minds of figures who have shaped the art form James Francis Cooke an esteemed musicologist and writer dedicated much of his life to exploring performance art from a scholarly perspective He possessed a profound appreciation for vocal music likely influenced by his engagements with various artists and his academic background in music theory and performance Cooke s deep understanding of the art form complemented by his firsthand experiences allowed him to compile a comprehensive view of singing that transcends mere technicalities For anyone passionate about music whether they are performers educators or connoisseurs **Great Singers on the Art of Singing** is an essential read Cooke s thoughtful curation and analysis not only enrich the reader s understanding of vocal art but also celebrate its emotive power making it a timeless exploration of an ancient craft

Great Singers, Second Series George T. Ferris, 2019-12-16 In **Great Singers Second Series** George T Ferris embarks on a compelling exploration of the lives and careers of prominent vocalists who have shaped the landscape of opera and popular music Through a blend of biographical sketches and critical analysis Ferris employs a narrative style that is both accessible and richly detailed revealing the personal and artistic challenges faced by each singer The book is situated within a broader literary context of musicology in the late 19th and early 20th centuries reflecting societal changes and the evolving taste for different musical genres thus providing readers not only with entertainment but also with a deep understanding of the cultural importance of these artists George T Ferris an accomplished critic and musicologist possessed a keen insight into the musical zeitgeist of his time His extensive background in music criticism and his passion for the arts profoundly shaped his perspective Ferris s works illustrate the intersection of music and life suggesting how personal experiences influenced the artistic trajectories of the singers he portrays His commitment to capturing the artistry and humanity of these figures is evident as he brings to life the complexities behind their successes This book is a must read for music enthusiasts students and scholars alike offering insightful perspectives on the interplay of talent perseverance and the societal influences that have defined the careers of some of history s most renowned vocalists Ferris s engaging prose and meticulous research will deepen your appreciation for the art of singing and the extraordinary individuals behind it

The Singers Talk Jason Thomas Gordon, 2023-09-05 A groundbreaking collection of inspiring and instructive conversations about the beauty brutality discipline and technique of being a successful singer This is a captivating look at both the nitty gritty preparation and emotional energy that it takes for artists to stand up to that mic reach down into their guts and give everything they ve got for the sake of the song Its star power and up close revelatory detail will keep readers riveted from start to finish Publishers Weekly starred review For all of the conversations we have about music there is precious little talk about the art of communicating emotion and meaning via the human voice **The Singer s Talk** remedies this by reaching out to a wide range of different singers who speak insightfully

about both the skill and the magic required to change minds and break hearts Steven Hyden author of *Twilight of the Gods* and other books These revelatory frequently funny and deeply engrossing in depth interviews provide fans and aspiring singers a backstage pass to the challenges every vocalist faces onstage and in the studio Packed with never before heard stories *The Singers Talk* reveals a truly intimate side to these iconic personalities while offering a master class on how the best in their field keep their vocal cords in shape and protect themselves on the road along with countless other tricks techniques strategies and philosophies to help vocalists at every level perfect the craft of singing This is the most geeked out I ve ever talked about my voice Thom Yorke This historic roster of artists includes Bryan Adams Tony Bennett Nick Cave Chuck D Roger Daltrey Joe Elliott Emmylou Harris Brittany Howard Chrissie Hynde Norah Jones Simon Le Bon Geddy Lee Willie Nelson Stevie Nicks Ozzy Osbourne Steve Perry Lionel Richie LeAnn Rimes Smokey Robinson Robert Smith Bruce Springsteen Mavis Staples Rod Stewart Paul Stanley Michael Stipe Jeff Tweedy Roger Waters Dionne Warwick Ann Wilson Thom Yorke and many more Additionally the book features conversations about legendary voices no longer with us such as Butch Vig on Kurt Cobain Clive Davis on Whitney Houston Nile Rodgers on David Bowie and Jimmy Iovine on Tom Petty Singing is so much more than hitting the right note It s about connecting with the audience connecting with something divine to a certain degree It s connecting to your most primitive and deepest intuition and to your nature as a human on this planet Karen O More than just an indispensable guide for singers of any level *The Singers Talk* is an unforgettable read for music fans everywhere All royalties from *The Singers Talk* will benefit the kids and families at St Jude Children s Research Hospital through their Music Gives to St Jude Kids campaign

Great Singers on the Art of Singing Harriette Brower, James Francis Cooke, 1996-01-01 Wonderful compilation of advice and instruction from operatic immortals Nellie Melba on voice training and preservation Alma Gluck on building a vocal repertoire Geraldine Farrar on the will to succeed plus contributions from Caruso Galli Curci Garden Lehmann many more Indispensable for singers and any opera lover Cooke long time editor of *Etude Magazine* provides an Introduction 24 photographs

Great Singers, First Series George T. Ferris, 2019-12-16 In *Great Singers First Series* George T Ferris offers an insightful exploration of the lives and careers of prominent vocal artists capturing their artistic journeys and contributions to the realm of music Written in a biographical style rich with anecdote and critical analysis the work not only chronicles the achievements of these singers but also contextualizes their influence within the broader narrative of 19th century opera and concert performance Ferris employs a vivid engaging prose that interlaces personal stories with detailed accounts of performances creating a compelling portrait of the passion and dedication that characterized the era s musical landscape George T Ferris a musicologist and critic possessed a profound appreciation for the performing arts which is evident in his meticulous research and passionate writing His experiences as a critic and a connoisseur of music likely informed his desire to document and preserve the legacies of these remarkable singers shedding light on their artistry during a time when vocal performance was undergoing significant transformation

Ferris's background allows him to deftly interweave critical perspective and lyrical admiration enhancing the reader's understanding of each artist's impact. I highly recommend *Great Singers First Series* to any music enthusiast or scholar seeking to immerse themselves in the historical tapestry of vocal artistry. Ferris's well-researched and eloquent narrative not only celebrates the illustrious careers of these singers but also serves as a vital resource for understanding the evolution of classical singing in the broader cultural context. This book is indispensable for those who wish to grasp the significance of these artists in shaping the music we appreciate today.

Famous Singers of To-day and Yesterday Henry Charles Lahee, 2023-10-04 In *Famous Singers of To-day and Yesterday* by Henry Charles Lahee, readers are taken on a captivating journey through the lives and careers of renowned vocalists from different eras. Lahee's detailed exploration of each singer's unique style and influence provides valuable insights into the development of vocal performance over time. Through engaging narratives and critical analysis, the book offers a comprehensive look at the impact these artists have had on the world of music. Lahee's scholarly approach to storytelling enriches the reading experience and places each singer within their appropriate literary context. The book is a rich tapestry of musical history that will appeal to both scholars and music enthusiasts alike. Henry Charles Lahee, a respected music historian and critic, draws on his vast knowledge and experience to bring these famous singers to life in his book. His passion for music and dedication to preserving its legacy shine through in his meticulous research and compelling writing style. Lahee's expertise in the field makes *Famous Singers of To-day and Yesterday* a must-read for anyone interested in the evolution of vocal performance and the contributions of prominent singers. I highly recommend *Famous Singers of To-day and Yesterday* to readers who appreciate a well-crafted blend of music history, biography, and critical analysis. Lahee's insightful exploration of famous singers offers a fascinating glimpse into the world of vocal performance and its enduring influence on the cultural landscape.

Great Singers ... George Titus Ferris, 1895

Each chapter is dedicated to a different artist, detailing their rise to stardom, their signature styles, and their lasting impact on music and culture.

Famous Singers of To-day and Yesterday Henry Charles Lahee, 1898

Singing Dan Marek, 2007 *The Italian singing technique: Bel Canto* instructs. He who knows how to breathe and how to pronounce knows how to sing. *Singing: The First Art* incorporates the techniques of Bel Canto along with those of masters like Berton Coffin and Manuel Garcia to promote and facilitate vocal excellence. Many concepts are described from correct posture and alignment to improving and maintaining proper breathing.

from good pronunciation and diction to producing an even pure tone and from vocal ranges to singing within and smoothly shifting between vocal registers Mannes Vocal Faculty member Dan H Marek effectively breaks down these complicated concepts with clear exercises helping the vocal student to achieve freedom and complete control over his or her instrument A primary section on the history of singing stresses the importance of understanding vocal history while inspiring and motivating the student through the experiences of opera stars such as Enrico Caruso Maria Callas and Jussi Björling The second section explains vocal techniques including the use and proper pronunciation of the IPA International Phonetic Alphabet and provides 64 specific exercises with clearly defined goals designed to overcome faults and to develop vocal virtuosity Complete instructions for transposing the exercises for both male and female voices are included as well as drawings of the exercises musical examples from vocal literature excellent anatomical illustrations by Frank Netter MD and copious photographs of opera stars Singing The First Art is an invaluable text for students professionals singers conductors composers and vocal medical professionals or anyone interested in understanding and appreciating the vocal art **Singers of the Century** J. B. Steane, 1996 In his previous books about singers John Steane has taken for his subject the art of singing as heard on records The Grand Tradition and in the flesh in opera houses and concert halls Voices Singers and Critics Here in Singers of the Century he turns to the singers themselves seeing how their art develops with the opportunities of their professional lives with chance and design playing their part and all likely to be at the mercy of some quirk of taste or character Each study is a carefully worked vignette and the book is illustrated throughout with photographs and memorabilia many never before published Singers of the Century will appeal to all those with a love of singing and of music writing at its best *Great Singers, from the Seventeenth Century to the Present Day* Kurt Pahlen, 1974 The most beautiful of man's instruments is said to be his own voice This book draws together every facet of the art of singing and shows the relationship between song and the art forms which have used it particularly the opera The author shows how the long established Bel Canto style of the Italians was challenged in the nineteenth century by the singing actor who introduced a greater psychological depth to his roles and progresses to the work of Gustav Mahler at the Vienna Court Opera during 1897 through 1907 perhaps the high point of ensemble productions This book orchestrates for the reader the operatic successes of the twenties and thirties and finally the new generation of talented singers who revived worldwide interest in opera after the war

While this might not be the The Great Singers full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Great Singers eBooks, including some popular titles.

FAQs About The Great Singers Books

What is a The Great Singers PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a The Great Singers PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating

systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Great Singers PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Great Singers PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Great Singers PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
