remote island which was squabbled over by colonial powers much as Captain Flint's treasure was contested by the mongrel crew of the Hispaniola In 1890 Stevenson settled in Upolu an island in Samoa after two years sailing round the South Pacific He was given a Samoan name and became a fierce critic of the interference of Germany Britain and the U S A in Samoan affairs a stance that earned him Oscar Wilde's sneers and brought him into conflict with the Colonial Office who regarded him as a menace and even threatened him with expulsion from the island Joseph Farrell's pioneering study of Stevenson's twilight years stands apart from previous biographies by giving as much weight to the Samoa and the Samoans their culture their manners their history as to the life and work of the man himself For it is only by examining the full complexity of Samoa and the political situation it faced as the nineteenth century gave way to the twentieth that Stevenson's lasting and generous contribution to its cause can be appreciated
