Rusling, Across America The Great West and the Pacific Coast Across America from New York to San Francisco may be roughly estimated as three thousand miles The first third of this occupied us only about three days and three nights though the whole trip consumed just less than a twelve month From New York to St Louis via Cincinnati was our first stage and of course by railroad We left New York Tuesday July 24 1866 by the Erie Railway and on the following Thursday afternoon reached St Louis in time for a late dinner Tarrying here a day or two to pick up some information about the Plains we passed on to Leavenworth and thence after a longer pause to Fort Riley The Union Pacific Railroad Eastern Division or Kansas Pacific as it is now generally called halted then at Waumega some thirty miles from Fort Riley whence we reached Riley by stage coach The coach itself was a lumbering weather beaten vehicle with sorry teams of horses it was a hot August afternoon with rolling clouds of dust we had nine passengers inside and three outside with freight

and baggage everywhere and altogether this little stage ride was a good initiation into the mysteries and miseries of stage coaching across the continent From New York to St Louis is already a series of towns and cities with the country as a whole well settled up for America The Great West it is soon seen is no longer the valley of Ohio and the prairies of Illinois It has long since crossed the Mississippi and emigrated beyond the Missouri What used to be called the West has already become the centre and out west now means Kansas or Colorado if anything at all The Erie road with its broad gauge coaches takes you through the picturesque as well as rich and fertile regions of northern New Jersey and western New York whence the ride through Ohio down the lovely valley of the Miami to Cincinnati is substantially as through a garden Over much of this region it is plain to be seen New England has left her mark never to be effaced Her school houses and churches her intelligence and thrift are all reproduced only slightly westernized and one can see that he is in Yankee land still at a glance You might know it by the omnipresence of white paint and green blinds if nothing else You see it in the average inhabitant and detect it in his speech And yet it is Yankee land with enlarged freedom and independence of thought and action and therefore doubly welcome Southern Indiana and Illinois you find rapidly filling up but they still seem much behind that sunny heart of Ohio the Miami Valley Populated largely by the overflow from Kentucky and Tennessee chiefly the poor whites of those former slave states the results are everywhere unmistakable Evidently even to the passing traveller the average Hoosier or Sucker as yet is much behind the average Buckeye and he will find it a hard task to overtake him The lineal descendant of the Cavalier and the Corncracker how can he expect to compete successfully with the regular representative of the Roundhead and the Yankee Cincinnati and St Louis strike you as large and growing cities but they do not impress you like Chicago at least as she did before the great fire They seem to have taken Quaker Philadelphia as their type and model rather than buoyant New York Many of their streets you find similarly named and a like atmosphere pervades much of their business In talking with their magnates of trade and finance you note a conservative tone that ill accords with your ideas of the West and you are inclined to wonder whether the far famed push and pluck of that romantic region are not myths after all Buffalo and Toledo Cleveland and Chicago however would soon undeceive you especially Chicago The push and drive the enterprise and elan of New York that are reproduced so well along our northern tier of cities all culminated at Chicago at least before the fire until she seemed New York incarnate or even intensified The metropolis and brain of the northwest how a day in her busy streets braced and inspired one With all her brave memories of the past no wonder she still believes enthusiastically in herself and even in her ashes doubted not her future
