The Greatest King:

The State of the Greatest King Set Forth in the Greatness of Solomon and the Glory of His Reign ... Viz. That Solomon's Kingdom was the Most Pleasant, Most Flourishing ... in the World ... And Because Different Kinds of Gold and Silver Hath Been Frequently Mentioned in this Book, ... a Short Treatise is Subjoyned ... Concerning the Same, Etc George Renolds,1721

The Greatest King in the World. By E. P. ,1892 *The Greatest King in the World* ,1892 **The Great King** Christian Cameron,2014-01-02 The heroic story of Arimnestos of Plataea continues a thrilling historical adventure set amid the epic struggle between Greece and Persia perfect for fans of the blockbusting film 300 Slave pirate husband and lover Arimnestos of Plataea has been many things in the course of his life But men remember him best as one of the heroes of the Battle of Marathon the epic victory that prevented all of Greece from falling under the Persian yoke But now there is a new Great King on the throne determined to succeed where his father failed As rumours abound of a vast Persian invasion an embassy is sent to forestall the threat Arimnestos is chosen to escort them an honour he can hardly refuse But as the storm clouds of war gather and factions on both sides begin to weave their treacherous plots Arimnestos journey begins to look more and more like a suicide mission *The Children of the Great King* Matilda Horsburg,2022-03-31 Reprint of the original first published in 1865 A tale of the Crimean war **The Army of the Great King** John M. Orrock,1855 *A Message from the Great King* R. Michael Fox,2015-11-16 The academy has not been kind to Malachi Indeed some of the most influential and seminal studies on the book denigrate its style message and overall artistry This negative assessment proves extensive in the history of scholarship Furthermore the studies demonstrating a more positive assessment of Malachi do so without offering serious challenges to these long standing denigrations Complicating the matter is the observation that critical study has proffered numerous suggestions for what Malachi contains while failing to provide a viable model of what Malachi actually is A Message from the Great King presents serious challenges to the guild s prior assessments and conclusions about the book Through an interdisciplinary approach that synthesizes insights from literary theory thorough historical reconstruction and a close reading of the biblical text R Michael Fox makes a formidable case that a root messenger metaphor pervades the entire text of Malachi Viewed and read through this new lens Malachi s artistry becomes more readily apparent and its theological message more intense and demanding A Message from the Great King provides serious reassessment of the academy s long standing denigrations of the book and a compelling answer to what Malachi actually is Accompanying these insights into Malachi are new methodological procedures and exercises that merit further attention and reflection **Stories About the Great King** W. Ollenburger,1987-07-01 While previous research has illuminated the origins and development of the Zion tradition this book is the first to make a thorough study of Zion as a theological symbol within the larger Jerusalem cult tradition Drawing primarily on the Psalms and Isaiah of Jerusalem Ollenburger shows that Zion serves pre eminently to symbolize the kingship of Yahweh on Zion as creator and defender of world order As such Zion serves also to symbolize security and refuge particularly for the poor This study constitutes a powerful argument against the tendency of Old Testament theologians to devalue the cosmic Zion symbolism in favour of the historical theology of the exodus especially when assessing the contemporary import of Old Testament theology Zion symbolism is anything but an ideological tool legitimating a self sufficient and self serving monarchy Instead it serves as the basis for a radical critique of the projects and pretensions of Judah s royal court **The Palace of the Great King: Or, the Power, Wisdom, and Goodness of God Illustrated in the Multiplicity and Variety of His Works** Hollis Read,1860

The Priest and the Great King Lisbeth S. Fried,2004-01-01 The wars that periodically engulfed the Levant in the fourth century temporarily pulled the ruling governors and satraps away from Judah and during these times the Judaeen priesthood may have capitalized on the brief absence of Persian officials to mint coins but they achieved their longed for independence only much later under the Maccabees BOOK JACKET *The greatest king in the world [Jesus Christ]* by E.P. Alexander the Great Philip Freeman,2011-01-04 In the first authoritative biography of Alexander the Great written for a general audience in a generation classicist and historian Philip Freeman tells the remarkable life of the great conqueror The celebrated Macedonian king has been one of the most enduring figures in history He was a general of such skill and renown that for two thousand years other great leaders studied his strategy and tactics from Hannibal to Napoleon with countless more in between He flashed across the sky of history like a comet glowing brightly and burning out quickly crowned at age nineteen dead by thirty two He established the greatest empire of the ancient world Greek coins and statues are found as far east as Afghanistan Our interest in him has never faded Alexander was born into the royal family of Macedonia the kingdom that would soon rule over Greece Tutored as a boy by Aristotle Alexander had an inquisitive mind that would serve him well when he faced formidable obstacles during his military campaigns Shortly after taking command of the army he launched an invasion of the Persian empire and continued his conquests as far south as the deserts of Egypt and as far east as the mountains of present day Pakistan and the plains of India Alexander spent nearly all his adult life away from his homeland and he and his men helped spread the Greek language throughout western Asia where it would become the lingua franca of the ancient world Within a short time after Alexander s death in Baghdad his empire began to fracture Best known among his successors are the Ptolemies of Egypt whose empire lasted until Cleopatra In his lively and authoritative biography of

Alexander classical scholar and historian Philip Freeman describes Alexander's astonishing achievements and provides insight into the mercurial character of the great conqueror. Alexander could be petty and magnanimous, cruel and merciful, impulsive and farsighted. Above all, he was ferociously intensely competitive and could not tolerate losing, which he rarely did. As Freeman explains, without Alexander, the influence of Greece on the ancient world would surely not have been as great as it was, even if his motivation was not to spread Greek culture for beneficial purposes but instead to unify his empire. Only a handful of people have influenced history as Alexander did, which is why he continues to fascinate us. **The Hittites** A. H. Sayce, 2020-08-13. A History of Egypt under the Pharaohs, Derived Entirely from the Monuments Heinrich Karl Brugsch, 2015-05-21. This illustrated two-volume history of Egypt, derived entirely from the monuments, was first published in an English translation in 1879. Brugsch brings to bear his wide experience of the archaeological sites together with his linguistic expertise and deliberately eschews later Greek and Roman accounts of Egypt.
