American Jesus Stephen Prothero,2004-09-18 A Deep Dive into America s Complex Relationship with Jesus There s no denying America s rich religious background belief is woven into daily life But as Stephen Prothero argues in American Jesus many of the most interesting appraisals of Jesus have emerged outside the churches in music film and popular culture and

among Jews Muslims Buddhists and people of no religion at all Delve into this compelling chronicle as it explores how Jesus the carpenter from Nazareth has been refashioned into distinctly American identities over the centuries From his enlistment as a beacon of hope for abolitionists to his appropriation as a figurehead for Klansmen the image of Jesus has been as mercurial as it is influential In this diverse and conflicted scene American Jesus stands as a testament to the peculiar fusion of the temporal and divine in contemporary America Equal parts enlightening and entertaining American Jesus goes beyond being simply a work of history It s an intricate mirror reflecting the American spirit while questioning the nation s socio cultural fabric **Records & Briefs** ,1970 New York Times Saturday Review of Books and Art ,1973
