The Legacy of Alexander A. B. Bosworth, 2002 This set of thematic studies is dedicated to the thirty years after the death of Alexander the Great in 323 BC and forms the prelude to a general history of the period of the Successors Diadochi It begins with an investigation of the Babylon Settlement that sheds new light on the power groups which emerged after Alexander s death and then examines the main social issue of the period the dismemberment of what had been the Macedonian national army A substantial central chapter presents the first detailed study ever attempted of the epic struggle between Antigonus the One Eyed and Eumenes of Cardia 318 316 one of the most important and decisive campaigns of the ancient world This is continued by a close analysis of Seleucus rise to power in Babylonia the foundation of arguably the greatest dynasty of the post Alexander period in which Babylonian documentary evidence is combined with the Greek literary tradition There is a strong emphasis on source analysis with a long essay dedicated to the most important literary figure of the period the statesman and historian Hieronymus of Cardia focusing on his treatment of the ethnographic phenomena of widow burning in ancient India and nomadism among the Nabataean Arabs Finally there is an investigation of the new monarchies which emerged during the period it highlights the factors which brought success and failure in the new age and compares and contrasts the very different experiences of Lysimachus and Demetrius the Besieger The book as a whole reflects the colour and turbulence of this critical period of transition and reveals something of the nature and character of the extraordinary

men and women who created the Hellenistic world BOOK JACKET The Law Relating to Executors and Administrators in the Province of Ontario Rupert Etherege Kingsford,1900 Twenty Thousand Mornings John Joseph Mathews,2012-10-10

When John Joseph Mathews 1894 1979 began his career as a writer in the 1930s he was one of only a small number of Native American authors writing for a national audience Today he is widely recognized as a founder and shaper of twentieth century Native American literature Twenty Thousand Mornings is Mathews s intimate chronicle of his formative years Written in 1965 67 but only recently discovered this work captures Osage life in pre statehood Oklahoma and recounts many remarkable events in early twentieth century history Born in Pawhuska Osage Nation Mathews was the only surviving son of a mixed blood Osage father and a French American mother Within these pages he lovingly depicts his close relationships with family members and friends Yet always drawn to solitude and the natural world he wanders the Osage Hills in search of tranquil swimming holes and new adventures Overturning misguided critical attempts to confine Mathews to either Indian or white identity Twenty Thousand Mornings shows him as a young man of his time He goes to dances and movies attends the brand new University of Oklahoma and joins the Air Service as a flight instructor during World War I spawning a lifelong fascination with aviation His accounts of wartime experiences include unforgettable descriptions of his first solo flight and growing skill in night flying Eventually Mathews gives up piloting to become a student again this time at Oxford University where he begins to mature as an intellectual In her insightful introduction and explanatory notes Susan Kalter places Mathews s work in the context of his life and career as a novelist historian naturalist and scholar Kalter draws on his unpublished diaries revealing aspects of his personal life that have previously been misunderstood In addressing the significance of this posthumous work she posits that Twenty Thousand Mornings will challenge defy and perhaps redefine studies of American Indian autobiography **Genesis of the Salk Institute** Suzanne Bourgeois,2013-08-24 This work is a personal account of the origins and early years of the Salk Institute for Biological Studies Bourgeois crafts an engaging study that draws on her involvement with the Institute and on related archives interviews and informal conversations The volume discusses the people who founded the Institute and built a home for renowned research leading scientists of the time as well as non scientists of stature in finance politics philanthropy publishing and the humanities The events that brought people together the historic backdrop in which they worked their personalities their courage and their visions their clash of egos and their personal vanities are woven together in a rich engaging narrative about the founding of a world premier research institution Our Osage Hills Michael Snyder,John Joseph Mathews,2020-07-24 This revealing book presents a selection of lost articles from Our Osage Hills a newspaper column by the renowned Osage writer naturalist and historian John Joseph Mathews Signed only with the initials J J M Mathews s column featured regularly in the Pawhuska Daily Journal Capital during the early 1930s While Mathews is best known for his novel Sundown 1934 the pieces gathered in this volume reveal him to be a compelling essayist Marked by wit and erudition Mathews s column not only evokes the unique beauty of the

Osage prairie but also takes on urgent political issues such as ecological conservation and Osage sovereignty In *Our Osage Hills* Michael Snyder interweaves Mathews's writings with original essays that illuminate their relevant historical and cultural contexts The result is an Osage-centric chronicle of the Great Depression a time of environmental and economic crisis for the Osage Nation and country as a whole Drawing on new historical and biographical research Snyder's commentaries highlight the larger stakes of Mathews's reflections on nature and culture and situate them within a fascinating story about Osage Native American and American life in the early twentieth century In treating topics that range from sports art film and literature to the realities and legacies of violence against the Osages Snyder conveys the broad spectrum of Osage familial social and cultural history

John Joseph Mathews Michael Snyder, 2017-05-11 John Joseph Mathews 1894-1979 is one of Oklahoma's most revered twentieth-century authors An Osage Indian he was also one of the first Indigenous authors to gain national renown Yet fame did not come easily to Mathews and his personality was full of contradictions In this captivating biography Michael Snyder provides the first book-length account of this fascinating figure Known as Jo to all his friends Mathews had a multifaceted identity A novelist naturalist biographer historian and tribal preservationist he was a true man of letters Snyder draws on a wealth of sources many of them previously untapped to narrate Mathews's story Much of the writer's family life especially his two marriages and his relationships with his two children and two stepchildren is explored here for the first time Born in the town of Pawhuska in Indian Territory Mathews attended the University of Oklahoma before venturing abroad and earning a second degree from Oxford He served as a flight instructor during World War I traveled across Europe and northern Africa and bought and sold land in California A proud Osage who devoted himself to preserving Osage culture Mathews also served as tribal councilman and cultural historian for the Osage Nation Like many gifted artists Mathews was not without flaws And perhaps in the eyes of some critics he occupies a nebulous space in literary history Through insightful analysis of his major works especially his semiautobiographical novel *Sundown* and his meditative *Talking to the Moon* Snyder revises this impression The story he tells of one remarkable individual is also the story of the Osage Nation the state of Oklahoma and Native America in the twentieth century
