The Ground I Walked On:

Walking on Top of the Ground James Gray, 2023-07-25 This book is the product of the author telling and hearing stories over a period of 80 plus years Many of these stories are funny some are sad and some are true Many of these stories are amusing and will take you back to a time when life was difficult yet not complicated The purpose of the book is strictly to entertain the reader not to convey facts or give instructions *GOD who Walked on Earth* Rangaswami

Parthasarathy, 2011-12-30 Who was Sai Baba Where did he come from and what was his message How and why was he worshipped as a God Who were his disciples and why were they attracted to him What do his devotees numbering millions all over the country think of his lilas Have they experienced his compassion and received succour and relief in their hour of need These questions are answered in this biography of a living God who charmed and captured the hearts of people from all walks of life of all religions rich and poor the learned and the illiterate Many books have been written about Sai Baba of Shirdi but this one is different For the first time a comprehensive and objective account of the life and times of Sai Baba is given in simple and easy to understand language without omitting any aspect of Baba s life and his philosophy The book presents an absorbing story of a man who came to Shirdi as a fakir was teased by children and frowned upon by sceptical villagers and remained to reign as a spiritual leader the greatest saint of all times He became a god who walked on earth It is a book which every Sai devotee would like to possess as a Bible of Baba s teachings and a remembrance of the great Master whose idol or portrait adorns the prayer rooms of millions of homes throughout the country *Walking on Holy Ground* Dr.

Antoinette Pinto-Sequeira, 2014-04-15 *Walking On Holy Ground With Persons Suffering From The Alzheimer s Disease* explores the sacredness of the Alzheimer s patients as well as draws the attention of clergy and laymen alike to acknowledge the sanctity of ministering to those suffering with the Alzheimer s disease It is important to recognize the sacredness of man and as such to value his human dignity We must respect and revere everyone we encounter daily irrespective of health conditions and their caste color or creed This maxim of reverencing the sacredness in all persons is the crux of this book This book will help you to minister fruitfully to the Alzheimer s patients and to address their yearning for God and simultaneously provide them with spiritual sustenance This book will undergird the prevalent traditional cognitive pastoral care ministry and help to appropriately meet the spiritual need of these non cognitive patients *Are You Walking on Dry Ground?* Ina Rae

Hudson, 2008-04 Ina Rae Hudson explores these questions in *Are You Walking on Dry Ground* Through a personal question and answer session she researches the details of the Israelites Promised Land Follow their journey as they discover that God is enough and will faithfully fulfill his promise Are you traveling your life journey with the same knowledge Get reacquainted with the one who always provides in *Are You Walking on Dry Ground* *In God's Time: Behold We are Walking on Holy*
