The Doctrine Covenants By Themes:

The Doctrine & Covenants by Themes John Woodland Welch, Jeannie Welch, 1985 **The Theme of Promise in the Epistle to the Hebrews** Daniel Stevens, 2025-04-24 Daniel Stevens analyses the use of the language of divine commitment in the Epistle to the Hebrews arguing that the author distinguishes promise from the cultic language of covenant to sketch a unique mixture of continuity and discontinuity among the people of God across time Stevens stresses through an exegesis of relevant passages that rest is not the primary content of promise nor is it the primary lens through which the other instances of promise language should be understood suggesting instead that the promise is most closely associated with the benefits promised to Abraham and then mediated through the various subsequent covenants He further explores how the divine promise relates to both the Old and New Covenants arguing that Hebrews develops a view of salvation history in which covenants are founded upon promises and then bring those promises to fruition By demonstrating the ways in which this understanding of promise sheds light on the author's hermeneutic and on his method of achieving his hortatory purposes for the epistle Stevens concludes in a reassertion of the consistency of the author's thought regarding promise **Major Themes in the Reformed Tradition** Donald K. McKim, 1998-03-11 A compilation of thirty seven essays outlining and exemplifying Reformed views on the major Christian doctrines and practices As editor Donald McKim notes this volume constitutes the only substantial theological reference tool for studying the major emphases of Reformed theology

Covenant Theology Guy Prentiss Waters, J. Nicholas Reid, John R. Muether, 2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life *The Improvement Era*, 1913 **Latter-day Saint**

Perspectives on Atonement Deidre Nicole Green, Eric D. Huntsman, 2024-01-02 New approaches to a central area of Latter day Saint belief The Church of Jesus Christ of Latter day Saints and other Christians have always shared a fundamental belief in the connection between personal salvation and the suffering death and resurrection of Jesus Christ While having faith in and experiencing the atonement of Christ remains a core tenet for Latter day Saints some thinkers have in recent decades reconsidered traditional understandings of atonement Deidre Nicole Green and Eric D Huntsman edit a collection that brings together multiple and diverse approaches to thinking about Latter day Saint views on this foundational area of theology The essayists draw on and go beyond a wide range of perspectives classical atonement theories and contemporary reformulations

of atonement theory The first section focuses on scriptural and historical foundations while the second concentrates on theological explorations Together the contributors evaluate what is efficacious and ethical in the Latter day Saint outlook and offer ways to reconceive those views to provide a robust theological response to contemporary criticisms about atonement Contributors Nicholas J Frederick Fiona Givens Deidre Nicole Green Sharon J Harris J B Haws Eric D Huntsman Benjamin Keogh Ariel Bybee Laughton Adam S Miller Jenny Reeder T Benjamin Spackman and Joseph M Spencer **Interpreter: A Journal of Mormon Scripture, Volume 27 (2017)** Daniel C.
