The Doctrine Of Grace In The Apostolic Fathers:

The Doctrine of Grace in the Apostolic Fathers Thomas F. Torrance, 1996-12-03 T F Torrance aims in this book to discover how and why there came about in the early history of the Christian Church the enormous difference that exists between the faith of the New Testament and that of the second and third centuries He explores how the concept of grace is distinctively characteristic of every doctrine of the New Testament and yet at the same time is the most sensitive to change

The Doctrine of Grace in the Apostolic Fathers Thomas Forsyth Torrance, 2017 T F Torrance aims in this book to discover how and why there came about in the early history of the Christian Church the enormous difference that exists between the faith of the New Testament and that of the second and third centuries He explores how the concept of grace is distinctively characteristic of every doctrine of the New Testament and yet at the same time is the most sensitive to change *The Apostolic Fathers and Justification: A Warning* David H. J. Gay, 2018-11-27 Justification by faith by faith alone on the basis of God's grace alone is a key gospel doctrine Indeed with Martin Luther I would argue that it is the cardinal doctrine of the gospel Naturally therefore the devil can never leave it alone he makes sure that it is constantly under attack remorselessly undermining it He has been engaged in his nefarious practice right from the time the apostles and never has he let up Nor will he until the end of the age 2 Thess 2 3 12 1 Tim 4 1 2 Tim 3 1 2 Pet 3 3 He has met with considerable success and continues to do so not least in that there are grim signs that the Apostolic Fathers and their doctrines are coming into vogue Moreover not a few former Evangelicals and Reformed are defecting to Rome or the Orthodox Church both of which Churches are heavily dependent on the Apostolic and later Fathers I deplore this rising interest in the Fathers for they gravely impaired the doctrine of justification the consequences of which are with us still And all this explains why I publish this designedly simple booklet on the work of Thomas F Torrance The Doctrine of Grace in the Apostolic Fathers Torrance's book is invaluable in this area By this annotated digest of Torrance's work I will set out how the Apostolic Fathers warped the doctrine of justification by faith Consequently to return to the Apostolic Fathers which as I have explained not a few are doing is to take a fatal step over this cardinal doctrine of the gospel It really is that serious I write bearing in mind the apostle's injunction to Timothy when faced with apostasy in his day If you put these things before the brothers you will be a good servant of Christ Jesus being trained in the words of the faith and of the good doctrine that you have followed 1 Tim 4 6 So writes David Gay as he opens this booklet For a free audio book of the author reading this title please go to davidhjgay.com

The Doctrine of Grace in the Apostolic Fathers, "Inaugural-Dissertation... Von" Thomas F. Torrance,... Thomas Forsyth Torrance, 1948 **A Theological and Historical Introduction to the Apostolic Fathers** John Lawson, 2005-11-26 These early Christian leaders set the pattern of faith and practice still evident in the Church today The spirit and impact of that heritage are presented to the reader unfamiliar with the actual writings of these Fathers of the early Church The author carefully avoids technical and controversial elements that are of interest only to scholars Historical

matters are featured especially in regard to the teachings on the sacraments and the ministry This emphasis upon the writings results in a concise yet comprehensive pattern of the Fathers major contribution to the life and teachings in the early Church For theological students ministers and Christian laymen this study of the Apostolic Fathers offers a compact introduction to the early foundation and consequent development of Christian beliefs It illuminates the common faith and heritage that have united Christians throughout the ages

Origen and the Doctrine of Grace Benjamin

Drewery,2009-04-01 The Meaning of Righteousness in Paul J. A. Ziesler,2004-12-02 A study of a group of terms which have a central importance in the New Testament *Justification in the Second Century* Brian J. Arnold,2017-02-20 This book seeks to answer the following question how did the doctrine of justification fare one hundred years after Paul s death c AD 165 This book argues that Paul s view of justification by faith is present in the second century a thesis that particularly challenges T F Torrance s long held notion that the Apostolic Fathers abandoned this doctrine The Doctrine of Grace in the Apostolic Fathers 1948 In the wake of Torrance s work there has been a general consensus that the early fathers advocated works righteousness in opposition to Paul s belief that an individual is justified before God by faith alone but second century writings do not support this claim Each author examined Clement of Rome Ignatius of Antioch Epistle to Diognetus Odes of Solomon and Justin Martyr contends that faith is the only necessary prerequisite for justification even if they do indicate the importance of virtuous living This is the first major study on the doctrine of justification in the second century thus filling a large lacuna in scholarship With the copious amounts of research being conducted on justification it is alarming that no work has been done on how the first interpreters of Paul received one of his trademark doctrines It is assumed wrongly that the fathers were either uninterested in the doctrine or that they misunderstood the Apostle Neither of these is the case This book is timely in that it enters the fray of the justification debate from a neglected vantage point

The Didache Shawn J.

Wilhite,2020-03-26 Shawn J Wilhite s commentary on the Didache complements the study of early Christianity through historical literary and theological readings of the Apostolic Fathers seeking to be mindful of critical scholarship while commenting on a final form text The Didache includes a brief introduction to this relevant text the use of Scripture by the Didachist and the theology of the Didache The commentary proceeds section by section with a close ear to the text of the Didache relevant early Christian literature and current scholarship

The Righteousness of One Jordan

Cooper,2013-06-27 Since the publication of E P Sanders Paul and Palestinian Judaism in 1977 Paul s soteriology has received extensive evaluation in light of second temple Judaism These works have focused on exegesis of the Pauline text and evaluating Sanders proposal of covenantal nomism within the second temple Jewish literature There has been an unfortunate gap in this discussion historical theology This work addresses the historical claims made by proponents of the New Perspective on Paul regarding Luther s theology and the early church In The Righteousness of One Jordan Cooper demonstrates that the portrait of Luther given by many of the New Perspective writers is a caricature read through the lens

of both Protestant scholasticism and twentieth century existentialist theology Luther's views are more nuanced and balanced than many Pauline interpreters are willing to admit In light of this reevaluation of Luther's own theology early Patristic writings are evaluated in terms of similarity and disparity between Patristic Pauline interpretation and Lutheran Pauline interpretation and thus it becomes apparent that there is continuity between the patristic tradition and Luther's reading of the Pauline text Rather than being driven purely by medieval debates about merit Luther's reading of Paul is both exegetically sensitive and consistent with the broader catholic tradition
