Summer Fun Jeanne Thornton,2021-07-27 Winner of the 2022 Lammy Award for Transgender Fiction From acclaimed author Jeanne Thornton an epic singular look at fandom creativity longing and trans identity Gala a young trans woman works at a hostel in Truth or Consequences New Mexico She is obsessed with the Get Happies the quintessential 1960s Californian band helmed by its resident genius B Gala needs to know Why did the band stop making music Why did they never release their rumored album Summer Fun And so she writes letters to B that shed light not only on the Get Happies but paint an extraordinary portrait of Gala The parallel narratives of B and Gala form a dialogue about creation of music identity self culture and counterculture Summer Fun is a brilliant and magical work of trans literature that marks Thornton as one of our most exciting and original novelists

Elusive Togetherness Paul Lichterman,2012-01-06 Many scholars and citizens alike have counted on civic groups to create broad ties that bind society Some hope that faith based civic groups will spread their reach as government retreats Yet few studies ask how if at all civic groups reach out to their wider community Can religious groups long central in civic America create broad empowering social ties in an unequal diverse society Over three years Paul Lichterman studied nine liberal and conservative Protestant based volunteering and advocacy projects in a mid sized American city He listened as these groups tried to create bridges with other community groups social service agencies and low income people just as the 1996 welfare reforms were taking effect Counter to long standing arguments Lichterman discovered that powerful customs of interaction inside the groups often stunted external ties and even shaped religion s impact on the groups Comparing groups he found that successful bridges outward depend on group customs which invite reflective critical discussion about a group s place amid surrounding groups and institutions Combining insights from Alexis de Tocqueville John Dewey and Jane Addams with contemporary sociology *Elusive Togetherness* addresses enduring questions about civic and religious life that elude the popular social capital concept To create broad civic relationships groups need more than the right religious values political beliefs or resources They must learn new ways of being groups
