The Dominant Sex:

The Dominant Sex Mathilde Vaerting, 2002-05 Are there masculine and feminine characteristics The answer given in this book is No The authors assert and cite chapter and verse to prove that those physical mental moral or social traits which we are wont to regard as masculine or feminine are simply those of the dominant sex that those we call feminine are merely the characteristics of the subordinated sex In various states at various times when woman was dominant she was possessed of most of the manly qualities and practiced the masculine customs She wooed the man and supported him she did hard physical work while he performed the household tasks and cared for the children she was polyandrous while the man was monogamous she was taller and stronger and in every way more influential than the man The authors conclude that no civilization can reach its highest form of development under a monosexual government and that the ideal government is one in which both sexes are absolutely equal The Dominant Sex Annie Nathan Meyer, 1911 **The Dominant Sex** Mathilde Vaerting, 1923 THE DOMINANT SEX : A PLAY ; IN 3 ACTS Annie Nathan Meyer, 1970 **The Dominant Sex** Annie Nathan Meyer, 2017-12-16 Excerpt from The Dominant Sex A Play in Three Acts Mrs Mason lackadaisically How people can get up for breakfast Mrs Deming briskly Oh it gets the whole day going right to be up and dressed early Mrs Mason Do you think so On the contrary I think it is so restful to take breakfast in bed You feel so content while everyone else is hurrying I can plan a meeting or think out a speech so much better in bed I am sure I should have some horrid kind of indigestion if I attempted to eat my breakfast when I am dressed Mrs Deming Well you certainly make up for it the way you go around the rest of the day I see you have the papers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *DOMINANT SEX A PLAY IN 3 ACTS* Annie Nathan 1867-1951 Meyer, 2016-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We
