The Door of No Return Kwame Alexander, 2022-10-06 The 1 New York Times bestseller Shortlisted for the Carnegie Medal for Writing At once vivid and simple lyrical and surgical expressive and exacting Lupita Nyong'o Dreams are today's answers for tomorrow's questions Eleven year old Kofi Offin has dreams of water of its urgent whisper that beckons with promises and secrets He has heard the call on the banks of Upper Kwanta West Africa where he lives He loves these things above all else his family the fireside tales of his father's father a girl named Ama and of course swimming But when the unthinkable a sudden death occurs during a festival between rival villages Kofi ends up in a fight for his life What happens next will send him on a harrowing journey across land and sea and away from everything he loves Yet Kofi's dreams may be the key to his freedom *The Door of No Return* Sarah Musisi, 2008-08-26 Zac Baxter's grandfather has always told him he's descended from African kings and is the rightful heir to a treasure that was stolen when his ancestors were sold into slavery Zac believes none of this until his grandfather is murdered and his apartment is ransacked **The Door of No Return** William St. Clair, 2007 Publisher description *A Map to the Door of No Return* Dionne Brand, 2024-10-01 Now in its first American edition Dionne Brand's groundbreaking *A Map to the Door of No Return* has emerged as a modern classic a highly influential exploration of being in the Black Diaspora Since its first publication in 2001 Dionne Brand's groundbreaking exploration of being in the Black Diaspora *A Map to the Door of No Return* has emerged as a modern classic The door in Brand's iconic schema represents the point of rupture where the ancestors of the Black Diaspora departed one world for another the place where all names were forgotten and all beginnings recast This door writes Brand is not mere physicality It is a spiritual location Since leaving was never voluntary return was and still may be an intention however deeply buried There is as it says no way in no return Through shards of history memoir lyrical investigation and the unwritten experience of so many descendants of those who passed through the door Brand constructs a map of this indelible region culminating in an enduring expression both definitive and seeking of what it is to live think and create in the wake of colonization With a new preface by the author and an afterword by Saidiya Hartman **Exodus from the Door of No Return** Roy G. Phillips Phd, 2008-10-13 After sixty years Dr Roy G Phillips retired founding campus president at Miami Dade College Homestead Campus returned to his native home in rural Webster Parish outside of Minden Louisiana It took him almost forty years to fulfill a dream a journey that began as a conversation with renowned author Alex Haley culminated with the collection of fascinating stories and then finished in a poignant book that tells the story of his ancestors in their trajectory from Africa to America When he retired in December 2001 Phillips turned to writing piecing together years worth of research The final product *Exodus from the Door of No Return* Journey of an American Family AuthorHouse was published in September 2006 and revised in October 2008 Phillips family saga mirrors the lives of what arguably could be the tale of most African Americans In the book family is the glue that binds Phillips ancestors from Slavery to Reconstruction Jim Crow Segregation

the World Wars the Great Migration of black families out of the South the tumultuous civil rights period of the sixties to the present day Phillips might never have started on the journey of family discovery if it had not been for a chance meeting with Haley who had come to speak at the University of Michigan At that time Haley was in the midst of researching his book Roots and Phillips was completing his doctoral dissertation in urban secondary administration I spent half of the night talking to him about what to do he recalls He said Go and talk to the old folks in your family Get their stories Phillips painstakingly tracked down the descendants of the plantation owners James Germany McDade II who owned his great grandfather and other relatives Phillips continues to meet and correspond with the McDades in Shreveport and East Texas He also underwent DNA testing which helped him track both his paternal ancestry to the Mbute people in the Central African Republic and his maternal ancestry to the Mende people in Sierra Leone West Africa
