The Dracula:

The Dracula Tape Fred Saberhagen, 2020-01-30 The never before told story behind the legend of Count Dracula The story of the Count's greatest love Mina Harker and the bloodthirsty vampire hunters whose cruel pursuit drove the master of the night to actions ever more ruthless The Count Dracula sets the record straight The first in the Saberhagen Dracula series

Dracula in the Dark James Craig Holte, 1997-05-12 One hundred years after his creation by Bram Stoker Dracula is still fascinating us This study traces the changing nature of film representations of Dracula from the early silent adaptations to recent popular dramas Holte suggests that vampire films and Dracula adaptations have become an independent genre the dark romance with its own set of narrative conventions and audience expectations combining horror and eroticism This engaging study provides readers with a natural history of the vampire an examination of the work of Bram Stoker a history and analysis of many film adaptations of Dracula a survey of contemporary criticism and theory and an extensive annotated bibliography of vampire film fiction and criticism

The Dracula Dilemma Duncan Light, 2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker's famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania's unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania's self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania's dilemma with Dracula remains unresolved

The Dracula Book Donald F. Glut, 1975 Explores the history and lore of the vampire figure and examines Stoker's Dracula and his representation on the screen and in the comics

The Lure of the Vampire Milly Williamson, 2005 This title explores the enduring myth of Dracula and vampires and just why it has remained so popular for so long
