

The Early Ayn Rand

Ayn Rand

The Early Ayn Rand:

The Early Ayn Rand Ayn Rand, 2005-04-05 This remarkable newly revised collection of Ayn Rand's early fiction including her previously unpublished short story *The Night King* ranges from beginner's exercises to excerpts from early versions of *We the Living* and *The Fountainhead* **The Early Ayn Rand** Ayn Rand, 2005 [The Early Ayn Rand](#) Ayn Rand, 2005

[Early Ayn Rand](#) Ayn Rand, 2005 **Essays on Ayn Rand's *The Fountainhead*** Robert Mayhew, 2007-01-01 Ayn Rand's *The Fountainhead* is still remembered and enjoyed today as the philosopher's first best-selling novel. In this unique study of *The Fountainhead*, Dr. Robert Mayhew brings together historical literary and philosophical essays that analyze the novel's style, its use of humor, and its virtues of productivity, independence, and integrity. The essays make extensive use of previously unpublished material from the Ayn Rand Archives, offering a new collection of material to explore and consider. This book leads through the creation, publication, and reception of the 1943 novel that made Rand famous. Mayhew's collection of essays offers an insightful and critical perspective on the much-regarded novel and is a necessary read for anyone interested in Ayn Rand and great American literature. **Essays on Ayn Rand's "*We the Living*"** Robert Mayhew, 2012-02-16 Ayn Rand remains a truly significant figure of modern philosophy. Her unique vision of a world in which man, relying on reason, acts wholly for his own good is skillfully developed and illustrated in her most famous novels, *Atlas Shrugged* and *The Fountainhead*. But Rand's first novel, *We the Living*, a lesser-known but no less important book, offers an early form of the author's nascent philosophy, the philosophy Rand later called Objectivism. In the second edition, Robert Mayhew once again brings together pre-eminent scholars of Rand's writing. The edition includes three new chapters as well as an epilogue by renowned Rand scholar Leonard Peikoff. In part, a history of *We the Living* from its earliest drafts to the Italian film later based upon it, Mayhew's collection goes on to explore the enduring significance of Rand's first novel as a work both of philosophy and of literature. For Ayn Rand scholars and fans alike, this enhanced second edition is a compelling examination of a novel that set the tone for some of the most influential philosophical literature to follow. **Ayn Rand , The New Ayn Rand Companion** Mimi R. Gladstein, 1999-08-30 An essential guide to the life and works of Ayn Rand, the book chronicles and summarizes her writings, presents information about her national and global impact, and the response to it, and provides the most comprehensive bibliography published to date. Written by an independent scholar who is not part of either the Ayn Rand establishment or the Ayn Rand detractor camp, *The New Ayn Rand Companion* builds on the foundation of the original. New materials about Rand's posthumous publications, the latest biographical information, and summaries of books and articles about Rand published since her death have been added. Burgeoning interest in Rand, the publication of her *Letters and Journals* and *Russian Writings*, and the growing body of critical works necessitates an expanded and revised edition of the *Ayn Rand Companion*. This new edition is the only general reference work that covers the complete Rand corpus, including both those works published during her life and those published to date. **A Companion to Ayn Rand**

Allan Gotthelf, Gregory Salmieri, 2021-11-08 The first volume to offer a comprehensive scholarly treatment of Rand's entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth scholarly treatment ranging over the whole of Rand's corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand's controversial positions **Ayn Rand** Chris Matthew

Sciabarra, 2013-10-15 Author of The Fountainhead and Atlas Shrugged Ayn Rand 1905-1982 is one of the most widely read philosophers of the twentieth century Yet despite the sale of over thirty million copies of her works there have been few serious scholarly examinations of her thought Ayn Rand The Russian Radical provides a comprehensive analysis of the intellectual roots and philosophy of this controversial thinker It has been nearly twenty years since the original publication of Chris Sciabarra's Ayn Rand The Russian Radical Those years have witnessed an explosive increase in Rand sightings across the social landscape in books on philosophy politics and culture in film and literature and in contemporary American politics from the rise of the Tea Party to recent presidential campaigns During this time Sciabarra continued to work toward the reclamation of the dialectical method in the service of a radical libertarian politics culminating in his book Total Freedom Toward a Dialectical Libertarianism Penn State 2000 In this new edition of Ayn Rand Chris Sciabarra adds two chapters that present in depth analysis of the most complete transcripts to date documenting Rand's education at Petrograd State University A new preface places the book in the context of Sciabarra's own research and the recent expansion of interest in Rand's philosophy Finally this edition includes a postscript that answers a recent critic of Sciabarra's historical work on Rand Shoshana Milgram Rand's biographer has tried to cast doubt on Rand's own recollections of having studied with the famous Russian philosopher N O Lossky Sciabarra shows that Milgram's analysis fails to cast doubt on Rand's recollections or on Sciabarra's historical thesis

Right here, we have countless ebook **The Early Ayn Rand** and collections to check out. We additionally meet the expense of variant types and next type of the books to browse. The conventional book, fiction, history, novel, scientific research, as well as various further sorts of books are readily straightforward here.
