## **The Good Neighbor Policy:**

**The Dismantling of the Good Neighbor Policy** Bryce Wood, 2010-07-22 The Good Neighbor Policy was unique a great power obligated itself not to use force in its dealings with twenty smaller powers and not to interfere in their domestic politics It was a policy that lasted with some perturbations for twenty years instituted by President Roosevelt in 1933 and carried out effectively from 1933 to 1943 by word and action maintained during the Second World War largely as a result of British concern for continuance of Argentine beef exports codified in the Charter of the Organization of American States in 1948 and reasserted by Truman and Acheson in 1950 51 it was covertly repudiated in Guatemala in 1954 by Eisenhower and the Dulles brothers and not so secretly by Kennedy in the disastrous Bay of Pigs invasion of 1961 Openly shattered in the Dominican Republic by Johnson in 1965 it has since been completely abandoned in favor of the usual relationships between large and small powers Working with documents from the Public Records Office in London and the National Archives with recently released materials from the U S Department of State and with secondary sources Bryce Wood describes the temptations laid before the leaders of one powerful state by its occasionally recalcitrant neighbors and the ways of reacting that were found Having told half the story in his *The Making of the Good Neighbor Policy* Wood now concludes it in the present volume One of the chief casualties is shown to be the Organization of American States which since 1954 has found itself badly crippled in its work to promote harmony and continued cooperation among the member states **FDR's Good Neighbor Policy** Fredrick B. Pike, 2010-07-22 A study of how and why US Latin American relations changed in the 1930s Brilliant A charming and perceptive work Foreign Affairs During the 1930s the United States began to look more favorably on its southern neighbors Latin America offered expanded markets to an economy crippled by the Great Depression while threats of war abroad nurtured in many Americans isolationist tendencies and a desire for improved hemispheric relations One of these Americans was Franklin Delano Roosevelt the primary author of America's Good Neighbor Policy In this thought provoking book Bolton Prize winner Fredrick Pike takes a wide ranging look at FDR's motives for pursuing the Good Neighbor Policy how he implemented it and how its themes played out up to the mid 1990s Pike's investigation goes far beyond standard studies of foreign and economic policy He explores how FDR's personality and Eleanor Roosevelt's social activism made them uniquely simp tico to Latin Americans He also demonstrates how Latin culture flowed north to influence U S literature film and opera This book is essential reading for everyone interested in hemispheric relations *The Making of the Good Neighbor Policy*, 1967 *Brazil, the United States, and the Good Neighbor Policy* Alexandre Busko Valim, 2019-10-11 In Brazil the United States and the Good Neighbor Policy The Triumph of Persuasion during World War II Alexandre Busko Valim studies the use of cinema in Brazil as an instrument of political persuasion by the United States during the period of the so called Good Neighbor policy during World War II by examining extensive documentation found in the National Archives in College Park Maryland In doing so Valim demonstrates the modus operandi of media imperialism its

mapping strategies and control of the market its actions and its objectives of domination When thinking about the place of images as a means of convincing and imposing an ideological project the author notes the methods necessary to examine this relationship between art and politics a problem that is central in the contemporary world Scholars of Latin American Studies international relations history political science and media studies will find this book particularly useful

**The Roosevelt Foreign-Policy Establishment and the "Good Neighbor"** Randall Bennett Woods, 2021-10-08 The Good Neighbor Policy was tested to the breaking point by Argentina U S relations during World War II In part its durability had depended both upon the willingness of all American republics to join with the United States in resisting attempts by extrahemispheric sources to intervene in New World affairs and upon continuity within the United States foreign policy establishment During World War II neither prerequisite was satisfied Argentina chose to pursue a neutralist course and the Latin American policy of the United States became the subject of a bitter bureaucratic struggle within the Roosevelt administration Consequently the principles of nonintervention and noninterference together with absolute respect for the sovereignty of all states ceased to be the guideposts of Washington's hemispheric policy In this study Randall Bennett Woods argues persuasively that Washington's response to Argentine neutrality was based more on internal differences individual rivalries and power struggles between competing bureaucratic empires than on external issues or economic motives He explains how bureaucratic infighting within the U S government entirely irrelevant to the issues involved shaped important national policy toward Argentina Using agency memoranda State Department records notes on conversations and interviews memoirs and personal archives of the participants Woods looks closely at the rivalries that swayed the course of Argentine American relations He describes the personal motives and goals of men such as Sumner Welles Cordell Hull Henry Morgenthau Harry Dexter White Henry A Wallace and Milo Perkins He delineates various cliques within the State Department including the contending groups of Welles Latin Americanists and Hull internationalists and describes the power struggles between the State Department the Treasury Department the Board of Economic Warfare the Caribbean Defense Command and other agencies Of special interest to students of contemporary history will be Woods's discussion of the careers and views of Juan Peron and Nelson Rockefeller for American policy contributed in no small way to Peron's rise and Rockefeller was the man chiefly responsible for the U S rapprochement with Argentina in 1944-45 Woods also gives special attention to the impact of the Wilsonian tradition especially its contradictions on policy formation The last chapter dealing with Argentina's admission to the U N sheds some light on the origins of the Cold War Wood's investigation of the Argentine problem makes a significant contribution toward the understanding of U S Latin American relations in the era of the Good Neighbor Policy and provides new insights into the evolution of hemispheric policy as a whole during World War II It reflects the growing emphasis on bureaucratic politics as a principal determinant of U S diplomacy

*Is the Good Neighbor Policy a Success?* American Historical Association. Historical Service Board, 1945

*New Perspectives on the Good Neighbor Policy* Ana Maria

Mauad,Alexandre Busko Valim,2023-11-15 The Second World War was a watershed moment in US South American relations Yet the Good Neighbor Policy the driving force behind many of the changes during this time remains underanalyzed especially from a South American perspective Examining topics ranging from literary fashions and trends in the press to science militarism and gender categories New Perspectives on the Good Neighbor Policy sheds light on this crucial period in which the US defined geopolitical relations with South America and solidified its hemispheric hegemony Additionally the contributors evaluate the legacy of the Good Neighbor Policy in the twentieth century and its impact on twenty first century politics

**Development of the Good Neighbor Policy (January 1942 to July 1945)** Lottie May Manross,1945 **The Good Neighbor Policy of Franklin D. Roosevelt with Special Reference to Three Inter-American Conferences, 1933-1938** George Cline Coleman,1951 *Hoover's Dominican Diplomacy and the Origins of the Good Neighbor Policy* Earl R. Curry,1979 **The Good Neighbor Policy in a Geopolitical Context** Jonathan C. Ruano de la Haza,2007

**Development of the "good-neighbor" Policy, March 1933 to April 1941** Richard Atherton Humphrey,Brent Dow Allinson,1941 **Paraguay and the United States** Frank O. Mora,Jerry Wilson Cooney,2007 Ranging from the 1840s through the early twenty first century this study of shared political economic and cultural histories fills significant gaps in our understanding of Paraguayan U S relations Frank O Mora and Jerry W Cooney tell how an initially rocky beginning between the two countries marked by diplomatic posturing shows of military force and failed business schemes gave way to a calmer period during which the United States backed Paraguay s territorial claims against its neighbors prospects grew brighter for American entrepreneurs and Paraguay embraced Pan Americanism It was not until the 1930s that the two countries engaged in earnest as the United States attempted to mediate the Chaco War between Paraguay and Bolivia Then as the authors write hemispheric solidarity in World War II the cold war in Latin America the balance of power among states in the R o de la Plata and the question of U S support for or aid to Latin American dictators became matters of mutual interest The dictatorship of Alfredo Stroessner 1954 89 spanned much of this era and a shared attitude of realpolitik typified U S Paraguayan relations during his rule Post Stroessner the United States has stood by Paraguay during its transition to democracy despite lingering concerns about such issues as drug trafficking and intellectual piracy The countries should grow closer with time the authors conclude if Paraguay resists the continent s leftward political shift and remains a solid partner in U S antiterror initiatives in South America The Good Neighbor Policy as Depicted by the Public Papers and Addresses of Franklin D. Roosevelt (1932-1936) William H. Yoder,Goshen College. History Senior Seminar,1943 Roosevelt's Good Neighbor Policy Edward O 1911- Guerrant,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important

**Sanctity Versus Sovereignty** Kenneth Aaron Rodman, 1988 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Tokyo District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers

Neighborly Adversaries Michael J. LaRosa, Frank O. Mora, 2007 Providing a balanced and interdisciplinary interpretation this comprehensive reader traces the troubled U S Latin American relationship from the beginning of the nineteenth century to the post 9 11 period Thoroughly revised and updated the second edition includes original essays on critical issues such as immigration and the environment In addition a new section helps students understand the most important themes and topics that unify and divide the United States and Latin American nations today The readings are framed by the editors opening chapter on the history of the relationship part introductions and abstracts for each selection Methodologically interdisciplinary yet comparative and historical in organization and structure this collection will benefit students and specialists of Latin America's complex historical social and political relationship with its northern neighbor

**The Ordeal Of Hegemony** Guy Poitras, 2019-07-11 This book describes the relations between international relations theory and the realities of U S Latin American relations It attempts a reappraisal of U S power in Latin America a risky venture in times of indeterminate change and divergent

thinking      **Congressional Record** United States. Congress,1956 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **Term Paper Resource Guide to Latino History** Michael P. Moreno,Kristin C. Brunnemer,2010-09-02 This resource guide to 100 key events in Latino history provides students librarians and scholars with hundreds of original and compelling term paper ideas and the key print and electronic sources needed for research Latinos are the largest fastest growing minority group in the United States and the ways they have positively impacted our nation are significant and undeniable This book examines the contributions of Latinos to U S history providing hundreds of possible topics for term papers and research projects along with primary secondary web and multimedia sources of topical information Subjects such as the Treaty of Guadalupe Hidalgo 1848 the Bracero Program 1942 the United Farm Workers of America Is Formed 1962 and The Great American Boycott A Day Without Immigrants of 2006 are just a few samples of the topics included Each historical event is described briefly followed by direction toward specific research and writing topics for the student historian At least two alternative term paper suggestions complement these ideas allowing creative original approaches to historical inquires
