Historical Dictionary of The Gambia David Perfect,2024-09-23 A former British colony The Gambia became independent in 1965 and has had only three presidents since then While The Gambia remained a very poor country under its first prime minister and then president from 1970 Sir Dawda Jawara democratic institutions survived multi party elections were free and fair and the country s human rights record was excellent In contrast there were seriously flawed elections and extensive human rights abuses under first the Armed Forces Provisional Ruling Council and then President Yahya Jammeh Since Adama Barrow became president in 2017 democratic rule and fair elections have been restored although many challenges remain for example the 2020 Constitution has still not been implemented This book examines all aspects of recorded Gambian history from the 15th century when the first European expeditions arrived to the present Historical Dictionary of The Gambia Sixth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about The Gambia
