**Eloise Linger, John Walton Cotman**

## **The Gorrión Tree Cuba And The Grenada Revolution:**

**The Gorrión Tree** John Walton Cotman, 1993 Cuba's alliance with the Grenada Revolution of 1979-1983 led by Maurice Bishop is the centerpiece of this pioneering and provocative analysis of Cuban internationalism. Based on thousands of pages of confidential Cuban and Grenadian government documents and eleven months of field work in Grenada, the work provides the first in-depth look at the lives of Havana's overseas aid workers. It details the social, economic, and political impacts of Cuban civilian and military aid programs upon Grenada. New light is shed on Cuba's role in the October 1983 collapse of the Bishop regime and subsequent United States invasion of the Spice Isle.

**The Grenada Revolution** Wendy C. Grenade, 2015-01-28 Grenada experienced much turmoil in the 1970s and 1980s, culminating in an armed Marxist revolution, a bloody military coup, and finally in 1983 Operation Urgent Fury, a United States-led invasion. Wendy C. Grenade combines various perspectives to tell a Caribbean story about this revolution, weaving together historical accounts of slain Prime Minister Maurice Bishop, the New Jewel Leftist Movement, and contemporary analysis. There is much controversy. Though the Organization of American States formally requested intervention from President Ronald Reagan, world media coverage was largely negative and skeptical, if not baffled by the action, which resulted in a rapid defeat and the deposition of the Revolutionary Military Council. By examining the possibilities and contradictions of the Grenada Revolution, the contributors draw upon thirty years of hindsight to illuminate a crucial period of the Cold War. Beyond geopolitics, the book interrogates but transcends the nuances and peculiarities of Grenada's political history to situate this revolution in its larger Caribbean and global context. In doing so, contributors seek to unsettle old debates while providing fresh understandings about a critical period in the Caribbean's postcolonial experience. This collection throws into sharp focus the centrality of the Grenada Revolution, offering a timely contribution to Caribbean scholarship and to wider understanding of politics in small developing postcolonial societies.

**The U.S. Invasion of Grenada** Philip Kukielski, 2020-01-03 In the fall of 1983, arguably the coldest year of the decades-long Cold War, the world's greatest superpower invaded Grenada, a Marxist-led Caribbean nation the size of Atlanta. Why and how this unlikely one-week war was waged was shrouded in secrecy at the time and has remained so ever since. This book is an overdue reconsideration of Operation Urgent Fury based on historical evidence that only recently has been revealed in declassified documents, oral history interviews, and memoir accounts. This chronological narrative emphasizes the human dimension of a sudden crisis now regarded as the greatest foreign policy challenge of President Ronald Reagan's first term. Because the American intervention was hastily drafted, many snafus and accidents marked the chaotic initial days of the operation. Inevitably, it fell to individual soldiers, aviators, and sailors to perform heroic acts to make up for faulty intelligence, inadequate communication, or poor coordination. This work recounts their inspiring underreported stories in filling out a more complete portrait of Operation Urgent Fury. The final chapter recounts the invasion's aftereffects, especially the unexpected role it played in Congressional reform of the military for future combat in the Middle East.

**Critical Interventions in Caribbean Politics and Theory** Brian Meeks, 2014-11-27 These essays by Brian Meeks a noted public intellectual in the Caribbean reflect on Caribbean politics particularly radical politics and ideologies in the postcolonial era But his essays also explain the peculiarities of the contemporary neo liberal period while searching for pathways beyond the current plight In the first chapters titled Theoretical Forays Meeks makes a conscious attempt to engage with contemporary Caribbean political thought at a moment of flux and search for a relevant theoretical language and style to both explicate the Caribbean s recent past and confront the difficult conditions of the early twenty first century The next part Caribbean Questions both retrospective and biographical retraces the author s own engagement with the University of the West Indies UWI the short lived but influential Caribbean Black Power movement the work of seminal Trinidadian thinker and activist Lloyd Best Cuba s relationship with Jamaica and the crisis and collapse of the Grenadian Revolution As evident in its title Jamaican Journeys the concluding section excerpts and extracts from a longer more sustained engagement with Jamaican politics and society Much of Meeks argument builds around the notion that Jamaica faces a crucial moment as the author seeks to chart and explain its convoluted political path and dismal economic performance over the past three decades Meeks remains surprisingly optimistic as he suggests that despite the emptying of sovereignty in the increasingly globalized world windows to enhanced human development might open through policies of greater democracy and popular inclusion

*Revolutionary Cuba* Luis Martínez-Fernández, 2014-09-16 This is the first book in more than three decades to offer a complete and chronological history of revolutionary Cuba including the years of rebellion that led to the revolution Beginning with Batista s coup in 1952 which catalyzed the rebels and bringing the reader to the present day transformations initiated by Ra l Castro Luis Mart nez Fern ndez provides a balanced interpretive synthesis of the major topics of contemporary Cuban history Expertly weaving the myriad historic social and political forces that shaped the island nation during this period Mart nez Fern ndez examines the circumstances that allowed the revolution to consolidate in the early 1960s the Soviet influence throughout the latter part of the Cold War and the struggle to survive the catastrophic Special Period of the 1990s after the collapse of the U S S R He tackles the island s chronic dependence on sugar production which started with the plantations centuries ago and continues to shape culture and society He analyzes the revolutionary pendulum that continues to swing between idealism and pragmatism focusing on its effects on the everyday lives of the Cuban people and bucking established trends in Cuban scholarship Mart nez Fern ndez systematically integrates the Cuban diaspora into the larger discourse of the revolution Concise well written and accessible this book is an indispensable survey of the history and themes of the socialist revolution that forever changed Cuba and the world

**US-Grenada Relations** G. Williams, 2007-12-25 Why did the world s strongest power intervene militarily in the tiny Commonwealth Caribbean island of Grenada in October 1983 This book focuses on United States Grenada relations between 1979 and 1983 set against the wider historical context of US Caribbean Basin relations It presents an in depth study of US

policy during the Carter and Reagan presidencies and the deterioration of relations with the Marxist Leninist People's Revolution Government PRG of Grenada It considers in detail the murderous internal power struggle that destroyed the PRG and the decisionmaking process that resulted in a joint US Caribbean military intervention *The Rucksack War* Edgar F. Raines,2010 This volume provides an account of how Army logistics affected ground operations during the Grenada intervention and how combat influenced logistical performance from Foreword **Coping with the Collapse of the Old Order:** Kenneth Hall,Myrtle Chuck-A-Sang,2013-02-19 On July 4 2009 the region celebrated thirty six years as a formal Caribbean Community CARICOM The analyses contained in this publication in the The Integrationist Series all tend to suggest that CARICOM now more than ever needs to transform its experiences over these years into a more structured foundation for maximising the multiplier effects of collective representation and for leveraging CARICOMs diplomatic efforts and resources in a more coordinated and integrated manner This imperative is necessitated by the rapidly changing international environment which has far too often impacted negatively on small developing countries leaving them increasingly vulnerable and marginalized Transitions and Non-Transitions from Communism Steven Saxonberg,2013-02-14 A unique comparative study examining why some communist regimes remain in power whilst others have fallen *The Encyclopedia of Political Revolutions* Jack A. Goldstone,2015-04-29 The Encyclopedia of Political Revolutions is an important reference work that describes revolutionary events that have affected and often changed the course of history Suitable for students and interested lay readers yet authoritative enough for scholars its 200 articles by leading scholars from around the world provide quick answers to specific questions as well as in depth treatment of events and trends accompanying revolutions Includes descriptions of specific revolutions important revolutionary figures and major revolutionary themes such as communism and socialism ideology and nationalism Illustrative material consists of photographs detailed maps and a timeline of revolutions *Cuban Studies* 26 Jorge I. Domínguez,1996-12-15 Cuban Studies has been published annually by the University of Pittsburgh Press since 1985 Founded in 1970 it is the preeminent journal for scholarly work on Cuba Each volume includes articles in both English and Spanish a large book review section and an exhaustive compilation of recent works in the field Cuban Identity and the Angolan Experience C. Peters,2012-09-17 Exploring the cultural politics of Cuba's epic military engagement in the Angolan civil war this book narrates the transformation of Cuban national identity from Latin African to Caribbean through the experience of internationalism in Angola Term Paper Resource Guide to Twentieth-Century United States History Ron Blazek,Teri Maggio,Robert Muccigrosso,1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide

ranging annotated bibliography of 15 35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a multimedia approach designed to appeal to the current information gathering habits and preferences of young people From the Spanish American War to the creation of NAFTA the 100 events and developments cover political social economic and cultural issues The work has been designed to meet the needs of the U S history curriculum Term paper topic ideas offer students thought provoking suggestions that are challenging and develop critical thinking skills The annotated bibliography is organized into reference sources general sources specialized sources biographical sources periodical articles recommended videos and World Wide Web sites All items are readily available in school public and academic library collections This unique guide is valuable not only to students but to teachers and librarians who guide students in research and is an excellent purchasing guide for librarians who serve student needs

*Cuban Medical Internationalism* J. Kirk, 2009-06-08 While public health is important for revolutionary Cuba providing medical services to the developing world is also a priority 38 000 medical staff are engaged abroad the largest medical school in the world ELAM has an enrollment of over 8 000 students from the Third World and since 2004 over 1 3 million in Latin America and the Caribbean have had their eyesight restored How has this small nation of 11 3 million people managed to save more lives in the developing world than all of the G 8 countries together And what are its motives This book the result of four years of research in Cuba provides an updated analysis of this extraordinary record

**Cuban Transitions at the Millennium** Eloise Linger, John Walton Cotman, 2000

**A Brief History of the Caribbean** D. H. Figueredo, Frank Argote-Freyre, 2008 A Brief History of the Caribbean is an overview of the historical events that have taken place and shaped the islands of the Caribbean Sea
