

Lamb: The Gospel According to Biff, Christ's Childhood Pal

[copy link in description](#)

The birth of Jesus has been well chronicled, as have his glorious teachings, acts, and divine sacrifice after his 30th birthday. But no one knows about the early life of the Son of God, the missing years - except Biff, the Messiah's best bud, who has been resurrected to tell the story in this divinely hilarious yet heartfelt work, "remniscent of Vonnegut and Douglas Adams" (Philadelphia Inquirer). Verily, the story Biff has to tell is a miraculous one, filled with remarkable journeys, magic, healings, kung fu, corpse reanimations, demons, and hot babes. Even the considerable wiles and devotion of the Savior's pal may not be enough to divert Joshua from his tragic destiny. But there's no one who loves Josh more (except maybe "Magie," Mary of Magdalan) and Biff isn't about to let his extraordinary pal suffer and ascend without a fight.

A. Carson,1991 With this acclaimed volume in the Pillar New Testament Commentary series Carson explains the text of John s Gospel to help you minister the Word of God to others either by preaching or by leading Bible studies The commentary will also deepen your understanding of the Gospel in your own life and worship Throughout his commentary Carson does the following makes clear the flow of the text focusing on the movement of thought rather than on word studies and Greek syntax engages a small but representative part of the massive secondary literature on John providing a kind of map of contemporary studies on this Gospel draws a few lines toward establishing how John s Gospel contributes to biblical and systematic theology offers a consistent exposition of John as an evangelistic Gospel Preceded by a comprehensive introduction treating such matters as the authenticity authorship purpose and structure of the Gospel this commentary on John exhibits the solid evangelical Scripture exposition for which Carson is well known and respected Called by the Gospel Michael Paul Middendorf,Mark Schuler,2007-07-15 Called by the Gospel is the title for a series of introductory theological textbooks written from a distinctly Lutheran perspective In keeping with the predominant place of the gospel in Lutheran theology this introductory volume on the New Testament carries the same title as the series Called by the Gospel Readers will find within its pages a high view of the Christian Scriptures explanation of keys texts with careful attention to the historical and cultural contexts particular focus on the presentation of Jesus by the various texts and a conversational style that seeks to convey the message of the text for contemporary times Although the book was written with university students in mind any Christians who seek to deepen their grasp of the New Testament will find within its pages helpful and challenging insights This book builds on material presented in the first volume of the series Called to be God s People and supplements its contents with maps photos suggested readings discussion questions and a glossary Together these two volumes prepare the university student for an in depth consideration of Christian doctrine in Called to Believe Teach and Confess The Gospel of Matthew R.T. BOOK JACKET Diving into the Gospel of John Bruce R. Reichenbach, 2023-02-09 Diving into the Gospel of John displays the rich and diverse arguments John presents for his thesis that Jesus is the Messiah the Son of God and that through believing readers/listeners will find eternal life John's arguments are developed in four parts The first two chapters develop the author's literary techniques that are often based on ambiguity and his key symbols and concepts the understanding of which are essential to fully appreciate the Gospel Chapters 3 through 6 progressively portray the author's evidence for his thesis in the form of signs testimony of those who encounter Jesus Jesus's self identification and Jesus's relationships to others Chapters 7 and 8 show how the author uses theatrically patterned dialogues and triadic discourses to convey Jesus's identity and mission Finally chapters 9 through 11 provide important hints that the author gives for his thesis Jesus's appeals to time the indirect use of seven as the number of completeness and invocation of parentage in pointing to salvation Through diving into the Gospel readers will discover the richness of John's argument the Jesus he portrays and the God Jesus reveals The book aims to stimulate commitment challenge mind and spirit and encourage further reflection and conversation

The Kingship-Cross Interplay in the Gospel of John Mavis M. Leung, 2011-07-22 Recent studies of the Christology of John's Gospel have agreed in recognizing the centrality of the concept of messianism but differ markedly in their interpretation of its character Alongside the traditional understanding of messiahship in terms of a kingly role related to that of David there is a newer understanding that is related to the role of Moses and has little or no Davidic background Despite the broad scholarly consensus regarding the Johannine connection between crucifixion and messianism little attention has been paid to the role of crucifixion in relation to the nature of messiahship and in particular to the possibility that this may shed light on whether or not John's messianism is decisively shaped by the kingly or royal background In *The Kingship Cross Interplay in the Gospel of John* Mavis Leung contends that the cross motif plays a major role in authenticating the royal character of messiahship in John over against views that deny or play down this element

Purity in the Gospel of John Wil Rogan, 2023-06-15 Wil Rogan argues that contrary to twentieth century interpretation the Fourth Gospel did not replace purity with faith in Jesus Instead as with other early Jewish writings its discourse about purity functions as a way to make sense of life before God in the world He suggests that John's Gospel employs biblical and early Jewish traditions of purity associated with divine revelation and Israel's restoration to narrate how God's people are prepared for the coming of Jesus and enabled by him to have life with God characterized by love After evaluating different theories of purity for the interpretation of the Fourth Gospel Rogan explores John the Baptist as an agent of ritual purification Jesus as the agent of moral purification and the disciples of Jesus as ones who are or are not made morally pure by Jesus While purity is not one of the Fourth Gospel's primary focuses Rogan stresses that the concept figures into some of its most significant claims about Christology the doctrine of salvation and ethics

Through purity the Fourth Gospel guards continuity with the past while placing surprising conditions on participation in Israel's future

Jesus Becoming Jesus, Volume 2 Thomas G. Weinandy, 2021-03-26

Jesus Becoming Jesus Volume 2 A Theological Interpretation of the Gospel of John Prologue and the Book of Signs follows upon the first volume of this series entitled *Jesus Becoming Jesus* The first volume was a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within John's Gospel He does this in the light of the Church's doctrinal and theological tradition particularly in keeping with the Second Vatican Council's Dogmatic Constitution *Dei Verbum* This is accomplished through a close reading of John's Gospel theologically interpreting each chapter of the Gospel sequentially In so doing he also takes into account the Johannine corpus as a whole He also relates John's Gospel to relevant material found within the Synoptic Gospels the Pauline Corpus and other New Testament writings This original theological interpretation focuses primarily on the intertwining theological themes contained within John's Gospel specifically within the Prologue and the Book of Signs light and darkness the seven miracle signs the sacraments of baptism and the Eucharist the seven I Am sayings the contentious dialogues with the Jews Jesus' relationship to his Father as the Father's incarnate Word and Son etc Within all of these interlocking themes one finds the importance of Jesus' saving actions the salvific works of his Father The overarching theme of this book as the title suggests is that Jesus being named Jesus throughout his public ministry is enacting his name and so becoming who he is YHWH Saves Weinandy offers a singular vibrant and luminous reading of John's Gospel one that reveals the Evangelist's theological depth and doctrinal sophistication In so doing Weinandy makes manifest the particular beauty of the Gospel According to John
