The Gospel Of John Volume 39 1 12 50:

The Gospel of John : 2 Volumes Craig S. Keener, 2010-03-01 Keener's commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel. It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature. The Fourfold Gospel, Volume 1 John DelHousaye, 2020-08-07 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God's redemption in Jesus Christ. All the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew. Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader. This volume in addition to a thorough introduction to the method and the Gospels focuses on the beginning of the story the birth baptism and temptations of Christ. *The Theology of the Four Gospels* Mel Shoemaker, 2011-10 Biblical theology is the discovery and development of doctrine as found and emphasized by a specific book of the Bible. Instead of beginning with a subject and then searching the scriptures broadly to assemble what may be relevant and illuminate one's understanding of that specific topic biblical theology starts with a particular author and focuses upon a specific scriptural unit. The objective is to let the Bible speak for itself and discover what the original writer's wanted readers or those listening to the reading to understand. Therefore New Testament biblical theology assists the student in understanding the distinctive doctrinal enrichment each book in the Christian canon brings to the collection of authoritative literature. The Theology of the Four Gospels is designed to engage an individual or group in a fresh study of the teachings of Jesus and the distinctive perspectives of the Four Evangelists Matthew Mark Luke and John. Even though everyone participating in the study is examining the same literature the conclusions may vary widely which may contribute to a very fruitful discussion. Why should one anticipate a variety of interpretations? Each person comes to the study of the Bible with prior opinions judgments and beliefs. These presuppositions have been formed by our culture e.g. ethnicity political social economic and religious background critical knowledge educational background in history literature language natural abilities life experiences and age and character moral values belief in the supernatural human immortality accountability rational choices and spiritual maturity. This is the goal to let the Four Gospels speak for themselves. The theological outcome may be tentative and provisional however the reader or student becomes engaged in the process of building a sound personal theology and a steadfast living faith in Jesus Christ. *Annual Record of Assessed Valuation of Real Estate in the City of New York* New York (N.Y.).
