

A dramatic sky scene featuring a full moon in the upper center, a bright comet streak with a long tail extending from the upper left towards the center, and scattered clouds in shades of blue and white. The overall tone is serene and celestial.

He said to them,  
*“Go into all the world  
& PREACH THE  
GOSPEL to all creation.”*

**The Gospel According to Mark** George Martin, 2005 At the heart of this book is a verse by verse exposition of the New American Bible text of Mark's Gospel Interspersed throughout the text are dozens of short essays giving the social political economic and religious background and questions for reflection *Opening the Scriptures Bringing the Gospel of Mark to Life* George Martin, 2013-09-01 Jesus said to them Come after me Mark 1:17 The Gospel of Mark may be the briefest of the four Gospels but it is the richest in detail giving us descriptions of miracles and events in the life of Jesus found nowhere else in the Bible In common sense language and easy to understand concepts gifted Catholic writer George Martin brings Mark's words to life focusing on its meaning in the time of its writing as well as how this Gospel is meaningful for our lives today Whether you practice prayerful reading lectio divina prepare homilies lead or participate in Bible study groups are a Scripture teacher or seminarian you will find George Martin to be an enlightening and accessible guide to Mark's Gospel George Martin's expositions of the Gospels are written with admirable clarity They interpret each Gospel in its first century context convey the best insights of modern scholars and challenge readers to apply the text to their own lives Daniel Harrington S J Boston College School of Theology and Ministry *Bringing the Gospel of Mark to Life* George Martin, 2007 Scripture commentator George Martin leaves no stone uncovered in his fascinating exploration of the Gospel of Mark His verse by verse explanations are easy to understand and always begin and end with the premise that God has something to say to his people through his word The book features interesting details relating to the history geography and culture of Palestine along with definitions of the root meaning of words used by Mark and references to parallel passages in the Old and New Testaments Reflection questions provide plenty of opportunity for going deeper with God in prayer This commentary is sound and well researched but not overly academic so it allows readers to study the Scriptures and pray through them at the same time Formerly published as *The Gospel According to Mark Meaning and Message* [The Gospel of Mark](#) Vince Wilcox, 2018-07-14 Jesus is the most influential man who ever lived More has been spoken written and sung about him than any other person in history And yet as his story makes its way through the filters of time and culture much has been lost if not replaced Can we peel back the layers of religion politics and sentimentality to discover Jesus' true mission and message Is it possible to shake off our preconceptions and prejudices and simply experience Jesus as his first followers did Yes Through the written words of a man named John Mark The Gospel of Mark is the earliest and shortest of the New Testament's four narratives of the life and mission of Christ written within three decades of the actual events It's straightforward action packed and disarmingly honest probably because it's the Apostle Peter's personal account as told to his protégé and scribe John Mark His story has one simple purpose to present unequivocal testimony that Jesus is God's Son the Savior Attorney and educator Vince Wilcox is your guide through 100 short episodes covering all 16 chapters of Mark Developed for individual or small group use this devotional study includes clear Bible teaching practical insight and daily
