The Gospel Under Siege A Study On Faith And Works:

The Gospel Under Siege Zane C. Hodges, 1981-12-01 *The Gospel Under Siege* Zane C. Hodges, 2017-07 What is the relationship between faith and works Some have erroneously concluded that faith includes works or that true faith guarantees a life long pattern of good works The result of this teaching has caused many to seek assurance of their salvation by examining their good works Many have become trapped by dwelling on the question Have I shown enough good fruit in my life to prove that I am really saved The Gospel Under Siege looks at many passages which are mistakenly thought to teach these ideas Few if any books deal with a larger selection of debated texts than does this book The already ample number of these e g James 2 1 John 3 6 and 9 Acts 2 38 Hebrews 6 and 10 has been increased in this new edition with such passages as Romans 2 7 10 13 and 2 Corinthians 13 5 Based on clear analysis of these passages Zane Hodges demonstrates that these passages are meant for Christian readership The Gospel Under Siege shows that the rock solid promises of God s Word is where one needs to look to find true biblical assurance In many of these misunderstood passages Christians are warned about the possibility of failure in the Christian life and not about the possibility of finding out that they were not really saved in the first place If you have ever run across passages that made you wonder whether works are necessary for salvation or made you wonder whether you were really saved then this book is for you The Gospel According to Jesus John F.

MacArthur, 2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ **The God of Promise and the**

Life of Faith Scott J. Hafemann, 2001-11-07 This theological primer lets the Bible tell its own message providing a basic framework for Scripture that will encourage readers to take up the Bible for themselves and grow in faith hope and love

The Race Set Before Us Thomas R. Schreiner, Ardel B. Caneday, 2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation **They Who Endure to the End**

Everett Berry,2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ

The Warning-Assurance Relationship in 1 Corinthians Andrew J. Wilson,2017-10-27 Paul s first letter to the Corinthians contains both emphatic warnings and strong statements of assurance and the relationship between them has often puzzled interpreters At times it sounds as if Paul is warning the Corinthians lest they forfeit their eschatological salvation at others it sounds like he is assuring them that they will not Attempts to harmonise the two stances have often ended up nullifying the warnings or the assurances or both In this fresh analysis of all the relevant texts Andrew J Wilson demonstrates that Paul s warnings and assurances stand in tension with each other and suggests that this tension is both coherent and in actual fact deliberate on Paul s part Discussions of perseverance and apostasy in Paul grace and works and the relationship between divine and human agency will all now need to reckon with this important contribution

Word and Power Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a

confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber's view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Getting the Gospel Right - A**

Balanced View of Salvation Truth Carl Gordon Olson, 2005-11 A revised and abridged edition of Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 **Following the Master** Michael J.

Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years clergy and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ What should a disciple of Jesus look and act like today What is the relationship between discipleship and salvation between discipleship and sanctification between discipleship and ministry How were disciples of Jesus different from other disciples in the ancient world How did the early church carry out Jesus agenda in making disciples of all the nations In Following the Master Michael J Wilkins addresses these and many other questions that perplex the church today not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship Following the Master compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and Mediterranean world as it followed Jesus command to make disciples Following the Master lays the groundwork necessary for developing biblical discipleship ministries in the church on the mission field and in parachurch ministries It is essential reading for all pastors students and Christian workers

Systematic Theology/Historical Theology Bundle Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine **Driven by God** Jae-Eun Park, 2018-10-01 For more than two millennia believers have

struggled with the antinomy of God's absolute sovereignty over and man's ultimate responsibility in justification and sanctification Theologians have used some version of the terms active justification and definitive sanctification in an attempt to illuminate this mystery However in the past decade scholars have begun to criticize these concepts saying that they are unsupported in Scripture lead to theological confusion and are of no practical benefit to believers Through the work of theologians from the broader Dutch Reformed tradition especially Herman Bavinck Alexander Comrie Herman Witsius and Abraham Kuyper Jae Eun Park demonstrates that the terms active justification and definitive sanctification are derived from

Scripture and serve to clarify not obscure the doctrines of justification and sanctification In addition the book shows that neglect misuse or misunderstanding of the terms have resulted in contemporary criticisms that are unconvincing and unfounded Writings of the aforementioned theologians define and expound four characteristics held in common between active justification and definitive sanctification i e inseparability objectivity and decisiveness Christ centeredness and God s absolute sovereignty concepts of the mentioned theologians All four characteristics of active justification and definitive sanctification emphasize the God driven nature of salvation Jae Eun Park explains how when properly defined and presented the two terms are important theologically bringing clarity to the issue of the perfect balance between God s sovereignty and human responsibility in salvation He also shows how active justification and definitive sanctification offers practical assurance of their perseverance unto glory to true believers and provides pastors with an invaluable tool for exhorting parishioners who may have lapsed into either triumphalism or defeatism Making Sense of Salvation Wayne A.

Teach Salvation by Works? Alan P. Stanley,2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God

after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one's initial conversion but one's final entrance into heaven *That You May Know* Christopher David Bass,2008 The fifth book of the New American Commentary Studies in Bible Theology series That You May Know closely examines the theme of eternal salvation in 1 John No other New Testament book speaks as frequently and explicitly to the believer's confidence in everlasting life The epistle writer grounds his reader's assurance of salvation on the person and work of Jesus Christ and demonstrates that the believer's lifestyle serves as a vital corroborating support for that assurance This gives the commentary's author Christopher Bass an opening to further discuss John's emphasis on living righteously and what it truly means to be born of God Users will find this an excellent extension of the long respected New American Commentary series

Union with the Resurrected Christ G. K. Beale,2023-04-25 Southwestern Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus's resurrection and ascension In this follow up to his monumental *A New Testament Biblical Theology* G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ's resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology *Teaching Them Obedience in All Things* Edgar J. Elliston,1999-09-15 The seventh installment in the EMS series provides presentations originally given at meetings held in November 1998 Topics include the biblical and missiological foundations for training evangelical pastors and missionaries contextualization of curriculum Christian higher education and case studies in both postmodern settings as well as traditional ones
