The Grandfather'S Mystery Chandrashekar Nagawaram,2024-04-08 I am happy being an introvert an extreme introvert What if I am socially anxious Extremely anxious I am happy after all I am happy being alone Aryakt s loneliness doesn t bother him It makes him nervous at times and then he adjusts to it His only blood relative his grandfather had been in a coma for the last twenty two years Aryakt s peaceful life takes a rigorous turn when his grandfather wakes up from a coma and the presence of a big secret gets manifested Can Aryakt hold himself together or will the secret break him apart

Twenty Things for Grandparents of Interfaith Grandchildren to Do (and Not Do) to Nurture Jewish Identity in Their Grandchildren Kerry M. Olitzky,Paul Golin,2007 It isnt easy being a grandparent but grandparents are pivotal in the identity development of grandchildren This book provides punchy pithy practical and often provocative wisdom for grandparents of grandchildren who live in an interfaith family

The Braided Dream Randolph Paul Runyon,2021-12-14 Robert Penn Warren s reputation as a poet though always considerable has soared in the last decade as indicated by his recent selection as America s first poet laureate The Braided Dream is one of the first book length studies of the poetry that has led to Warren s recent rise to eminence and the first to consider his final collection Altitudes and Extensions In a communicable jargon free style that will appeal to the nonacademic reader as well as the serious scholar Randolph Paul Runyon provides a detailed and illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren s last four sequences Now and Then Being Here Rumor Verified and Altitudes and Extensions is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud s concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren s poems assume additional meanings by the poet s very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect

Soul of Things Éva Fahidi,2020-10-16 The Soul of Things is a deeply reflective evocative and beautifully written memoir A bestseller in Hungary where it has been compared to the works of Primo Levi it marks an important female contribution to the canon of Holocaust writing

Finding All Things in God Hans Gustafson,2015-12-04 Hans Gustafson proposes pansacramentalism as holding potential for finding the divine in all things and all things in the divine which carries significant inherent interreligious implications especially for doing theology Presupposing the challenge of doing theology divorced from spirituality lived religious experience he presents pansacramentalism as a bridge between the two In so doing Gustafson offers a history of spirituality and sketches the foundations of a classical approach to sacramentality through Aquinas and a contemporary approach to the same through Rahner and Chauvet By presenting three fascinating case studies this book offers particular instances of sacramentality in lived religious experience i e sacramental spirituality These case studies draw on Thomas Merton and place Nicholas Black

Elk and multiple religious identity and Fyodor Dostoevsky and Wendell Berry and literature The book culminates by a constructing a philosophy of sacramental mediation and criteriology of sacrament b engaging panentheism and the suffering of God and world and c proposing panentheistic pansacramentalism as a new model for understanding the divine world relationship set in the context of a pansacramental theology of religious pluralism Finally a method for doing theology interreligiously is offered based on the overall content of the book and within the context of the interdisciplinary field of interreligious studies

This Love Z A Bukhari, 2014-10-23 At their school in Pakistan no girl or boy of senior section is allowed to talk to each other But Sara admires the boy Omer from afar Though her thoughts should be focused on schooling she cant help thinking about this boy She wonders if love is a drug she doesnt know love but she believes she is taking the drug At the same time Omer catches a glimpse of Sara He too must excel at school to please his parents He believes love can never be harmful but likens premature love to something like premature delivery In *This Love* the author Z A Bukhari explores the social atmosphere of the contemporary love from several perspectives focusing on Sara and Omer both raised in traditionally Pakistani ways Moreover it tells of the importance of faith fate and family roots and freshness of ones first love

Grandparents/Grandchildren Arthur Kornhaber, Kenneth L. Woodward, 2019-11-20 In this book Kornhaber and Woodward explore the vital connections which link generations to each other and expose a new social contract that destroys the emotional bonds between grandparents and grandchildren This is the first book which reviews in a careful ethnographic manner the relationship of grandchildren to grandparents and the place of love at one end and abandonment at the other by grandparents The authors probe the deep unexplored emotional histories of hundreds of grandparents how they feel about themselves their grandchildren and their loss of function within today s nuclear family With sharp increases in the number of broken families and working mothers grandparents are more vital than ever and also more available than ever This basic research document shows how grandparents recover their natural role as elders of the family and of society The author s basic premise is that to exist is to be connected and that no matter how grandparents act they affect the emotional well being of their grandchildren for better or for worse simply because they exist In an age when mounting economic and social pressures make it increasingly easier to split a family than to sustain one the authors alert us to a forgotten source of family strength the power of grandparents to enrich the lives as a whole The case studies reported in this volume represent a first effort in an area left unexplored by developmental researchers There are lessons here for social scientists but even more for
