The Great American Liar James E. Myers, 1988      **The Great American fraud** Samuel Hopkins Adams, 1912      **The Preposterous Yankee** Montague Vernon Ponsonby, 1903      **The Great American Bank Robbery** Paul Sperry, 2011-01-17

The author of *Crude Politics and Infiltration* offers an analysis of public policy's role in the 2008 financial crisis. You may not realize it but you helped pay for a 10 million fourteen month government investigation of the housing collapse. Only your 10 million didn't buy much and it certainly didn't buy truth any hope of that went out the window on day one. The congressionally appointed panel made up primarily of anti market historic revisionists managed to shift the blame away from Washington and onto mortgage lenders and greedy Wall Street executives while protecting the real culprits at the core of the crisis: POLITICIANS LIKE THEMSELVES. It's not about Democrat or Republican left or right black or white. It's about the usual suspects: money and power and the people who use government to manipulate them for private advantage. **The Great American Bank Robbery** maps out in detail exactly how Washington social engineers and their accomplices reshaped banking regulations and housing policies and gutted time tested underwriting standards that led to the worst financial calamity since the 1930s: one that has robbed American households of 14 trillion in net worth. And they're not done yet.      **THE KING OF ALL LIARS** Teni Abegunde, 2018-07-30

**DESCRIPTION** *The King Of All Liars* is a work of humorous fiction by author Teni Abegunde. This book is billed as the first sit down comedy in the opposite sense to stand up. The approach is simple: you read the book as though its author was a stand up comic delivering the lines to you in your own home. From early life to the here and now, Teni makes it clear that he wants the lazy life and this book is a lazy luxurious way to enjoy comedy without having to go out to a show.

**REVIEW** Teni Abegunde's comedic style is mostly observational and the book certainly feels like he is directly addressing an unseen audience in the stand up comedy fashion. Some of the stories in *The King Of All Liars* are pretty incredulous and others point out the very amusing and irritating parts of everyday life that we can all relate to.

**FROM THE AUTHOR** The concept of a sit down comedy book evolved gradually. The idea started in high school during a regular hangout with my friends. I noticed that two girls who were visiting us that day weren't laughing at the jokes. I'd been telling. Puzzled, I asked one of my friends if the girls were pregnant. No, they're not pregnant, they're deaf, she replied. At first I thought she was joking but one of my other classmates confirmed it. Later that day the two girls sent a note to me asking if I could write down what I'd said that had made everyone laugh. Though I didn't mention in the note I sent back to them that I'd asked if they were pregnant, I did include a couple of things I said that were funny. The one page joke I sent to those girls that day was the beginning of my sit down comedy book. Many more notes followed as they kept on asking for more. These girls would later give me a name: the Funny Hand of God. I adopted the name quickly. It was better than the nickname my friends at school called me: You don't want to know. Stand up comedy has been around for many decades and in that time many great comedians have emerged keeping the tradition alive. These include George Carlin, Steve Harvey, Lenny

Bruce Dave Chapelle and many more Yet out of millions of people who know these comedians from watching and listening to them many have only known them by name and by the books some of them authored The best material from these comedians is only known to those who can hear them A year ago at Dulles Airport I met one of those girls who visited our school that day She reignited the memories we shared together I can't describe the feelings I felt when she gestured that I am the funniest person she has ever known From that moment on I decided I want to be known as the funniest comedian that never performed on stage I want to deliver stand up comedy inside a book Someone has to do it This is how the first sit down comedy book came to be And many more will follow If you are looking for a book that will make you laugh check out *The King Of All Liars* I promise it won't disappoint you **America Needs God - Not Hypocrites, Liars, and Socialists!** D. Woody Walker, 2022-08-14 This publication summarizes America's true history in founding of the United States her progress through each decade leading up to the condition of our great country today and how we can correct the crisis created by the present administration of Socialist Democrats in power As a Christian and a patriotic citizen Woody felt he was called to write this book *The Hole in the Code* Wilfred Don, 2022-07-18 A professional businessman shows you how to avoid taxes the honest way in this self help guide to building and keeping wealth Wilfred Don observes that tax collectors from long ago were regarded as the lowest of the low as they charged and collected taxes from the poorest who represented most of society They kept large portions of taxes for themselves while contributing to the rulers Today we call these lobbyists who influence our lawmakers and leaders The tax system in place today allows self employed individuals to keep more of their money By studying the tax code you can lower your taxable income get tax breaks by investing in real estate make your money grow more than inflation The author highlights how important it is to get corporate tax rates and realize capital gains instead of earning money and paying personal income tax rates You must hold your wealth in corporations equities and real estate and avoid paying yourself ordinary income at all costs Leverage the author's decades of experience as a business owner to achieve your dreams with the insights in *The Hole in the Code* *The Great American Backslide and Our Silent Partnership with Darkness* M.
