The Great California Game:

The Great California Game Jonathan Gash,1992-11-01 Persona non grata in England and Hong Kong antiques expert Lovejoy escapes to America where he must rely on the help of a destitute hooker and a streetwise eight year old to stay one step ahead of the law Reprint **The Great California Game** Jonathan Gash,1991 *The Games of California and Stanford* Jack F. Sheehan,1900 **The Great California Trail in 1849** Andel J. McCall,1882 **The 100 Greatest Commodore 64 Games** Tom Crossland,2022-01-02 The Commodore 64 was an incredible piece of tech for its time and left a generation with enough happy and nostalgic gaming memories to last a lifetime Are C64 games still worth playing today even if you have all the latest modern releases My answer to that question is yes Commodore C64 games are still fun and still worth exploring Shooting games strategy games arcade adventures space flight simulators sports simulations racing games fantasy games horror games combat games boxing games platform games and so on So without any further delay let us begin our countdown of the one hundred greatest C64 games Let the nostalgia commence **For California** ,1905 Faces in the Pool Jonathan Gash,2009-12-08 In Jonathan Gash s 24th Lovejoy Mystery Faces in the Pool Lovejoy is released from jail on condition he join the elegant Laura Moon s speed dating agency A divorced millionairess she proposes a temporary marriage of convenience to help her hunt down her former husband Can Lovejoy do what is expected of him without getting killed A picaresque tour de farce If you crave linear plotting Gash will send you screaming for Tylenol but nobody dissembles more brilliantly Kirkus Reviews The Gondola Scam Jonathan Gash,2014-04-03 Antiques and women are really the only things that I m interested in Getting them in the right order can be a problem because even a fake antique can be absolutely fascination especially if it drives someone to commit murder Antiques and women are what led me to Venice on the trail of the killer and there my modest talents saw me blagging my way into a job as a tour guide as well as lending a hand as a sculptor My credentials as a tour guide were as bogus as the forgery I was chiselling and it began to feel like everywhere I turned nothing was as it seemed Antiques and women almost got me killed when the bullets started flying **Pearlhanger** Jonathan Gash,2014-04-03 I don t much like working for clients It means that I have to follow someone else s instructions and I ve never been too good at that When those instructions came from a spirit guide at a seance I just had to laugh Well you would wouldn t you The rather attractive young woman whose husband the spook had said I should help her to find took me on a quest that turned into a trail of lucrative antiques deals spoiled only when the police came plodding in and I found myself up to my neck in forgeries and murders Situation normal really Then the killer turned his attentions to me just as the spirit had said he would and I certainly wasn t laughing any more The Tartan Ringers Jonathan Gash,2014-04-03 I like to think that when feeling my way carefully through the rituals of passion the lady in question has pretty much my full attention and very few things will distract me from the job in hand A murder just outside is one of them The victim and two other antiques dealers who also came to a sticky end were all working the same Scottish connection that I had been cultivating so I

decided to make myself scarce for a while Where better to hide than at the root of the problem in the wilds of Scotland There may be nothing very Scottish about me but when my life s on the line I can blend into the Highlands like a haggis in the heather It was also the best place to find out why the antiques trade down south had become such a dangerous business

The Sleepers of Erin Jonathan Gash,2013-11-07 You know things are going badly when you ve been stabbed hospitalized and arrested for a crime that not only did you not commit you actively attempted to prevent Top that off with a pending appearance in court before a judge whose wife you know rather better than he does and you start to think that visiting an ancient Irish tomb with a gang of ruthless villains sounds like a perfectly reasonable thing to do All you have to do is to make sure that you don t end up joining the ancient Irish tomb s ancient Irish inhabitants Nothing s ever that simple though is it Not in my world anyway Women have a tendency to confuse matters and when you re dealing with a deranged scarecrow poet and an eastern European hit man whom you know for a fact has never been further east than Billericay in his entire life things are confusing enough don t you think

Firefly Gadroon Jonathan Gash,2013-11-07 I don t like to pack too much into an ordinary day and this one had already been pretty eventful two arguments with women a fight in a pub a warning from the Old Bill and a fiasco at auction that lost me an exquisite antique Japanese firefly cage The trouble was somebody wanted that little gem even more than I did It was the key that would unlock a secret they d to anything to keep under wraps even murder If only they could only have gone about their dirty deeds without involving me or my friends they might have got away with it all but when the master craftsman bravely trying to teach me the art of gadrooning fell foul of them and paid for it with his life they had me to deal with

The Vatican Rip Jonathan Gash,2013-11-07 I always think that a genuine friend is like a genuine antique you d go a long way to find one and you d do anything to stop one getting broken When an Italian gentleman made me an offer I couldn t refuse stopping my friends from getting broken meant stealing a very valuable antique Somebody else has got my antique and I want it back was how he put it Who has it I asked Without a flicker of a smile he replied The Pope If you think of the Vatican as a big church where the Pope lives then think again It is a complete walled city with its own shops its own bank and its own armed security in the shape of the ridiculously costumed Swiss Guards Look a bit daft don t they But they re well trained and well armed young men Well if stealing antiques from the Pope was easy everybody would be doing it wouldn t they
