The Great Day:

The Great Day Dr. Festus K. Akinnesi, 2021-10-21 The most remarkable story ever revealed starts like this And war broke out in heaven Michael and his angels fought with the dragon The Great Day is anchored on the allegorical story of the woman in Revelation 12 and her adversary which led to the war in heaven the root of all wars and woes on earth In her the unchangeable and eternal purpose of God for humanity was perfectly sealed The author presents three stages of war by her Antagonist a first war in heaven then many wars on earth then a final war from heaven before the messianic kingdom of Christ The result is a prophecy book that is almost as dramatic and moving as a novel yet it is not a fiction Interpreting the entire end time prophecies from this vantage point is what sets this book apart from the rest In particular four unique discoveries have transformed this book to a new prophetic treasure that every Christian must possess The reader will discover early in the book how the invention of another woman Asherah the mother of Baal later coded as Babylon in Revelation 17 became Satan's greatest game changer Who is the real Gog and Magog the Antichrist that would occupy Israel Why Russia is not the Gog of Magog of Ezekiel's prophecy Understanding the sequence and purpose of the 21 plagues the seven seals and the sets of retributory plagues of tribulation seven trumpets and seven bowls of wrath How are the unleashing of these unprecedented apocalyptic plagues linked to the two powerful prophets in Revelation 11 What will be the roles of the armies of raptured saints following King Jesus for the Armageddon war The Great Day is a must read for every Christian concerned about the end time our eternal destiny The entire kingdom agenda of Jesus is about the End times

Apocalyptic Visions and The Great Day of The Lord Dr. K. M. Ware, 2021-06-23 The Bible book of Revelation is a prophetic warning of God's judgment upon mankind It was presented in visions to Apostle John who transmitted it to the early congregations at the beginning of the Christian era An accurate understanding of the Word of God in general and Revelation more specifically can mean the difference between life or death the difference between an eternal life of bliss in the kingdom of God or eternal death in the lake of fire Apocalyptic Visions endeavors to provide such an understanding Revelation reveals the culmination of a spiritual battle between God and Satan It is a struggle for the very souls of mankind Satan has made a challenge to the sovereignty of God and the motivations of man The continued existence of man is at stake The first prophecy of Genesis sets the stage for the whole theme of the Word of God and Revelation brings it to a close There are four distinct principles in Revelation and a clear understanding of these elements and their interaction brings God's plan for mankind into focus The serpent and his seed are at war with a woman and her seed It is important that those who wish to please God be well informed with his will and commands Those who live in accordance with the will of God receive part in the blessings of the kingdom of God **To Live to See the Great Day That Dawns** Anne Mathews-Younes, 2011-05
