 collecting folk tales and his understanding of cultural anthropology inform this work as he seeks to untangle the threads of
 human belief and ritualistic behavior that shape societal norms across different civilizations For readers intrigued by the
 foundations of belief systems and the human propensity for spiritual expression The Making of Religion is an essential text
 Lang's comprehensive approach invites the reader to ponder profound questions about faith culture and the shared
 narratives that bind humanity This book is highly recommended for both scholars and general readers eager to gain insight
